- 

**A. SUMMARY:**

The proposed amendment does the following:

Amends the Newberg Comprehensive Plan, Newberg Municipal Code, Title 15, 15.05.030, 15.100.020, 15.205.050, 15.205.060, 15.220.020, 15.235.040, 15.235.050, 15.240.020, 15.302.032, 15.302.040, 15.303.200, 15.305.020, 15.336.010, 15.336.020, 15.340.020, 15.342.050, 15.342.070, 15.342.100, 15.346.070, 15.3522.050, 15.405.010, 15.405.030, 15.405.040, 15.410.070, 15.415.020, 15.420.010, 15.420.020, 15.440.020, 15.44.060, 15.440.075, 15.505.030 and the Northwest Newberg Specific Plan, Springbrook Oaks Specific Plan, and Springbrook Master Plan, to address duplex standards in residential zones for compliance with HB 2001 and OAR Chapter 660 Division 046.

**BACKGROUND:**

The Oregon Legislature passed HB 2001 in 2019 regarding Middle Housing. Newberg is required to comply with the provisions for duplexes as it is a community between 10,000 and 25,000 in population. On August 5, 2019, the Newberg City Council directed staff to work not only on the duplex provisions but other Middle Housing including triplexes, quadplexes, cottage clusters, and townhomes. Staff submitted for a grant to the Oregon Department of Land Conservation and Development (DLCD) on April 30, 2020 supported by City Council Resolution No. 2020-3669. The City was successful in obtaining a grant and was awarded \$60,000 to develop comprehensive plan and development code regulations for duplexes, triplexes, quadplexes, cottage clusters and townhomes. The grant agreement was entered into on August 27, 2020.

The City Council appointed a Citizens Advisory Committee on August 17, 2020 to provide feedback and guidance to staff and the project's consultant- 3J Consulting which was selected through a Request for Qualifications process from the City's Qualified Pool List. The Land Conservation and Development Commission adopted Oregon Administrative Rules (OARs) for duplexes on July 23, 2020.

- B. PROCESS:** A municipal code amendment is a Type IV application and follows the procedures in Newberg Municipal Code 15.100.060. The Planning Commission will hold a legislative hearing on the application. The Commission will make a recommendation to the Newberg City Council. Following the Planning Commission's recommendation, the Newberg City Council will hold a legislative public hearing to consider the matter. Amendments to the Northwest Newberg Specific Plan, Springbrook Oaks Specific Plan, Springbrook Master Plan and Airport Master Plan also require legislative public hearings. Modifications to the Riverfront Master Plan can be approved by Resolution. Important dates related to this

application are as follows:

1. 4/20/202: The Newberg City Council adopted Resolution 2020-3669 applying for DLCD grant for Middle Housing.
2. 8/17/20 City Council Appointment of Citizen Advisory Committee.
3. 10/14/20: Citizens Advisory Committee Meeting Orientation.
4. 11/4/20: Citizens Advisory Committee Meeting.
5. 11/12/20: Planning Commission Briefing.
6. 11/18/20: Citizens Advisory Committee Meeting.
7. 12/10/20: Planning Commission Briefing.
8. 12/15/20: Public Open House #1 and Community Survey.
9. 1/14/21: Planning Commission Briefing.
10. 1/20/21: Citizens Advisory Committee Meeting.
11. 2/11/21: Planning Commission Briefing.
12. 2/17/21: Citizens Advisory Committee Meeting.
13. 2/23/21: Public Open House #2 and Community Survey.
14. 3/10/21: Citizens Advisory Committee Meeting.
15. 3/15/21: Planning Commission/City Council Joint Work Session.
16. 4/12/21: Measure 56 Notice Distributed.
17. 4/28/21: Planning staff placed notice on Newberg's website, and posted notice in four public buildings. *The Newberg Graphic* published notice of the hearing.
18. 5/13/21: The Planning Commission held a public hearing, took public testimony, and deliberated on the proposal.

**C. PUBLIC COMMENTS:** As of the writing of this report, the City has received no written comments on the proposal. Public participation was solicited through the Citizens Advisory Committee process through two open houses that included public participation and a community survey with the information in the project file.

**D. STAFF COMMENTS:** As of the writing of this report, the City has received the following

comments on the proposal.

## **E. DISCUSSION:**

There are a variety of Comprehensive Plan and Development Code modifications that are necessary to bring Newberg into conformance with HB 2001, ORS 197.758, and Oregon Administrative Rule (OAR) Chapter 660 Division 46 related to duplexes. To that end the Middle Housing Citizens Advisory Committee (CAC) met from October 2020 through March 2021 providing guidance and feedback to the project consultants 3J Consulting and Jet Planning Public. Input was also gathered through two virtual open houses and two online surveys.

Exhibits “A – E” are the culmination of the CAC and consultants work in identifying what policies need to be modified in the Comprehensive Plan under Goal I, - Housing and corresponding policies. In addition there are sections of the Development Code that need to be modified as noted under the Summary section of this report.

Definitions are required to be updated to align with definitions in OAR 660-046. Exhibit “B” contains the modifications.

The review process also needed to be modified. Duplexes are now required to be reviewed the same as single-family detached dwelling through a Type I Administrative process with clear and object standards.

The Nonconforming Use provision of the Development Code needed amending to address conversion of existing dwellings into duplex dwellings.

For the Land Division chapter, modifications were made to provide information on the total number of units proposed and information on the adequacy of infrastructure to serve duplex development.

The Planned Unit Development chapter is modified to address density points for duplex units.

In the Districts and Their Amendment chapter the purpose of each zoning district is amended to clarify duplexes are allowed by right in R-1, R-2, and R-3.

The Use Categories chapter is modified to remove the reference to two-family dwelling and replacing it with duplex dwelling to align with the updated definitions.

The Zoning Use Table chapter is updated in multiple locations to reflect duplex development.

The Airport Residential and Airport Overlay chapters are modified to bring language in alignment with definitions for single-family and duplex dwellings.

A variety of changes are proposed to the Stream Corridor Overlay chapter to integrate duplex dwellings as well as conversions of dwellings into duplexes.

A big challenge was to modify the Specific Plans and Master Plans. The Specific Plan Subdistrict chapter is modified to address duplexes in the Northwest Newberg and Springbrook Oaks Specific Plans. The Springbrook Master Plan also needs to be updated to reflect duplexes.

