# NEWBERG URBAN RENEWAL AGENCY

## 2023-2024 FY PROPOSED BUDGET

### Budget Committee and Board of Commissioners

#### **BOARD OF COMMISSIONERS:**

Bill Rosacker  
Elise Yarnell Hollamon  
Peggy Kilburg  
Molly Olson  
Robyn Wheatley  
Mike McBride, *Vice Chair*  
Derek Carmon, *Chair*

#### **BUDGET COMMITTEE MEMBERS:**

Jennifer Bean  
Amanda Case  
Joe Churella  
Tony Elias  
Phillip Higgins  
Ryan McDermott  
Keenan O'Hern

#### **CITY STAFF:**

Will Worthey, *URA Administrator*  
Kady Strode, *Finance Director*

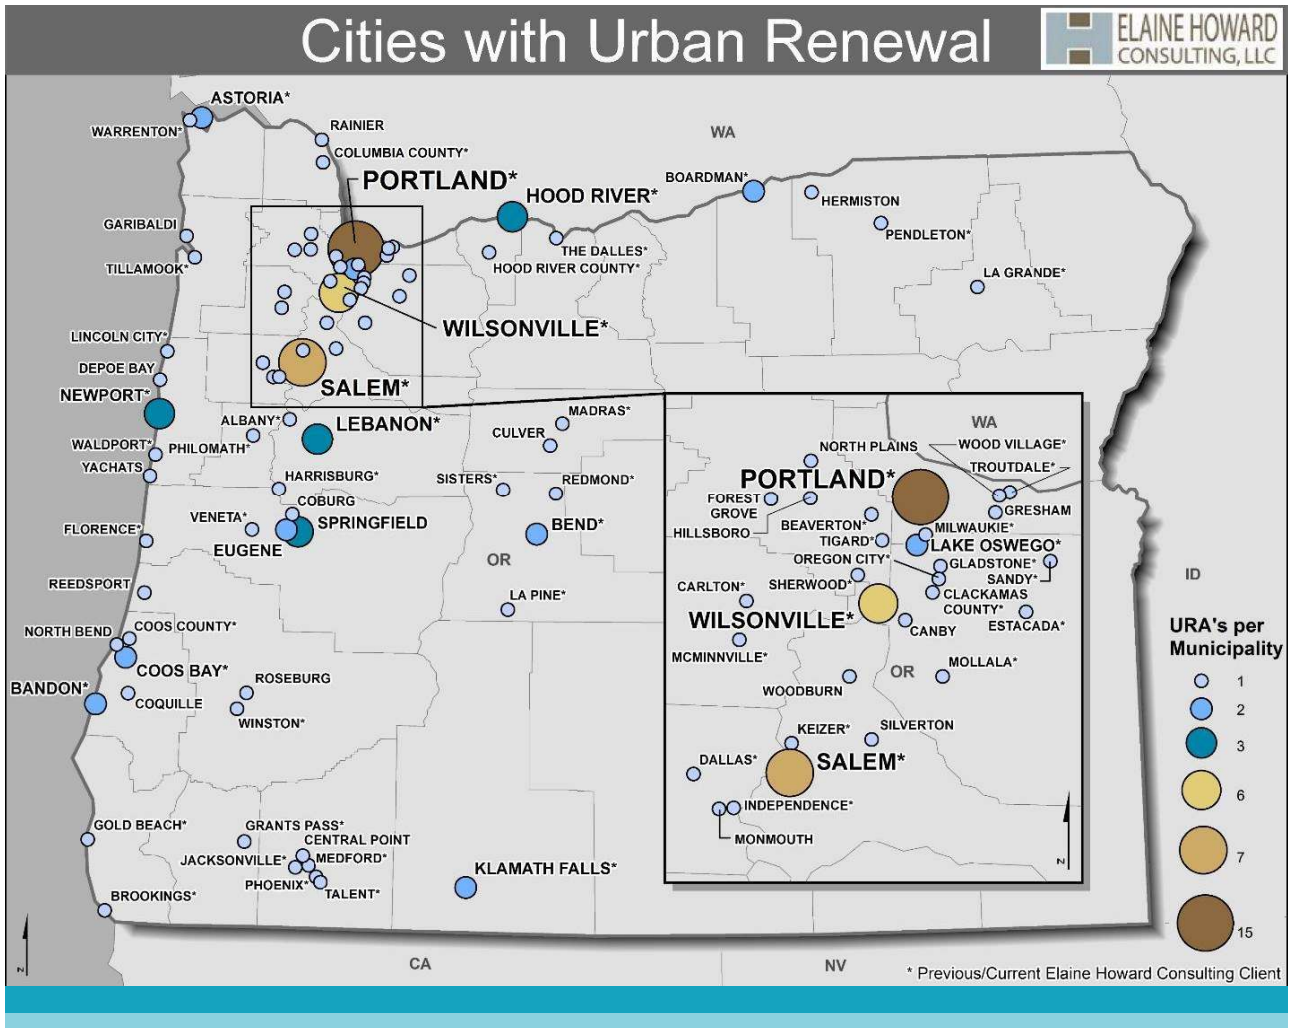

*FY 2023-2024 NURA Budget developed by Kady Strode, Finance Director and Jennifer Elkins, Management Analyst.*

*Budget assembly and cover creation by Emily Salsbury, Graphic Design Specialist.*

# BUDGET OVERVIEW

## IMPORTANT DEFINITIONS

“**Agency**” means the Newberg Urban Renewal Agency. This Agency is responsible for administration of the urban renewal plan.

“**Area**” means the properties and rights-of-way located with the Newberg Urban Renewal Boundary.

“**Blight**” is defined in ORS 457.010(1)(A-E) and identified in the ordinance adopting the urban renewal plan.

“**Board of Commissioners**” means the Yamhill County Board of Commissioners.

“**City**” means the City of Newberg, Oregon.

“**City Council**” or “**Council**” means the Newberg City Council.

“**Comprehensive Plan**” means the City of Newberg comprehensive land use plan and it’s implementing ordinances, policies, and standards.

“**County**” means Yamhill County, Oregon.

“**Fiscal year ending**” means the year commencing on July 1 and closing on June 30 of the next year.

“**Frozen base**” means the total assessed value including all real, personal, manufactured, and utility values within an urban renewal area at the time of adoption. The County Assessor certifies the assessed value after the adoption of an urban renewal plan.

“**Increment**” means that part of the assessed value of a taxing district attributable to any increase in the assessed value of the property located in an urban renewal area, or portion thereof, over the assessed value specified in the certified statement.

“**Maximum indebtedness**” means the amount of the principal of indebtedness included in a plan pursuant to ORS 457.190 and does not include indebtedness incurred to refund or refinance existing indebtedness.

