

Newberg Dundee Bypass Phase 1

Newberg City Council

Proposed Wilsonville Road Relocation Transportation System Plan Amendment

April 18, 2016

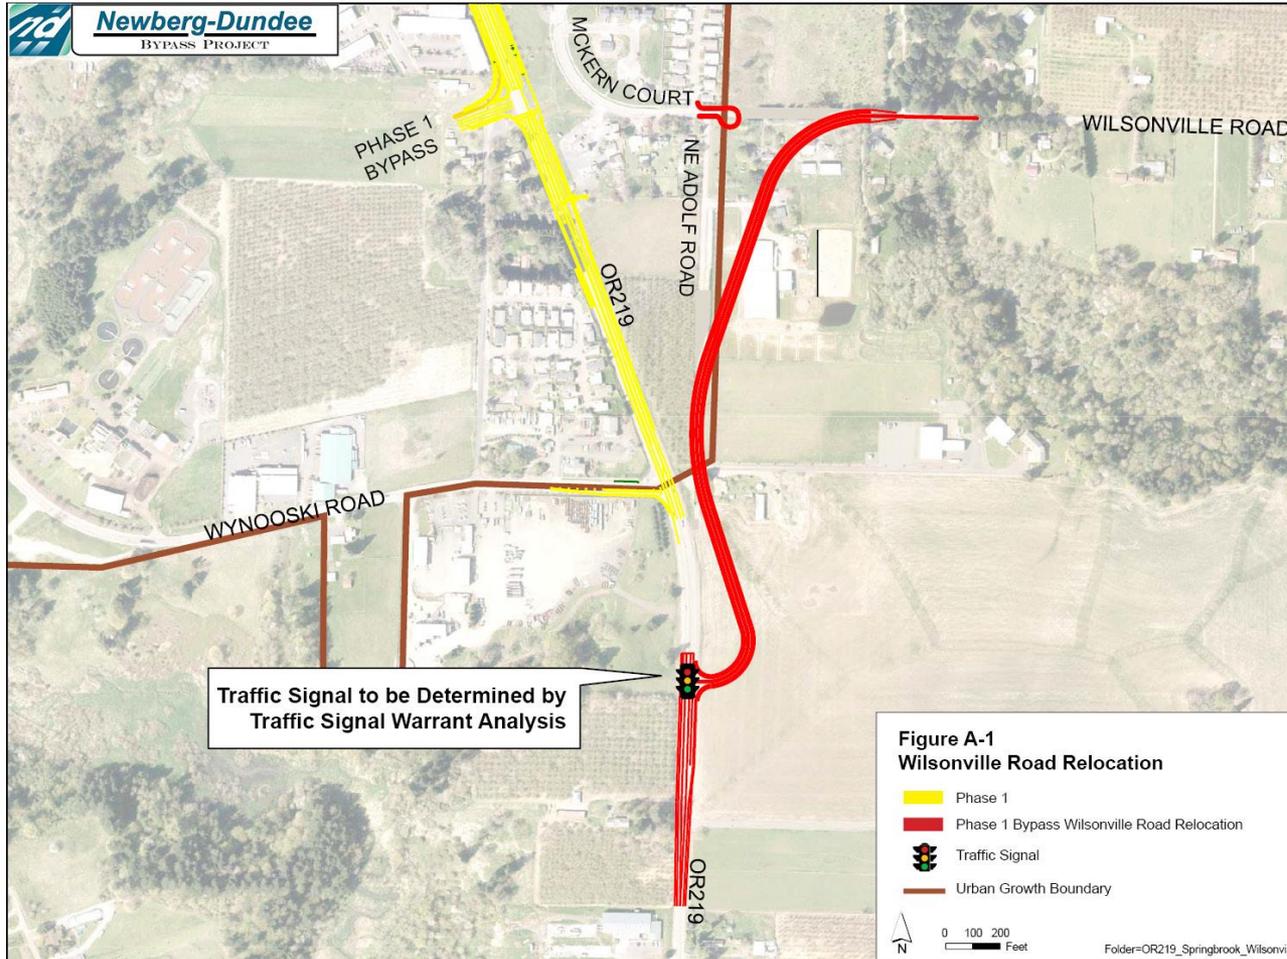

Tonight's Wilsonville Road Relocation Presentation

- Wilsonville Road relocated to the south to a new intersection on Oregon 219.
- New location for Wilsonville Road Cul-de-sac within Newberg UGB.
- New lane configuration for Oregon 219/Phase 1 Bypass intersection.
- Springbrook Road/Wilsonville Road Intersection Temporary Right Turn In/Out