In the area of site design requirements, the Lot Requirements chapter was modified for lot area lot dimensions, lot coverage. Lot coverage is proposed to increase from 50% to 60% in R-2, RP, AR and R-3. A minor change occurs in the Yard Setback chapter on verbiage parking for service drives adding duplex dwellings and single-family dwellings. OAR 660-046 requires that the lot size for a single-family detached dwelling unit needs to be the same for a duplex. In the R-1 the minimum lot size is 5,000 square feet. In R-2 it is 3,000 square feet, R-3 2,500 square feet, AR 5,000 square feet, and RP 3,000 square feet. The current Development Code has the lot size for a duplex in R-1 at 10,000 square feet and R-2 at 6,000 square feet. Concerns were expressed by community members that the smaller lot size and allowing duplexes in single family areas would change the character of neighborhoods. Attachment 2 contains the feedback received from the two community surveys. Building height is proposed to be modified in the R-2, AR, and RP zones to 35 feet from the current 30 feet. R-1 remains at 30 feet.

The Landscape and Outdoor Areas chapter is modified to remove references to duplexes as they are no longer considered a multi-family development for purpose of landscaping requirements.

One of the significant issues raised by the CAC and community members was parking for duplexes. OAR 660-046 limits the maximum required number of off-street parking spaces to two per duplex. A new section was added in Parking for garages and their dimension requirements. Currently the dimension provision is buried in a definition.

Finally, there are modifications to the Public Improvements chapter on street frontage and driveway access, how many lots can share a driveway, and removing the reference to three dwellings.

## **F. AD HOC MIDDLE HOUSING CITIZENS ADVISORY COMMITTEE**

The Middle Housing Citizens Advisory Committee met on March 10, 2021 and recommend the Planning Commission and City Council approve the Middle Housing – Duplex regulations.

### **PRELIMINARY STAFF RECOMMENDATION:**

The preliminary staff recommendation is made in the absence of public hearing testimony and may be modified subsequent to the close of the public hearing. Staff recommends that the Planning Commission does the following:

- 1. Consider the staff report, public testimony, and the findings.*

*“Working Together For A Better Community-Serious About Service”*

Z:\MISC\WP5FILES\FILES.DCA (Dev Code TXT Amendment)\2021\DCA21-0002 Duplexes\DLCD PAPA\DCA21-0002 Staff Report to PC 5-13-21 final.doc

2. *Deliberate.*
3. *Make a motion to adopt Resolution No. 2021-371, which recommends that City Council adopt the Comprehensive Plan amendments, Development Code amendments, and amendments to the Northwest Newberg Specific Plan, Springbrook Oaks Specific Plan, and Springbrook Master Plan.*

DRAFT

## **PLANNING COMMISSION RESOLUTION 2020-371**

---

**A RESOLUTION RECOMMENDING CITY COUNCIL AMEND THE NEWBERG COMPREHENSIVE PLAN, NEWBERG MUNICIPAL CODE, TITLE 15, 15.05.030, 15.100.020, 15.205.050, 15.205.060, 15.220.020, 15.235.040, 15.235.050, 15.240.020, 15.302.032, 15.302.040, 15.303.200, 15.305.020, 15.336.010, 15.336.020, 15.340.020, 15.342.050, 15.342.070, 15.342.100, 15.346.070, 15.352.050, 15.405.010, 15.405.030, 15.405.040, 15.410.070, 15.415.020, 15.420.010, 15.420.020, 15.440.020, 15.44.060, 15.440.075, 15.505.030, NORTHWEST NEWBERG SPECIFIC PLAN, SPRINGBROOK OAKS SPECIFIC PLAN, AND SPRINGBROOK MASTER PLAN**

---

### **RECITALS**

1. The Oregon Legislature adopted HB 2001 during the 2019 Legislative Session.
2. The Newberg City Council authorized an application to the Department of Land Conservation and Development (DLCD) for a grant to comply with HB 2001 on April 20, 2020.
3. DLCD awarded the City of Newberg a grant on August 27, 2020.
4. The City Council appointed an Ad Hoc Citizens Advisory Committee on August 17, 2020.
5. The Ad Hoc Citizens Advisory Committee met six (6) times in developing comprehensive plan, development code, and Specific Plan and Mater Plan provisions for duplexes.
6. The Planning Commission was briefed four (4) times on the draft duplex code provisions.
7. The City Council and Planning Commission held a joint work session on the duplex code provisions on March 15, 2021.
8. After proper notice, the Newberg Planning Commission opened the hearing on May 13, 2021, considered public testimony and deliberated. They found that the proposed amendments were in the best interests of the City.

### **The Newberg Planning Commission resolves as follows:**

1. The Planning Commission of the City of Newberg recommends the City Council adopt the proposed Newberg Comprehensive Plan amendments, Newberg Development Code amendments for NMC, Title 15 Development Code, and the Northwest Newberg Specific Plan, Springbrook Oaks Specific Plan, and Springbrook Master Plan amendments.
2. This recommendation is based on the staff report, Exhibit "A" Comprehensive Plan amendments, Exhibit "B" Development Code amendments, Northwest Newberg Specific

Plan, Springbrook Oaks Specific Plan, and Springbrook Master Plan amendments (Exhibits “C”, “D”, and “E”) and the Findings in Exhibit “F”.

**Adopted by the Newberg Planning Commission this 13<sup>th</sup> day of May, 2021.**

**Exhibit “A” to Planning Commission Resolution No. 2021-371  
Comprehensive Plan Amendment – File CPTA21-0001**

---

Note: Existing text is shown in regular font.  
Added text is shown in double underline  
Deleted text is shown in ~~strikethrough~~.

**Section 1. The Newberg Comprehensive Plan, POLICIES: 1. Density Policies, subsection e. is deleted as shown:**

- e. ~~In determining net residential densities, developers may be given density credit for land donated and accepted by the City for needed public facilities.~~

**Section 2. The Newberg Comprehensive Plan, POLICIES: 3. Mix Policies, subsection ad. is added to read:**

- ad. The City shall permit duplex dwellings on any lot where single-family dwellings are permitted to provide additional housing options in compliance with OAR Division 660-046. (Ordinance No. 2021-2880, June 7, 2021.)

**Exhibit “B” to Planning Commission Resolution No. 2021-371  
Development Code Amendment – File DCA21-0002**

---

Note: Existing text is shown in regular font.  
Added text is shown in double underline  
Deleted text is shown in ~~strikethrough~~.

**The Newberg Development Code shall be amended as follows:**

**Section 1. Section 15.05.030 shall be amended to read for the following definitions:**

**Duplex.** See “dwelling, ~~two family~~ duplex”

**“Dwelling, accessory”** means an interior, attached or detached residential structure that is used in connection with or that is accessory to a single-family dwelling. A lot or parcel developed with a single-family dwelling and an accessory dwelling is excluded from the definition of “duplex dwelling.”