“**ORS**” means the Oregon Revised Statutes. Chapter 457 specifically relates to urban renewal.

“**Planning Commission**” means the Newberg Planning Commission.

## IMPORTANT DEFINITIONS CONTINUED

**“Revenue sharing”** means under-levying tax increment proceeds to effectively share a portion of the revenue with the other taxing districts who levy permanent rate taxes in the urban renewal area as defined in ORS 457.470.

**“Tax increment financing (TIF)”** is a method of funding urban renewal projects and programs through incurring debt that is repaid by the division of taxes accomplished through the adoption of an urban renewal plan.

**“Tax increment finance revenues”** means the funds allocated by the assessor to an urban renewal area due to increases in assessed value over the frozen base within the area.

**“UGB”** means urban growth boundary.

**“Urban renewal area (URA)”** means a blighted area included in an urban renewal plan or an area included in an urban renewal plan under ORS 457.160.

**“Urban renewal plan”** or **“Plan”** means a plan, as it exists or is changed or modified from time to time, for one or more urban renewal areas, as provided in ORS 457.085, 457.095, 457.105, 457.115, 457.120, 457.125, 457.135 and 457.220.

**“Urban renewal project”** or **“Project”** means any work or undertaking carried out under ORS 457 in an urban renewal area.

**“Urban renewal report”** or **“Report”** means the official report that accompanies the urban renewal plan pursuant to ORS 457.087.

Well met,

Welcome to the first ever budget committee meeting for the **Newberg Urban Renewal Agency (NURA)**. This new district conceived several years ago, and now beginning its work will in the long term be a potent engine for change in our community. You will see little activity in this budget document or for that matter in the next few, as time will need to pass to allow funds to accrue for NURA to begin its good work. Every journey, however, begins with just a few steps. Our clear objectives include a desire to:

- Bring family wage jobs to our town.
- Redevelop sections of town that have the worst infrastructure.
- Fight to make Newberg the most prosperous community in Oregon.

