

Boards, Committees & Comissions

Get Involved!

Volunteers who serve on Newberg's boards and committees are foundational to informing the development of our programs and policies. Our volunteers dedicate their time and expertise to serve as an important link to community needs and represent community values. We welcome people of all backgrounds and experiences to serve on our boards and committees.

Applications are available during open recruitment period. Most of the board, committee and commission openings occur in the Fall each year.