Wilsonville Road Relocated to the South

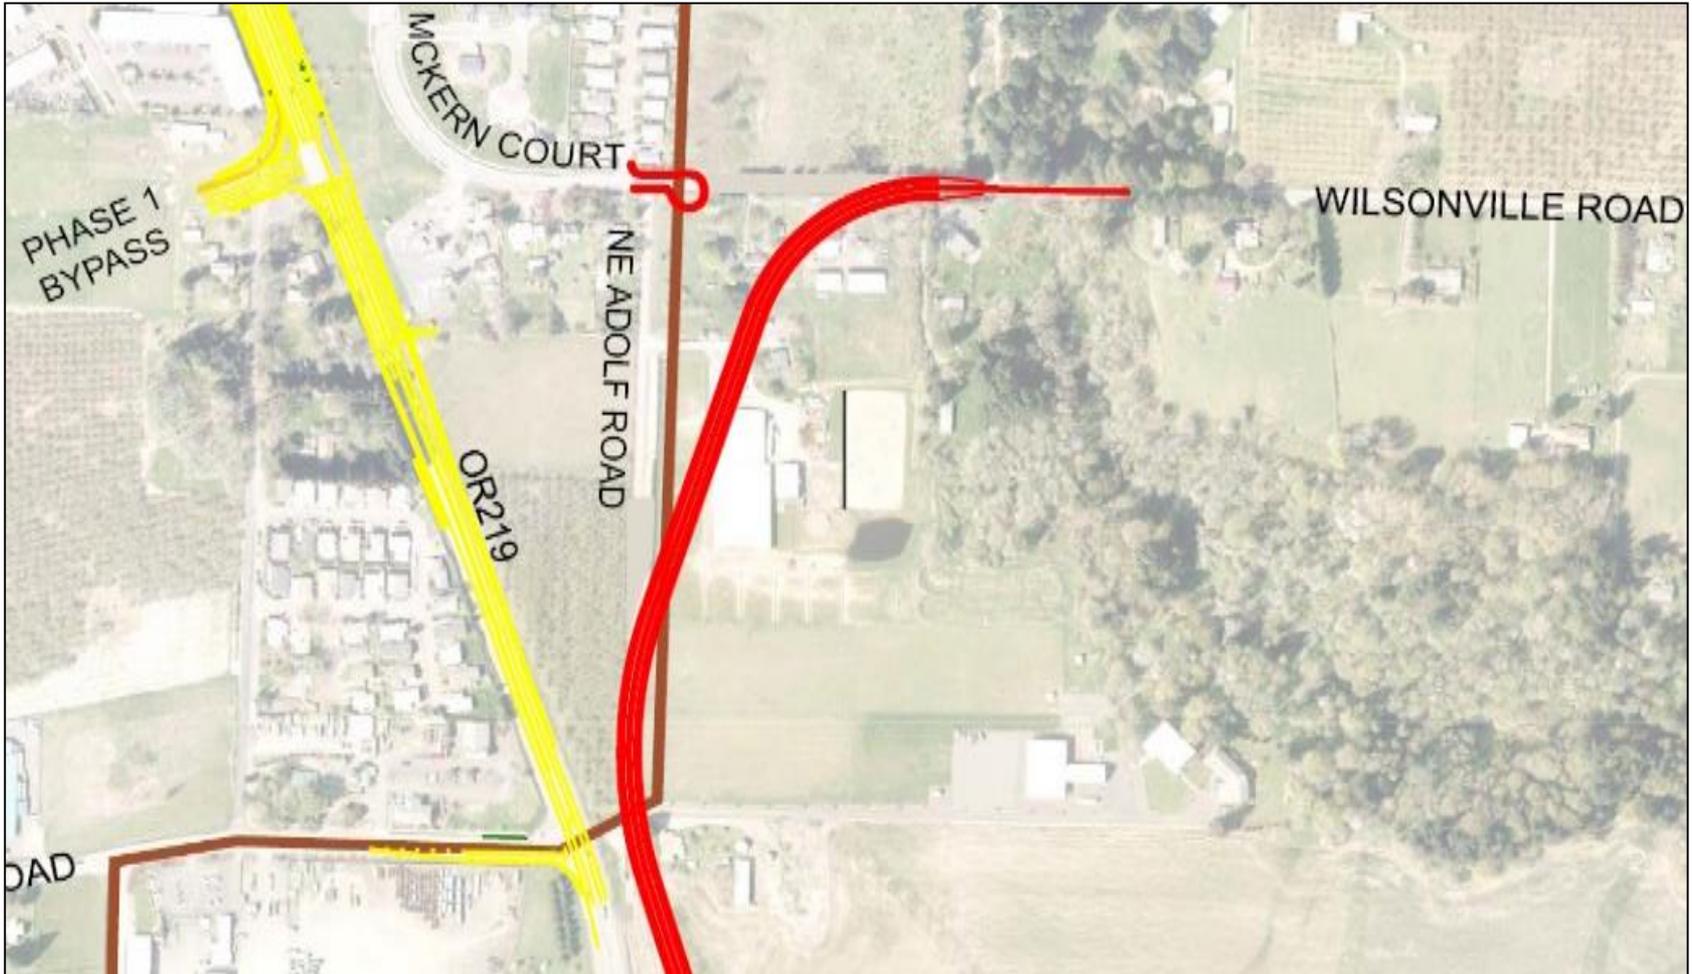

Wilsonville Road Relocated to the South

- Added to Newberg and Yamhill County TSP in 2011.
- Most of Wilsonville Road relocation is on Yamhill County EFU land but a portion along Adolf Road is in Newberg's UGB.
- Requires R/W purchase with 2 residential and 1 business relocation.
- Schedule for completion July 2020.

