### BUILDING DIVISION FEE SCHEDULES INFLATION ADJUSTMENT

The Newberg Building Division fee schedules will be adjusted to account for inflation effective May 13, 2013. Newberg Municipal Code authorizes the city manager to approve building division fees by executive order to reflect changes in the consumer price index. The consumer price index has risen by 1.7% since the last adjustment made in November 2011. Accordingly, the city manager has adjusted Building Division fee schedules by 1.7%. The change also establishes a minimum charge of \$76.28 for most permits and makes various minor changes to the fee schedules.

This change will be effective for any permit submitted after May 10, 2013 at 5:00 p.m. and any building permit issued after June 28, 2013 at 5:00p.m.

You may view the changes at [www.newbergoregon.gov](http://www.newbergoregon.gov), or at the Planning and Building Department office, 414 E. First Street, Newberg. If you have questions regarding this change, please contact the Newberg Building Division at 503-537-1240.