**“Dwelling, ~~two family duplex~~”** means two dwelling units on one lot or parcel in any configuration a building designed or used exclusively for the occupancy of two families living independently of each other and having separate housekeeping facilities for each family. A duplex dwelling does not include a lot or parcel developed with a single-family dwelling and an accessory dwelling.

**“Dwelling, single-family”** means one dwelling unit on one lot or parcel ~~a detached building designed or used exclusively for the occupancy of one family and having housekeeping facilities for only one family.~~

**“Dwelling, single-family detached”** means one dwelling unit on one lot or parcel with no common walls attached to another dwelling unit. ~~means a detached building designed or used exclusively for the occupancy of one family and having housekeeping facilities for only one family.~~

**“Family”** means ~~an individual, or two~~ (A) one or more persons related by blood, or marriage, domestic partnership, legal adoption or guardianship, plus not more than five additional persons, who live together in one dwelling unit or (B) one or more handicapped person as defined in the Fair Housing Amendments Act of 1988, plus not more than five additional persons, who live together in one dwelling unit ~~or a group of not more than five persons (excluding household employees) who need not be related by blood or marriage, living together in a dwelling unit. “Family” may include two or more people with disabilities, as defined in the Fair Housing Amendments Act of 1988, living as a single housekeeping unit.~~

**“Garage, single-car”** means a covered parking space enclosed on all four sides designed for the parking of one motor vehicle. ~~A single car garage shall have a minimum inside width of 10 feet by 20 feet.~~

**“Garage, two-car”** means a covered parking space enclosed on all four sides designed for the parking of two motor vehicles. ~~A two-car garage shall have a minimum inside width of 20 feet by 20 feet.~~

**Section 2. Section 15.05.030 is amended to add the following definition:**

**“Middle Housing”** means Duplexes, Triplexes, Quadplexes, Cottage Clusters, and Townhouses.

**Section 3. Subsection B of Section 15.100.020 is amended to read as follows:**

B. Type I actions include, but are not limited to:

1. Design review permits for single-family dwellings, duplexes dwellings, additions, accessory dwelling units, accessory structures, or other additions specifically listed in NMC 15.220.020(A)(1).
2. Home occupation permits.
3. Signs, not in conjunction with a new development or major remodel.
4. Adjustments.
5. Processing final land division maps and plats.
6. Determining compliance with the conditions of approval for a land use action processed under a Type II or Type III procedure.

**Section 4. Section 15.205.050 is amended to read as follows:**

Unless completely or partially destroyed, pursuant to NMC 15.205.070, nonconforming buildings or structures with legal conforming uses may be altered or modified, including conversion of a detached single-family dwelling to a duplex dwelling, subject to any of the following requirements. This shall be processed as a Type I application for single-family ~~homes~~ dwellings and duplexes dwellings and as a Type II application for all commercial, industrial, and multifamily dwelling uses.

A. The addition or modification affects a part of the structure which will meet the current setback, height, yard or similar regulations and the addition or modification will not worsen the nonconforming status of the building.

B. The addition or modification provides a logical expansion of the building and is within the existing building setback lines where:

1. In the opinion of the director, the expansion or modification will not adversely affect neighboring

properties;

2. Building code requirements can be met;

3. The expansion or modification proposed is similar to other nonconforming buildings or structures in the area; and

4. Reasonable provisions have been made to minimize the impact of the nonconforming status of the building or structure.

C. A building or parking area that is nonconforming to the standards of this code but otherwise conforms to the use provisions of the zoning district may be expanded; provided, that the portion of the building or parking area proposed for expansion complies with the provisions of this code. [Ord. 2451, 12-2-96. Code 2001 § 151.144.]

**Penalty:** See NMC 15.05.120.

**Section 5. Section 15.205.060 is amended to read as follows:**

**15.205.060 Single-family Residential nonconforming use exemption.**

A. Where a single-family, duplex, or multifamily dwelling is a legal, nonconforming use in any zoning district, it may be rebuilt if partially or completely destroyed. If a single-family, duplex, or multifamily dwelling is completely or partially destroyed, it may be rebuilt either in conformance with the setback, height restriction, and other regulations of the district in which it is located or with the standards of the R-2 zoning district. The minimum lot area requirement does not apply.

B. In addition, if a structure was originally constructed and legally occupied as a single-family dwelling or duplex dwelling, and it has since been converted to a different use, the structure may be reconverted back to a single-family dwelling or duplex dwelling, subject to applicable building codes. The dwelling shall either meet current parking requirements, or shall provide the same parking that was provided prior to the conversion from dwelling to another use. No more than ~~one~~ two dwelling units per lot may be allowed under this provision. [Ord. 2730 § 1 (Exh. A (8)), 10-18-10; Ord. 2561, 4-1-02; Ord. 2451, 12-2-96. Code 2001 § 151.145.]

**Penalty:** See NMC 15.05.120.

**Section 6. Subsection A.1. of Section 15.220.020 is amended to read as follows:**

A. Applicability of Requirements. Site design review shall be required prior to issuance of building permits or commencement of work for all improvements noted below. Site design review permits shall be processed as either Type I or Type II, as noted below.

1. Type I.

- a. Single-family dwellings;
- b. Duplexes dwellings;
- c. Institutional, commercial or industrial additions which do not exceed 1,000 square feet in gross floor area;
- d. Multifamily additions which do not exceed 1,000 square feet in gross floor area and do not add any new units, or new construction incidental to the main use on an existing developed site which does not exceed 1,000 square feet in gross floor area and does not add any new units;
- e. Institutional, commercial or industrial interior remodels which do not exceed 25 percent of the assessed valuation of the existing structure;
- f. Multifamily remodels which do not exceed 25 percent of the assessed valuation of the existing structure and do not add any new units;
- g. Signs which are not installed in conjunction with a new development or remodel;
- h. Modifications, paving, landscaping, restriping, or regrading of an existing duplex, multifamily, institutional, commercial or industrial parking lot;
- i. Fences and trash enclosures;
- j. Accessory dwelling units.