When funds have been collected, they will be spent on projects identified in the Urban Renewal Plan. The Urban Renewal Citizens' Advisory Committee helped the City identify the highest priority projects within the urban renewal area. The majority of projects focus on building infrastructure in the Riverfront area including water lines, wastewater pipes, stormwater drains, and new roads and improving the current roads for transportation. Clearly the old mill site will be a key area of focus.

These improvements will provide the capacity for new development in our community. All projects identified were done so to create an attractive Riverfront district for development. This will result in new jobs for Newberg residents, more affordable housing options, and a more bikeable and walkable community that can be enjoyed by all.

Along with this, projects to improve downtown Newberg include additional parking, transportation improvements, and infrastructure improvements downtown.

For more details on these objectives see: <https://tinyurl.com/nurainfo> - or scan the QR code below.

In this budget you will see only the bare minimums required to begin the work, however, in a few years things will start to get real.

Until then, be mighty!

W. E. Worthey  
Administrator

NEWBERG URBAN  
RENEWAL AGENCY  
**FUND (95)**

**DESCRIPTION**

The Newberg Urban Renewal Agency (NURA) was established after several years of fact-finding, consulting, and planning in order to spur the improvement and development of blighted areas within the City of Newberg using grants, developer contributions, and Tax Increment Financing (TIF). TIF is defined as “a method of funding urban renewal projects and programs through incurring debt that is repaid by the division of taxes accomplished through the adoption of an urban renewal plan.”

TIF revenue is generated by “freezing” the assessed value of a property at a certain value. For the duration of the urban renewal plan, any increases to the property taxes within the plan area by either development or constitutionally allowable increases to assessed value, will be directed to NURA instead of the taxing district.

Example: A property valued at \$100,000 has a tax rate of \$5.00/\$1,000AV. In a subsequent year, due to a remodel of the home and annual up to 3% property tax increases, the same property may have a new assessed value of \$125,000. The tax calculated on the new portion of \$25,000 (125,000-100,000) will be distributed to NURA until the expiration of the plan. The tax rate of \$5.00 remains constant but the assessed value will continue to rise, and the tax calculated on the increase goes to the NURA.

**SIGNIFICANT CHANGES**

This is the first annual budget for the NURA. While the NURA has been a work in progress for several fiscal years, fiscal year 2023-24 is the first year the Agency will see any TIF revenues coming in, and therefore, it is the first year for direct expenditures. Given that this is the first year for a NURA budget, the historical years displayed in this document will be blank (or zeros). The upcoming year does expect to receive tax increment revenues and minimal expenses related to the existence of the Agency and its start-up.

Resources mainly come from tax increment revenues this first budget year. In future years, the fund should receive other sources of funding, such as grants, interest, loans, etc. Expenditures for Materials and Services are for legally required publications, contracted or professional services, and internal services and supplies in support of the Agency.

# APPENDICES

# APPENDIX A

## NURA BACKGROUND

On August 17, 2020, the Newberg City Council adopted Ordinance No. 2020-2865, establishing the **Newberg Urban Renewal Agency (NURA)**. NURA is embedded in the Newberg Municipal Code and is a separate political entity from the City, governed by the Board of Commissioners, which is comprised of current city councilors with a Chair appointed each year by the Board. The NURA has its own bylaws and rules, and is required to comply with Oregon Local Budget Law for urban renewal agencies. The NURA contains approximately 540 acres of land and is intended to last for 30 years. The NURA is required to undertake a financial analysis of the NURA plan every five years to update projections and evaluate against indebtedness.

It was with careful consideration and community outreach that the City of Newberg spent over the last several years completing planning to set the stage for an urban renewal plan, which is a key implementation tool for revitalization and economic development. In preparation of the urban renewal plan, the City updated all infrastructure master plans. The updates to the Transportation System Plan, Water Master Plan, Wastewater Master Plan, and Stormwater Master Plan were technical updates that consisted of addendums to the current master plans and the Newberg Comprehensive Plan. In addition, the City prepared the Riverfront Master Plan and the Downtown Improvement Plan. Newberg has also completed the A NewBERG Vision, Newberg Economic Development Strategy, Newberg Strategic Tourism Plan, Newberg Housing Needs Analysis, Newberg Economic Opportunity Analysis, and the Urban Renewal Feasibility Study. All of this planning has led to the formation of the NURA and the preparation of the Newberg Urban Renewal Plan (Plan).

