Office Use Only—Permit #'s:

BUILDING PERMIT APPLICATION

City of Newberg

Required Information:

Applicant "MUST" provide "ALL" required contractor information. It is the responsibility of the owner or contractor to call for inspections. I hereby state that I have read and understand both sides of this application and the information provided on both sides is correct.

Expiration Information:

This application will expire 180 days from the submittal date. Any subsequent permits issued will be come null and void if work or construction authorized is not commenced within 180 days, or if construction or work is suspended or abandoned for a period of 180 days after work has commenced.

Plumbing Information:

Plumbing Permit: I certify that all plumbing work will be done in accordance with applicable provisions of the City of Newberg Ordinances and Oregon Revised Statutes Chapters 447 and 693, and applicable codes, and that no help will be employed unless under ORS 693.

Development Information:

Development Permit: In consideration thereof, the signee does hereby agree to pay the City of Newberg, the cost of sewer and/or water connection and development fees in accordance with City ordinances and resolutions. The signee does also acknowledge that a building permit will not be issued until the connection costs and development fees are paid in full. Applicant further understands that the City will begin billing in accordance with Resolution No. 93-1812, from the date of meter installation.

EPA Information:

EPA (Environmental Protection Agency) The US Environmental Protection Agency requires that renovation, repair and painting projects that the disturb lead-based paint in pre-1978 homes, childcare facilities and schools must be performed by an EPA certified renovator working for an EPA certified firm and specific work practices must be implemented to prevent lead contamination. More information is available at 1-800-424-LEAD (5323) or www2.epa.gov/lead.