**Section 7. Subsection B.3. of Section 15.235.040 is amended to read as follows:**

3. Proposed Development. Except where the director deems certain information is not relevant, applications for preliminary plat approval shall contain all of the following information on the proposed development:

- a. Proposed lots, streets, tracts, open space and park land (if any); location, names, right-of-way dimensions, approximate radius of street curves; and approximate finished street centerline grades. All tracts that are being held for private use and all reservations and restrictions relating to such private tracts shall be identified;
- b. Easements. Location, width and purpose of all proposed easements;
- c. Lots and private tracts (e.g., private open space, common area, or street) with approximate dimensions, area calculation (e.g., in square feet), and identification numbers. Through lots shall be avoided except where necessary to provide separation

of residential development from major traffic routes, adjacent nonresidential activities, or to overcome specific issues with topography or orientation;

d. Proposed uses of the property, including total number and type of dwellings proposed, all existing structures to remain, areas proposed to be dedicated as public right-of-way or preserved as open space for the purpose of stormwater management, recreation, or other use;

e. Proposed grading;

f. Proposed public street improvements, pursuant to NMC 15.505.030, including street cross sections;

g. Information demonstrating that proposed lots can reasonably be accessed and developed without the need for a variance and in conformance with applicable setbacks and lot coverage requirements;

h. Preliminary design for extending city water and wastewater service to each lot, per NMC 15.505.040;

i. Proposed method of stormwater drainage and treatment, if required, pursuant to NMC 15.505.050;

j. The approximate location and identity of other utilities, including the locations of street lighting fixtures, as applicable;

k. Evidence of compliance with applicable overlay zones; and

l. Evidence of contact with the applicable road authority for proposed new street connections. [Ord. 2813 § 1 (Exh. A § 7), 9-5-17.]

**Section 8. Subsection A. of Section 15.235.050 is amended to read as follows:**

A. Approval Criteria. By means of a Type II procedure for a partition, or a Type II or III procedure for a subdivision per NMC 15.235.030(A), the applicable review body shall approve, approve with conditions, or deny an application for a preliminary plat. The decision shall be based on findings of compliance with all of the following approval criteria:

1. The land division application shall conform to the requirements of this chapter;
2. All proposed lots, blocks, and proposed land uses shall conform to the applicable provisions of NMC Division 15.400, Development Standards;
3. Access to individual lots, and public improvements necessary to serve the development,

including but not limited to water, wastewater, stormwater, and streets, shall conform to NMC Division 15.500, Public Improvement Standards;

4. The proposed plat name is not already recorded for another subdivision, and satisfies the provisions of ORS Chapter 92;

5. The proposed streets, utilities, and stormwater facilities are adequate to serve the proposed development at adopted level of service standards, conform to city of Newberg adopted master plans and applicable Newberg public works design and construction standards, and allow for transitions to existing and potential future development on adjacent lands. The preliminary plat shall identify all proposed public improvements and dedications;

6. All proposed private common areas and improvements, if any, are identified on the preliminary plat and maintenance of such areas is assured through the appropriate legal instrument;

7. Evidence that any required state and federal permits, as applicable, have been obtained or can reasonably be obtained prior to development; and

8. Evidence that improvements or conditions required by the city, road authority, Yamhill County, special districts, utilities, and/or other service providers, as applicable to the project, have been or can be met.

**Section 9. Subsection F.1. of Section 15.240.020 is amended to read as follows:**

F. Density. Except as provided in NMC 15.302.040 relating to subdistricts, dwelling unit density provisions for residential planned unit developments shall be as follows:

1. Maximum Density.

a. Except as provided in adopted refinement plans, the maximum allowable density for any project shall be as follows:

<b>District</b>	<b>Density Points</b>
R-1	175 density points per gross acre, as calculated in subsection (F)(1)(b) of this section
R-2	310 density points per gross acre, as calculated in subsection (F)(1)(b) of this section
R-3	640 density points per gross acre, as calculated in subsection (F)(1)(b) of this section
RP	310 density points per gross acre, as calculated in subsection (F)(1)(b) of this section
C-1	As per required findings
C-2	As per required findings

b. Density point calculations in the following table are correlated to dwellings based on the number of bedrooms, which for these purposes is defined as an enclosed room which is commonly used or capable of conversion to use as sleeping quarters. Accordingly, family rooms, dens, libraries, studies, studios, and other similar rooms shall be considered bedrooms if they meet the above definitions, are separated by walls or doors from other areas of the dwelling and are accessible to a bathroom without passing through another bedroom. Density points may be reduced at the applicant’s discretion by 25 percent for deed-restricted affordable dwelling units and/or middle housing dwelling units as follows:

**Density Point Table**

<b>Dwelling Type</b>	<b>Density Points: Standard Dwelling</b>	<b><u>Density Points:</u> <u>Middle Housing</u> <u>Dwelling Unit</u></b>	<b>Density Points: Income-Restricted Affordable Dwelling Unit</b>
Studio and efficiency	12	<u>9</u>	9
One-bedroom	14	<u>11</u>	11
Two-bedroom	21	<u>16</u>	16
Three-bedroom	28	<u>21</u>	21
Four or more bedrooms	35	<u>26</u>	26

The density points in the middle column are applicable to middle housing dwelling units including duplex dwellings.

The density points in the right-hand column are applicable to income-restricted affordable dwelling units, provided the dwelling units meet the affordability criteria under NMC 15.242.030 regarding affordable housing requirements for developments using the flexible development standards.

**Section 10. Subsection G.1. of Section 15.240.020 is amended to read as follows:**

G. Buildings and Uses Permitted. Buildings and uses in planned unit developments are permitted as follows:

1. R-1, R-2, R-3 and RP Zones.

a. Buildings and uses permitted outright or conditionally in the use district in which the proposed planned unit development is located.

b. Accessory buildings and uses.

~~e. Duplexes.~~

~~d.~~ Dwellings, single, manufactured, and multifamily.

~~e.~~ Convenience commercial services which the applicant proves will be patronized mainly by the residents of the proposed planned unit development.

**Section 11. Subsection A of Section 15.302.032 is amended to read as follows:**

A. R-1 Low Density Residential District.

1. The purpose of this land use designation is to provide for low density urban single-family residential uses at an average overall density of 4.4 units per gross buildable acre in the district. It is intended to provide a stable and healthful environment together with the full range of urban services.

2. Typical housing types will include single-family dwellings, duplex dwellings and planned unit developments. The district also is intended to allow low intensity institutional uses that operate consistent with peaceful enjoyment of residential neighborhoods. The R-1 district is intended to be consistent with the low density residential (LDR) designation of the comprehensive plan.

**Section 12. Subsection B of Section 15.302.032 is amended to read as follows:**

B. R-2 Medium Density Residential District.

1. The purpose of this land use designation is to provide a wide range of dwelling types and styles at an average overall density of nine units per gross buildable acre in the district.

