Bikes waiting to be loaded for delivery.

For 83 years Newberg Firefighters and their families have bought, wrapped, and delivered toys to kids in our community.

In 2013 we delivered to 337 families, totaling 849 kids. These children and families may not have had much of a Christmas without our help.

Every year the need for our help grows! Without the generosity of our sponsors and golfers, as well as the donations that we receive throughout the year we could not make any of this possible. Thank you from everyone at the fire department! Please do not forget that there are 849 children that are thanking you as well.
