

## **BUILDING DIVISION FEE SCHEDULES INFLATION ADJUSTMENT**

The proposed resolution for the Newberg Building Division fee schedules are to be adjusted to account for inflation effective April 1, 2024 by City Council. The resolution proposes to approve building division fees to reflect changes in the consumer price index of 3.3% (December 2023 CPI). The change also establishes a minimum charge of \$105.17 for most permits and makes various minor changes to the fee schedules. The City proposes to implement a refund fee schedule for the Building Division.

These changes will be effective for any permit issued after March 31, 2024.