2. Typical housing types will include single-family dwellings on small lots, attached single-family, duplex dwellings or multifamily dwellings, and manufactured dwelling parks. The district also is intended to allow low intensity institutional uses that operate consistent with peaceful enjoyment of residential neighborhoods. The R-2 district is intended to be consistent with the medium density residential (MDR) designation of the comprehensive plan.

**Section 13. Subsection C. of Section 15.302.032 is amended to read as follows:**

C. R-3 High Density Residential District.

1. The purpose of this land use designation is to provide multifamily dwellings of different types and styles at an average overall density of 16.5 units per gross buildable acre in the district.

2. Typical housing types will include duplexes dwellings, multifamily dwellings, and manufactured dwelling and mobile home parks. The district also is intended to allow low intensity institutional uses that operate consistent with peaceful enjoyment of residential neighborhoods. Density may vary depending on lot size, off-street parking area, transportation, landscaping and other site considerations. The R-3 district is intended to be consistent with the high density residential (HDR) designation of the comprehensive plan.

**Section 14. Subsection A. of Section 15.302.040 is amended to read as follows:**

A. Suffix Numbers Noting Density. Suffix numbers, including but not limited to the following examples, shall be noted on the zoning map indicating the maximum number of dwelling units permitted per gross acre. The following are examples of suffixes for subdistricts and their density equivalents:

<b>Suffix</b>	<b>Density Maximum</b>
5/A	5 dwelling units per gross acre
6/A	6 dwelling units per gross acre
7.5/A	7-1/2 dwelling units per gross acre
.33/A	1 dwelling unit per three gross acres

Note: Duplex dwellings count as a single dwelling per lot for the purpose of calculating compliance with the maximum density standards.

As further examples of subdistricts:

1. The subdistrict of an R-1 district which permits five dwelling units per gross acre is R-1-5/A.
2. The subdistrict of an R-1 district which permits one dwelling unit per five gross acres is R-1-.2/A.

**Section 15. Section 15.303.200 is amended to read as follows:**

The following residential uses are defined in NMC 15.05.030:

- A. Dwelling, single-family detached.
- B. Dwelling, single-family attached.
- C. Manufactured home.
- D. Manufactured dwelling park.

- E. Mobile home park.
- F. Manufactured home subdivision.
- G. Dwelling, ~~two-family~~ (duplex).
- H. Dwelling, multifamily.
- I. Dwelling, accessory.
- J. Dwelling, mixed use.
- K. Dwelling, caretaker.
- L. Dormitory.
- M. Home occupation. [Ord. 2763 § 1 (Exh. A § 5), 9-16-13.]

Key:

*"Working Together For A Better Community-Serious About Service"*

P: Permitted use

S: Special use – Use requires a special use permit

C: Conditional use – Requires a conditional use permit  
Notes.

X: Prohibited use

(#): See notes for limitations

(1) Limited to sites with preexisting agricultural uses, including at time of annexation.

(2) Limited to one per lot as a permitted use. More than one per lot allowed only through a conditional use permit or planned unit development, subject to density limits of NMC 15.405.010(B).

(3) Permitted on individual lots created prior to November 17, 1992. Homes on individual lots created on or after November 17, 1992, will only be permitted through the planned unit development process.

(4) The permitted density shall be stated on the conditional use permit.

(5) The dwelling units must front onto Hancock Street. No more than 30 percent of a single street frontage of a block may be occupied by residential uses. Contiguous residential street frontage must be less than 60 lineal feet. Density and parking standards for allowable dwelling units must be met.

(6) One ~~residence~~ single-family dwelling or duplex dwelling per lot with the addition of a tie-down or hangar for an airplane. At a minimum, a paved tie-down or hangar shall be provided on the property, or the property shall include permanent rights to a private hangar within the subdivision. See Chapter 15.336 NMC.

(7) The homes are not subject to the development standards set forth in NMC 15.445.050 through 15.445.070.

(8) The units must be located on the same lots as another use permitted or conditionally permitted in the C-3 zone and may not occupy the first floor storefront area (the portion of the building closest to the primary street), except on E/W Second Street where dwelling units are permitted to occupy the first floor of a building. There shall be no density limitation. Private parking areas or garages are not required for dwelling units located within buildings in existence prior to and including June 30, 1999. Parking shall be provided for all new dwelling units within any building constructed after June 30, 1999, in private parking areas or garages on the basis of one parking

space for each dwelling unit.

(9) Permitted on the ground floor, one per lot in conjunction with any other use permitted or conditional use in the C-1 zone. On upper floors, dwelling units are unlimited and one parking space per dwelling unit is required.

(10) Permitted above any permitted use in the C-2 zone. There shall be no density limitation. Parking shall be provided in private parking areas or garages on the basis of one parking space for each dwelling unit.

(11) The units must be located on the same lot as another use permitted or conditionally permitted in the C-4 district and may not occupy the first-floor storefront area (the portion of the building closest to the primary street). There shall be no density limitation. Parking shall be provided for all new dwelling units in private parking areas or garages on the basis of a maximum of one parking space for each dwelling unit.

(12) One residence of area not more than 40 percent of the area of the hangar floor, up to a maximum of 1,500 square feet, for an airport caretaker or security officer on each separate parcel.

(13) Permitted in existing dwelling units only. New dwelling units may not be created for this use unless the dwelling unit would otherwise be allowed.

(14) Allowed exclusively for employers or employees of businesses located within this district.

(15) Facility over 40,000 square feet gross floor area requires a conditional use permit.

(16) Allowed in areas designated in industrial area plans.

(17) Limited to facilities owned or operated by a public agency.

(18) Parking garages are a conditional use, and must have first floor street frontage of 40 feet or less for ingress or egress. First floor development must be commercial.

(19) A conditional use permit is required if the facility is less than 2,000 feet from the nearest telecommunication facility.