Wilsonville Road Cul-de-sac

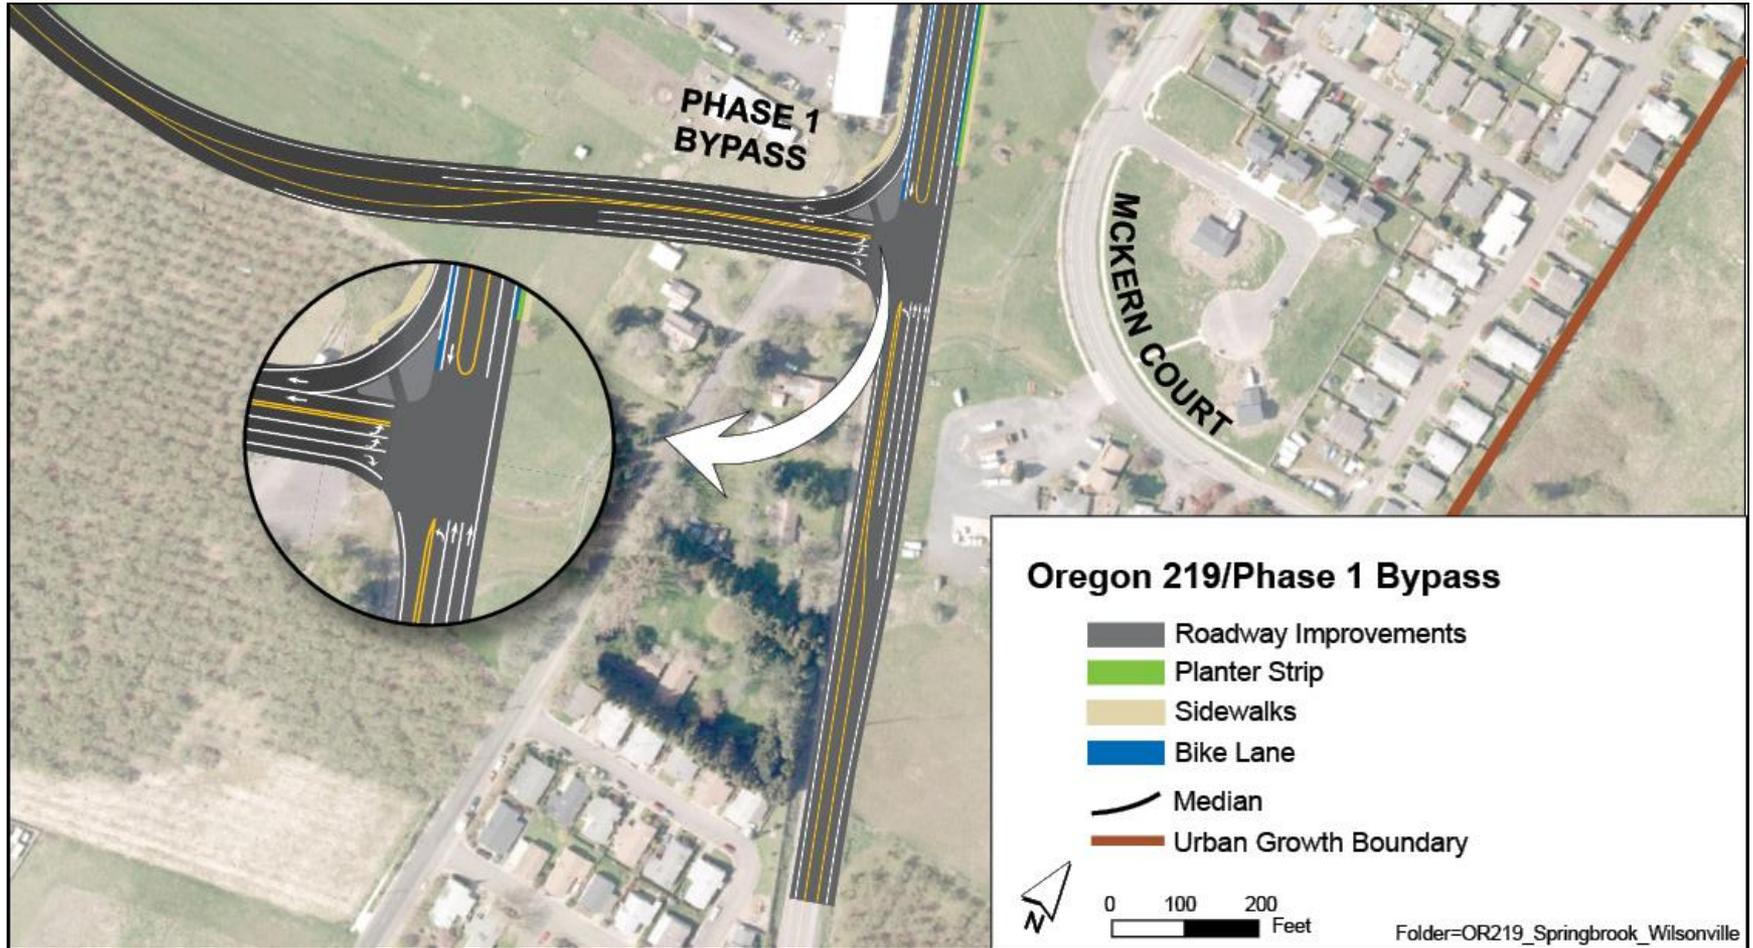

Wilsonville Road Cul-de-sac

- Not in Newberg TSP.
- Cul-de-sac McKern Court east of the Adolf Road Intersection.
- West portion of the Cul-de-sac in Newberg UGB. East portion in Yamhill County.
- Properties within Newberg UGB will continue to use McKern Court and Springbrook Road to travel to Newberg and beyond.

Oregon 219/Phase 1 Bypass Intersection

Oregon 219/Phase 1 Bypass Intersection

- Not in Newberg TSP.
- Changes intersection lane configuration.
- Removes turn and through travel lanes east of Oregon 219.

Temporary Right Turn In/Out

Temporary Right Turn In/Out

- Not in Newberg TSP.
- Needed to improve safety when Phase 1 Bypass opens in 2017.
- Will cause out of direction travel for both eastbound and westbound travelers to and from Wilsonville Road.
- Will be removed in 2020 when Wilsonville Road Relocation project is complete.

Wilsonville Road Relocation

Please approve adding the following elements to the Newberg TSP:

- New location for McKern Court cul-de-sac within Newberg UGB.
- New lane configuration for Oregon 219/Phase 1 Bypass intersection.
- Temporary Right Turn In/Out at existing Springbrook Road/Wilsonville Road Intersection.