Financing for the Plan will use a combination of revenue sources including tax increment revenues, loans, grants, contributions from private developers, and any other public or private source. Informative videos explaining urban renewals and their unique financing options can be found at <https://www.newbergoregon.gov/planning/page/urban-renewal-tax-increment-financing-newberg#videos>.

Opportunity for public input was provided on each planning document that was used as a basis for the Plan. The City also convened an Ad Hoc Urban Renewal Citizens Advisory Committee (CAC) comprised of representatives from:

- Newberg City Council
- Chehalem Park and Recreation District
- Tualatin Valley Fire and Rescue (TVF&R)
- Newberg School District
- Chehalem Valley Chamber of Commerce
- Business owners
- Community members

The CAC provided input on the boundary, proposed projects, and finances for the urban renewal area over the course of seventeen meetings. At their last meeting on January 25, 2022, the CAC unanimously approved the projects in the Plan and unanimously recommended the Newberg Urban Renewal Plan and Report be forwarded to the Newberg Urban Renewal Agency for referral to taxing districts and to the Newberg City Council for adoption. Comments received from overlaying taxing districts were largely in support of the NURA and their comments were addressed and incorporated into the Plan when warranted.

The Newberg Urban Renewal Plan Area (Area), consists of approximately 540 total acres comprised of 392.19 acres of land in tax lots and 147.81 acres of public rights-of-way, as indicated in the boundary map below.

The NURA is anticipated to complete all projects and have sufficient tax increment finance revenue to terminate the urban renewal area in FY2052-53, a 30-year urban renewal plan. The Newberg Urban Renewal Plan has a specific duration provision of 30 years. If growth in assessed value is slower than projected, the Agency may not be able to complete all projects in the Plan. If growth in assessed value is more robust than the projections, it may take a shorter time period.

The maximum indebtedness is \$125,800,000 (One Hundred Twenty-Five Million Eight Hundred Thousand dollars). The estimated total amount of tax increment revenues required to service the maximum indebtedness of \$125,800,000 is \$146,889,339 and is from permanent rate tax levies. The increase over the maximum indebtedness is due to the projected cost of the interest on borrowings.

FYE	Total AV	Frozen Base AV	Increment	Tax Rate	Current Year			Prior Year	Total TIF

Urban renewal allows for the use of tax increment financing, a funding source that is unique to urban renewal, to fund its projects. It is really important to note and understand that this does not have a financial impact on the tax payer, but rather a portion of the tax they are already paying is redirected to NURA in order to complete needed development that will improve the property tax position of all taxing districts. Tax increment revenues are used to repay borrowed funds. The borrowed funds are used to pay for urban renewal projects and cannot exceed the maximum indebtedness amount set by the urban renewal plan. The following table shows an estimate of what the borrowing schedule may look like, as shown in “Exhibit B” of Ordinance 2865.

<b>Loan</b>	<b>Loan A</b>	<b>Loan B</b>	<b>Loan C</b>
Principal Amount	\$ 3,400,000	\$ 5,900,000	\$ 10,500,000
Interest Rate	5.00%	5.00%	5.00%
Loan Term	20	20	20
Loan Year	2025	2029	2034
Interest Payment Start	2025	2029	2034
Principal Payment Start	2025	2029	2034
Annual Payment	(\$272,825)	(\$473,431)	(\$842,547)

<b>Loan</b>	<b>Loan D</b>	<b>Loan E</b>
Principal Amount	\$ 12,500,000	\$ 12,100,000
Interest Rate	5.00%	5.00%
Loan Term	15	10
Loan Year	2039	2044
Interest Payment Start	2039	2044
Principal Payment Start	2039	2044
Annual Payment	(\$1,204,279)	(\$1,567,005)

The purpose of urban renewal is to improve specific areas of a city that are poorly developed or underdeveloped, called blighted areas in Oregon Revised Statutes (ORS) 457.010. These areas can have old or deteriorated buildings, public spaces that need improvements, streets and utilities in poor condition, a complete lack of streets and utilities altogether, or other obstacles to development.