- (20) Businesses in the C-1 zone that have hours of operation between 10:00 p.m. and 7:00 a.m. require a conditional use permit.
- (21) Drive-up service windows accessory to an existing business on the site with walk-in customer service, such as a drive-up bank window, are allowed only with a conditional use permit. Otherwise, drive-up service windows, except those in service on April 1, 2002, are prohibited. Changes in use will not be allowed.
- (22) Retail sales of goods on site not allowed.
- (23) Limited to secondhand stores.
- (24) Store size is limited to 2,000 square feet gross floor area.
- (25) Store size is limited to 5,000 square feet gross floor area.
- (26) Use must demonstrate that it is compatible with airport operations.
- (27) Limited to service stations.
- (28) Limited to card lock fueling only. Retail services are limited to self-vending services.
- (29) Permitted provided the structure is designed for easy conversion to industrial use, including not having fixed seating.
- (30) Limited to 10,000 square feet maximum floor area.
- (31) Allowed indoors only.
- (32) Allowed indoors only. Outdoor use requires a conditional use permit.
- (33) Must be aviation-related. See Chapter 15.332 NMC.
- (34) Limited to expansion or change of existing heavy manufacturing uses.
- (35) Shall not be located at the same address as a state-registered marijuana grow site, or within 1,000 feet of the real property comprising

a public park, a public elementary or secondary school for which attendance is compulsory under ORS 339.020 or a private or parochial elementary or secondary school, teaching children as described in ORS 339.030(1)(a). Distance is measured in a straight line in a radius extending for 1,000 feet or less in any direction from the closest point anywhere on the boundary line of the real property comprising an existing public park, public elementary or secondary school or a private or parochial elementary or secondary school to the closest point of the premises of a dispensary. The premises consist of the dispensary building, or the portion of the building used for a dispensary. Shall not be located within 1,000 feet of another medical marijuana dispensary. Operating hours are limited to the hours between 9:00 a.m. and 10:00 p.m.

(36) Allows up to 12 mature plants; indoor operations only.

(37) Indoor use only.

(38) The use is not allowed within 1,000 feet of the real property comprising a public park, a public elementary or secondary school for which attendance is compulsory under ORS 339.020 or a private or parochial elementary or secondary school, teaching children as described in ORS 339.030(1)(a). Distance is measured in a straight line in a radius extending for 1,000 feet or less in any direction from the closest point anywhere on the boundary line of the real property comprising an existing public park, public elementary or secondary school or a private or parochial elementary or secondary school to the closest point of the premises of a recreational processor, wholesaler or retailer, or medical marijuana processor and wholesaler.

(39) One-thousand-foot separation between retailer to retailer premises and 1,000-foot separation between retailer to dispensary premises.

(40) Operating hours limited to the hours between 9:00 a.m. and 10:00 p.m. [Ord. 2868 § 1 (Exh. A), 11-16-20; Ord. 2857 § 1 (Exh. A §§ 1, 2), 3-16-20; Ord. 2851 § 1 (Exh. A § 1), 1-21-20; Ord. 2840 § 1 (Exh. A § 1, Att. 1), 10-15-18; Ord. 2832 § 1 (Exh. A, Att. 1), 7-2-18; Ord. 2820 § 1 (Exh. A § 1, Att. 1), 9-18-17; Ord. 2809 § 1 (Exh. A § 1), 9-19-16; Ord. 2801 § 1 (Exh. A § 2), 6-6-16; Ord. 2798 § 1 (Exh. A § 2), 4-4-16; Ord. 2793 § 2 (Exh. A § 1), 2-1-16; Ord. 2780 § 1 (Exh. A § 2), 4-6-15; Ord. 2763<sup>1</sup> § 1 (Exh. A § 6), 9-16-13.]

**Section 17. Section 15.336.010 is amended to read as follows:**

The purpose of the City of Newberg AR airport residential district is to encourage and support the continued operation and vitality of Sportsman Airpark and to take advantage of the transportation options it provides by allowing airport-related residential uses. ~~Maximum~~ Average overall density shall be 8.8 units per gross acre. [Ord. 2647, 6-5-06. Code 2001 § 151.449.1.]

**Section 18. Subsection B. of Section 15.336.020 is amended to read as follows:**

B. The buildings and uses are subject to the general provisions and exceptions set forth in this code:

1. Residential airpark development, meaning one ~~residence~~ single-family or duplex dwelling per lot with the addition of a tie-down or hangar for an airplane. At a minimum, a paved tie-down or hangar shall be provided on the property, or the property shall include permanent rights to a private hangar within the subdivision.
2. Accessory uses and structures.
3. Aircraft hangar. No aircraft hangar shall be constructed on any parcel or lot without a ~~residential dwelling~~ at least one single-family or duplex dwelling, except if it is provided with permanent rights to a nearby airpark residence as per subsection (B)(1) of this section. An aircraft hangar cannot be used as a ~~residence~~ dwelling.
4. Customary and usual aviation-related activities, including but not limited to takeoffs and landings; construction and maintenance of airport facilities; and other activities incidental to the normal operation of an airport.
5. Greenways, including but not limited to bicycle and pedestrian paths.
6. Public and semi-public buildings, structures and uses that provide necessary services to an airport, such as fire stations, pump stations and water storage.
7. Transportation facilities and improvements.
8. Private streets that function as taxiways are allowed in the AR district and may include gates with designs approved by the fire marshal, at the limit of the taxiways.
9. Accessory dwelling unit. [Ord. 2832 § 1 (Exh. A), 7-2-18; Ord. 2647, 6-5-06. Code 2001 § 151.449.2.]

**Section 19. Subsection A. of Section 15.340.020 is amended to read as follows:**

A. Single-family dwellings, mobile homes, duplex dwellings and multifamily dwellings, when located greater than 3,000 feet from the displaced threshold and when authorized in the primary

zoning district, provided the landowner signs and records in the deed and mortgage records of Yamhill County a hold harmless agreement and avigation and hazard easement and submits them to the airport sponsor and the planning and building department.

**Section 20. Subsection A. of Section 15.342.050 is amended to read as follows:**

A. The expansion of an existing single-family or duplex dwelling, structure, building, improvements, or accessory structures inside the corridor delineation boundary, including any expansion associated with conversion of an existing single-family dwelling into a duplex dwelling; provided, that the following criteria have been satisfied:

1. The expansion of a single-family or duplex dwelling, structure or improvement (including decks and patios); provided, that it is located no closer to the stream or wetland area than the existing structure or improvement;
2. The coverage of all structures within the SC overlay subdistrict on the subject parcel shall not be increased by more than 1,000 square feet of the coverage in existence as of December 4, 1996;
3. The disturbed area is restored pursuant to NMC 15.342.060; and
4. No portion of the improvement is located within the 100-year flood boundary.

**Section 21. Subsection G. of Section 15.342.050 is amended to read as follows:**

G. Single-family or duplex dwellings structures which are nonconforming to the standards of this chapter may be rebuilt in the event of damage due to fire or other natural hazard; provided, that the single-family or duplex dwelling or structure is placed within the same foundation lines. [Ord. 2451, 12-2-96. Code 2001 § 151.469.]

