FUTURE REQUIREMENTS:

Initial to commit to meeting these requirements if the vacation rental application is approved.

CP I/we will register and pay the transient lodging tax each year.

CP I/we will post the vacation rental home registration that contains the information listed in the Development Code in [15.445.340](#).

CP I/we understand the complaint process and revocation of registration listed in the Development Code in [15.445.350](#).

GENERAL INFORMATION:

Provide a brief description of your proposed vacation rental including how it will be rented out.

609 E Sheridan St. is a SFR consisting of 3 bedrooms and 2 bathrooms built in 1996. This property will be advertised and rented out on Airbnb and VRBO for short term stays less than 30 days with 6 or fewer guests.

VACATION RENTALS CRITERIA:

Provide a brief response to the criteria listed below from the Newberg Development Code in [15.445.330](#).

1. The vacation rental home shall provide a minimum of two parking spaces on the site that are available for use of the rental occupants. Please state where those parking spaces will be located.

One parking space in single garage and another space located on driveway in front of garage.

2. The applicant shall provide for regular refuse collection. Please state the location and collection day.

Trash service will be done by Waste Management on Monday mornings. Bins will be collected from front of house and stored around back gate out of site.

3. The vacation rental home may not be occupied by more than two rental occupants per bedroom, up to a maximum of 15 people. Please state how you'll meet this criterion.

This home consists of 3 conforming bedrooms so will be advertised to sleep 6 guests in total.

4. The premises of the vacation rental home may not include any occupied recreational vehicle, trailer, tent or temporary shelter during the rental occupancy. Please state how you'll meet this criterion.

This property will be advertised stating no recreational vehicles, trailers, tents or temporary shelters allowed.

CONDITIONAL USE CRITERIA:

Provide a brief response to the criteria listed below from the Newberg Development Code in [15.225.060](#).

1. The location, size, design and operating characteristics of the vacation rental are such that it can be made reasonably compatible with and have minimal impact on the livability or appropriate development of abutting properties and the surrounding neighborhood, with consideration to be given to the generation of traffic and the capacity of surrounding streets, and to any other relevant impact of the use.

Once this property is converted to a STR, there will be no more than two vehicles at premises at any given time, and it will be occupied less days on average than it is with current use.

2. The proposed vacation rental will provide a convenient and functional living, working, shopping or civic environment, and will be as attractive as the nature of the use and its location and setting warrants.

Given it's proximity to George Fox University and downtown Newberg, guests will be encouraged to walk to shopping and dining.

Other/Continued Response Section:

[Empty response box]

Project Statement:

The proposed use of this property will be a short term rental. I believe that this home will be better suited for STR than it's current use as a long term rental property. I will be able to maintain its appearance and upkeep easier, as well as make cosmetic upgrades so that it is appealing to visitors and neighboring properties. Parking and street use will be less than currently used as it will likely be occupied around 50% of calendar days.

The proposed STR will provide visitors with convenient access to GFU as well as local wineries, downtown businesses, etc.

As to not cause disturbance to neighboring homes, this property will be monitored while occupied and visitors will be screened prior to booking their reservations through the vetting process of airbnb/vrbo.