In general, urban renewal projects can include construction or improvement of streets, utilities, and other public facilities; assistance for rehabilitation or redevelopment of property; acquisition and re-sale of property (site assembly) from willing sellers; and improvements to public spaces. This Area meets the definition of blight due to its transportation system infrastructure deficiencies, utility infrastructure deficiencies, and underdeveloped and undeveloped properties. These blighted conditions are specifically cited in the ordinance adopting the Plan and described in detail in the Report.

The goals of the Newberg Urban Renewal Plan come directly from existing publicly vetted and City Council adopted documents. A NewBERG Community Vision provides an overall vision for the city of Newberg identified as Goals A and B below. The City of Newberg Riverfront Master Plan provides the goals for the Riverfront, Goal C. The City of Newberg Downtown Improvement Plan provides goals for the Downtown, Goal D. The urban renewal plan is an implementation tool to enable the city to undertake projects already identified in these documents and in the City of Newberg Master Plans within the urban renewal area.

There are many other Newberg planning documents that provide support to the projects identified in this Plan. Those are reviewed in Chapter XII of the Plan. The goals of the Plan represent its basic intents and purposes. The urban renewal projects are identified in Sections V and VI of the Plan and are the specific means of meeting the objectives. The goals and objectives will be pursued as economically as is feasible and at the discretion of the NURA.

Urban renewal projects authorized by the Plan are outlined on the map on the facing page indicated by the following sub-area titles:

- **Sub-Area A Riverfront**
- **Sub-Area B Riverfront**
- **Sub-Area C Riverfront**
- **Sub-Area D Riverfront**
- **Sub-Area E Riverfront**
- **Sub-Area F Downtown**
- **Sub-Area G: Downtown**
- **Sub-Area H: Downtown**

# Newberg Urban Renewal District Subareas

Newberg Urban Renewal District Subareas

Source: City of Newberg

The Agency intends not to collect tax increment revenues for the Area after thirty years of tax increment collections. The Agency shall not initiate any Projects in the Area unless the Agency reasonably projects it will be able to pay for those Projects from the proceeds of indebtedness issued on or before FYE 2053, and from other funds available to the Agency. Except as provided in the next sentence, all indebtedness that is secured by the tax increment revenues of the Area shall mature no later than FYE 2053, and the Agency shall structure all its indebtedness so that it can be paid in full from the tax increment revenues of the Area that the Agency reasonably projects it will receive on or before FYE 2053. The Agency may issue refunding indebtedness that matures after FYE 2053, only if issuing that refunding indebtedness is necessary to avoid a default on previously-issued indebtedness.

Every 5 years of the Plan from the date of first tax increment revenues, the Agency shall undertake a financial analysis of the Plan, including updated projections for tax increment finance revenues and evaluating the ability of the revenues to achieve or exceed the Plan's maximum indebtedness by the anticipated expiration date in FYE 2053. The Agency shall also review the project list for potential changes. The Agency shall consult and confer with affected taxing districts regarding the results of this financial and project update and will consider revenue sharing or shortening the time frame of the Plan if revenues are exceeding projections.

Relevant local planning and development objectives are contained within many of Newberg's adopted plans. For this reason, coordination between the plans and the NURA are vital. The following plans have been reviewed and updated, when warranted:

- Newberg Comprehensive Plan
- City of Newberg Transportation System Plan December 2016, updated March 2021 adding Addendum Riverfront Master Plan
- City of Newberg Wastewater Master Plan May 2018, updated May 2021 adding Appendix K: Addendum to include Riverfront Master Plan
- City of Newberg Water Master Plan May 2017, updated May 2021 adding Appendix E: Addendum Riverfront Master Plan
- City of Newberg Stormwater Master Plan, updated June 2021
- Newberg Economic Development Strategy Updated 2019

## APPENDIX B

# PROCESS TIMELINE

ORS 457.089(1) requires that an urban renewal plan and accompanying report has to be determined to be in conformance with the Newberg Comprehensive Plan. The Planning Commission will hold a legislative hearing on the Plan. The Commission makes a determination of compliance listed in findings. The Planning Commission's determination is forwarded to the City Council who will hold a legislative public hearing and render a final decision on the Newberg Urban Renewal Plan and accompanying Report and compliance with the Newberg Comprehensive Plan. Important dates related to this request are as follows:

- 7/20/2020** The Newberg City Council accepted the Newberg Urban Renewal Feasibility Study on July 20, 2020, by Resolution No. 2020-3685.
- 8/17/2020** The Newberg City Council formed the Newberg Urban Renewal Agency and declared blight conditions exist by Ordinance No. 2020-2865.
- 5/24/2021** The Ad Hoc Urban Renewal Citizens Advisory Committee recommended the Newberg Urban Renewal Plan and Report be forwarded to the Newberg Urban Renewal Agency for referral to taxing districts and to the Newberg City Council for adoption.
- 6/7/2021** The Newberg Urban Renewal Agency referred the Newberg Urban Renewal Plan and Report to Taxing Districts via Resolution No. 2021-02.
- 6/23/2021** The Newberg Graphic published notice of the Planning Commission hearing on conformance with the Newberg Comprehensive Plan, and notice was posted in four public places.
- 7/7/2021** The Newberg Graphic published notice of the Planning Commission hearing on conformance with the Newberg Comprehensive Plan and Yamhill County Comprehensive Plan and notice was posted in four public places.
- 7/8/2021** The Planning Commission opened the hearing and took testimony on the Newberg Comprehensive Plan conformance and continued the hearing to July 22, 2021.
- 7/12/2021** A super Notice per ORS 457.120 was sent to all property owners within the city limits and to all property owners outside of the city limits but within the proposed urban renewal district boundary on July 12, 2021, for the August 2, 2021, City Council public hearing.
- 7/22/2021** The Planning Commission held a legislative hearing to consider the request of the Urban Renewal Plan conformance with the Newberg Comprehensive Plan and Yamhill County Comprehensive Plan.
- 7/29/2021** The Yamhill County Board of Commissioners considered a resolution to approve the Plan.

*(Timeline continues on following page)*

- 8/2/21** After proper notice, the City Council held a legislative hearing to consider the item. The legislative hearing by City Council and adoption of the proposed Plan and accompanying Report is by a nonemergency ordinance. The Yamhill County Board of Commissioners on July 29, 2021 adopted Resolution 21-07-29-01 approving the Plan with a condition that is go to a vote. The 2nd reading of the ordinance was delayed to October 18, 2021.
- 8/2/21** City Council adopted Resolution No. 2021-3762 indicating their intent to go to an election on November 2, 2021, on the proposed Newberg Urban Renewal Plan.
- 8/16/2021** City Council reconsidered their action of Resolution No. 2021-3762 and chose not to go to an election on November 2, 2021.
- 9/20/2021** City Council provided guidance to revise the proposed Newberg Urban Renewal Plan removing lands not annexed into the city limits.
- 10/18/2021** The City Council by motion concluded to not hold a second reading on Ordinance No. 2021-2885.
- 1/25/2022** The Ad Hoc Urban Renewal Citizens Advisory Committee recommended the Newberg Urban Renewal Plan and Report be forwarded to the Newberg Urban Renewal Agency for referral to taxing districts and to the Newberg City Council for adoption.
- 2/7/2022** The Newberg Urban Renewal Agency referred the Newberg Urban Renewal Plan and Report to Taxing Districts via Resolution No. 2022-04.
- 2/23/2022** The Newberg Graphic published notice of the Planning Commission hearing on conformance with the Newberg Comprehensive Plan and notice was posted in four public places.
- 3/10/2022** The Planning Commission held a legislative hearing to consider the request of the Urban Renewal Plan conformance with the Newberg Comprehensive Plan and concluded the Newberg Urban Renewal Plan was in conformance and adopted Resolution No. 2022-378.
- 3/14/2022** A super Notice per ORS 457.120 was sent to all property owners within the city limits on March 14, 2022, for the April 4, 2022, City Council public hearing.
- 3/16/2022** The Newberg Graphic published notice of the City Council public hearing.
- 4/4/2022** After proper notice, the City Council held a legislative hearing to consider the item. The legislative hearing by City Council and adoption of the proposed Newberg Urban Renewal Plan and accompanying Report is by a non-emergency ordinance.
- 4/18/2022** City Council 2nd Reading of Ordinance.