**Section 22. Subsection E. of Section 15.342.070 is amended to read as follows:**

E. New single-family or duplex dwellings ~~residences~~ which meet all of the following requirements:

1. The lot was created prior to December 4, 1996, is currently vacant, has at least 75 percent of the land area located within the SC overlay subdistrict and has less than 5,000 square feet of buildable land located outside the SC overlay subdistrict.
2. No more than one single-family or duplex dwelling ~~house~~ and its expansion is permitted on the property, which shall occupy a coverage area not to exceed 1,500 square feet in area.
3. The single-family or duplex dwelling ~~structure~~ shall be sited in a location which minimizes the impacts to the stream corridor.

4. The improvements and other work are not located within the 100-year flood boundary.

**Section 23. Subsection F. of Section 15.342.070 is amended to read as follows:**

F. Reduced front yard setback. Properties within the SC subdistrict may reduce the front yard setback for single-family or duplex dwelling residences or additions where the following requirements are met:

1. The reduction in the front yard setback will allow no less than five feet between the property line and the proposed structure.
2. The reduction in the setback will allow the footprint of the proposed dwelling structure or addition to be located entirely out of the SC overlay subdistrict.
3. Two 20-foot-deep off-street parking spaces can be provided which do not project into the street right-of-way.
4. Maximum coverage within the stream corridor subdistrict shall not exceed 1,500 square feet.

**Section 24. Subsection A.2. of Section 15.342.100 is amended to read as follows:**

2. The expansion of a single-family house or duplex dwelling, including expansion associated with the conversion of an existing single-family dwelling into a duplex dwelling, is permitted within the SC overlay subdistrict, provided:

- a. The single-family or duplex dwelling structure shall occupy a coverage area not to exceed a maximum of 1,500 square feet in area; and
- b. The single-family or duplex dwelling structure shall be placed in a location which is located no closer to the wetland.

**Section 25. Subsection A.3. of Section 15.342.100 is amended to read as follows:**

3. The expansion of any existing use or structure, other than single-family dwellings and duplex dwellings, that is otherwise permitted within the base zoning district. The hearing body may authorize the expansion of an existing non-single-family use, provided the following criteria are met:

- a. The expansion is limited to no more than 1,500 square feet of coverage;
- b. The proposal does not pose an unreasonable threat to the public health, safety or welfare on or off the development proposal site;
- c. Any alterations to a delineated stream corridor shall be the minimum necessary to

allow for the reasonable use of the property;

d. The development conforms to the regulations of the Newberg development code; and

e. The expansion shall be placed in a location which is no closer to the wetland.

**Section 26. Subsection A.1. of Section 15.346.070 is amended to read as follows:**

1. Report Adopted. The ~~n~~nNorthwest Newberg ~~s~~specific ~~p~~plan final report, dated August 1994 and amended June 7, 2021, is adopted by reference. The development standards listed in this section shall take precedence over those listed in the report. If ambiguity exists, this code shall govern.

**Section 27. Subsection A.4. of Section 15.346.070 is amended to read as follows:**

a. Area 1 Setbacks – Figure 10. Minimum and maximum front setbacks for structures shall be met in area 1 of the northwest Newberg specific plan. Residential structures shall be no closer nor further from the front property line than as follows:

	Minimum	Maximum
Porch	10'	25'
Dwelling	15'	25' (without porch)
Garage or carport	20'	None

The front of a garage may not be closer to the property line than the front of the ~~house~~ residential structure unless each front on different streets.

**Section 28. Subsection A.6. of Section 15.346.070 is amended to read as follows:**

6. Residential Density. Residential density is governed by the SP overlay subdistrict. The maximum allowed density is set by the number of lots depicted on the land use plan, Figure 6 of the northwest Newberg specific plan. Additional standards follow:

a. Minimum Lot Size.

i. Single-family dwellings or duplex dwellings: 5,000 square feet.

ii. Attached dwellings: 3,750 square feet.

b. Maximum Lot Coverage.

i. R-1-SP ~~and R-2-SP~~ zones: 40 percent (including garage).

ii. R-2-SP zone: 60 percent (including garage).

c. Maximum Density.

i. LDR districts: set by the specific plan (averages 4.4 dwellings per acre).

ii. MDR districts: 8.8 dwellings per acre.

iii. For the purpose of calculating compliance with the maximum density standard, duplex dwellings count as a single dwelling per lot.

d. Flexible Minimum Density Requirements. The following standards may be applied at the time of platting:

i. Lots may be increased to 7,500 square feet.

ii. Lot size may be increased above 7,500 square feet, provided the overall density of the original parent parcel at the time of specific plan approval remains at or above 80 percent of the original planned density. If other parcels have built out at densities exceeding 80 percent of the original planned density, the overall density of the combined parcels may be used for the calculation. For these calculations, the planned density for LDR areas shall be assumed to be 6.5 dwelling units per acre (5,000-square-foot single-family lots) and MDR at 8.8 dwelling units per acre.

**Section 29. Subsection A.8. of Section 15.346.070 is amended to read as follows:**

8. Commercial Standards. In addition to site review standards, the following standards shall apply to commercial development:

a. Commercial structures shall be set back no further than 20 feet from the Foothills Drive right-of-way. This setback area shall not be used for any type of vehicular access or parking.

b. A minimum of a 300-square-foot plaza or pedestrian seating area at the intersection of Foothills Drive and the adjacent north-south local street shall be provided.

c. All walls adjacent to and visible from the public right-of-way shall include windows. An exception to this standard may be granted by the ~~planning and building~~ community development director if the wall is screened.

**Section 30. Subsection B.1. of Section 15.346.070 is be amended to read as follows:**

*"Working Together For A Better Community-Serious About Service"*

Z:\MISC\WPSFILES\FILES.DCA (Dev Code TXT Amendment)\2021\DCA21-0002 Duplexes\DLCD PAPA\DCA21-0002 Staff Report to PC 5-13-21 final.doc

1. Report Adopted. The Springbrook Oaks specific plan dated August 2, 1999, and amended August 2, 1999, October 16, 2006, August 6, 2018, and June 7, 2021 is adopted by reference. The development standards listed in this section are intended to implement the policies of the Springbrook Oaks specific plan. Development of Springbrook Oaks shall follow the standards of this code section as well as the policies of the plan. If a conflict exists between the Springbrook Oaks specific plan policies and the development code, the Springbrook Oaks specific plan shall govern.

**Section 31. Subsection B.4. of Section 15.346.070 is amended to read as follows:**

4. Residential Design. Multiple, nonrepetitive home designs (detached dwelling units) shall be used in the development. No two identical designs shall be located closer than every three residences lots on any street frontage.

