*** Election Alert ***

Yamhill County Elections Open Saturday

To assist voters needing help with their ballots, the Yamhill County Clerk's Office will be open Saturday 11/5/16

Yamhill County, Oregon – November 3, 2016.

The vast majority of our ballots for the 2016 General Election were mailed to voters across Yamhill County on Wednesday October 19, 2016. If a voter has not received their ballot at this point, they need to contact us to ask us for a replacement.

Similarly, if a voter lost or spoiled their ballot, they can ask for a replacement ballot. Voters have until 8pm on Election Day but we want to help people get their issues resolved in advance if at all possible.

To assist voters, we will open our office from 10 am until 2 pm on Saturday November 5, 2016 for Election related items only. We will not process passports or property records that day.

All ballots must be in our possession (either in a Drop Box or in our Office) by 8 pm on Election Night – November 8, 2016. Postmarks DO NOT count.

We advise, with just 5 days left before the Election, that voters either drop off their ballots at an Official Ballot Drop Box or hand-deliver their ballot to an Election Official.

Yamhill County now has 15 24-hour Ballot Drop sites with at least one in every city in the County. The list of sites is on the back page of the pink insert that went to every voter, also on the back page of the Yamhill County section of the Voters' Pamphlet and is located on our website:

Voters need to remember to sign their ballot envelope. We do not open any ballot envelope until the signature has been matched with that voter's registration in our office. Voters should use their "natural" or "everyday" signature – they do not need to try to replicate their entire first, middle and last name if they do not normally use all their names in their normal signature. Voters should do what is natural and normal for their signature.

If any voter has questions they should contact us immediately.