**Section 32. Subsection B.6.a. of Section 15.346.070 is amended to read as follows:**

a. Residential.

i. Development Areas A through F Setbacks – Figure 1 of the Springbrook Oaks Specific Plan. Minimum and maximum front setbacks for structures shall be met in development areas A through F of the Springbrook Oaks specific plan. Residential structures shall be no closer nor further from the front property line than as follows:

	Minimum	Maximum
Porch	10'	25'
Dwelling	15'	25' (without porch)
Garage or carport	20'	None

The front of a garage may not be closer to the property line than the front of the ~~house~~ residential structure unless each front on different streets.

ii. Development Area H Setback – Figure 2 of the Springbrook Oaks Specific Plan. Special minimum front setbacks for residential structures shall be met in development area H of the Springbrook Oaks specific plan. No maximum setback is required. Front setbacks are as follows:

	Minimum	Maximum
Porch	10'	None
Dwelling	15'	None
Garage or carport	20'	None

iii. Interior Setbacks. Interior yard setbacks shall be the same as the base zone. An exception to this standard is made for single-family attached housing, where no interior setback is required for the zero lot line. Another exception is development within the R-P zones of area F which may have a five-foot interior setback.

iv. Staggered front setbacks of at least two feet shall be established for attached homes. No two attached dwelling units, excluding duplex dwellings, with the same setback shall be located closer than every two residences on any street frontage.

**Section 33. Subsection B.8. of Section 15.346.070 is amended to read as follows:**

8. Residential Density. Residential density is governed by the SP overlay subdistrict.

a. The following development standards shall be applied to Springbrook Oaks (please refer to Graphic VI for map of development areas A through H of the Springbrook Oaks specific plan). See Appendix A, Figure 20. These standards shall supersede any density or density transfer standards established in the development code.

Area	Zone	Minimum Lot Size (Square Feet)	Minimum Lot Area per Dwelling Unit (Square Feet)	Maximum Density (Dwelling Units per Acre)
A	C-2	5,000	NA	NA
B <sup>1</sup>	RP	1,500*	1,500*	21.8* <sup>1</sup>
C <sup>1</sup>	R-3	2,500*	2,500*	13.1*
D <sup>1</sup>	R-2	3,750*	3,750	8.8
E <sup>1</sup>	R-2	5,000	5,000*	6.6*
F-1 <sup>1</sup>	RP	1,500*	1,500*	21.8*
F-2 <sup>1</sup>	RP	1,500*	None* <sup>2</sup>	None* <sup>2</sup>
F-3 <sup>1</sup>	RP	1,500*	1,500*	21.8*
G	M-1	20,000	NA	NA
H <sup>1</sup>	R-1	5,000*	10,000* <sup>3</sup>	3.3*

\* Different than the standards established elsewhere in the development code. Residential land use only permitted on F-1 area for Yamhill County tax lot 3216-02026.

<sup>1</sup> Up to 100 percent of the land zoned RP within area B may be developed for residential use.

<sup>2</sup> There is no limit on the number of dwelling units allowed in area F-2.

<sup>3</sup> Average lot area per dwelling in any one subdivision.

<sup>4</sup> Duplex dwellings are subject only to the Minimum Lot Size and are exempt from Minimum Lot Area per Dwelling Unit. Duplex dwellings count as a single dwelling per lot for the purpose of calculating compliance with the maximum density.

**Section 34. Subsection A. of Section 15.352.050 is amended to read as follows:**

A. Single-Family Dwellings and Duplex Dwellings.

1. For single-family dwellings and duplex dwellings, including manufactured homes on individual lots, at least two of the following design features must be provided on the street-facing facade:

- a. Covered front porch at least six feet in width and length.
- b. Eaves (minimum 12-inch overhang).
- c. Bay or bow windows.
- d. Dormers.
- e. Window shutters.
- f. Cupolas.
- g. Horizontal lap siding.

2. T1-11 and all other wood-based “full sheet” or panel-type siding is prohibited on elevations visible from public rights-of-way.

**Section 35. Subsection B. of Section 15.352.050 is amended to read as follows:**

B. Standards for Garage Doors and Parking in Residential Zones.

1. Garage Location. All residential structures shall have a pedestrian entrance facing the street. When parking is provided in a garage attached to the primary structure, and garage doors face a street, the following standards must be met:

- a. The garage must not be more than 40 percent of the length of the street-facing facade or 12 feet wide, whichever is greater.
- b. The front of the garage can be no closer to the front lot line than the front facade of the ~~house~~ primary structure.
- c. Individual garage doors may be no more than 90 square feet in area for a single-car

garage or 180 square feet in area for a two-car garage.

d. There may be no more than two individual garage doors located side by side without being separated by a space not less than 20 feet.

2. Surface parking areas shall be located behind or to the side of residential structures.

3. If carports are provided on surface lots, they must be of an architectural design that is compatible with the dwelling structure, and be constructed of similar materials. [Ord. 2868 § 1 (Exh. A), 11-16-20; Ord. 2747 § 1 (Exh. A § 12), 9-6-11; Ord. 2564, 4-15-02. Code 2001 § 151.527.5.]

**Section 36. Subsection A. of Section 15.405.010 is amended to read as follows:**

A. In the following districts, each lot or development site shall have an area as shown below except as otherwise permitted by this code:

1. In the R-1 district, each lot or development site shall have a minimum area of 5,000 square feet or as may be established by a subdistrict. The average size of lots in a subdivision intended for single-family or duplex dwelling development shall not exceed 10,000 square feet.

2. In the R-2, ~~R-3~~, and RP districts, each lot or development site shall have a minimum area of 3,000 square feet or as may be established by a subdistrict. ~~In the R-2 and R-P districts, the~~ The average size of lots in a subdivision intended for single-family or duplex dwelling development shall not exceed 5,000 square feet.

3. In the R-3 district, each lot or development site shall have a minimum area of 2,500 square feet or as may be established by a subdistrict. The average size of lots in a subdivision intended for duplex dwelling development shall not exceed 5,000 square feet.

~~34.~~ In the AI, AR, C-1, C-2, and C-3 districts, each lot or development site shall have a minimum area of 5,000 square feet or as may be established by a subdistrict.

~~45.~~ In the M-1, M-2, M-3, and M-E districts, each lot or development site shall have a minimum area of 20,000 square feet.

~~56.~~ Institutional districts shall have a minimum size of five contiguous acres in order to create a large enough campus to support institutional uses; however, additions to the district may be made in increments of any size.

~~67.~~ Within the commercial and mixed employment district(s) of the riverfront overlay subdistrict, there is no minimum lot size required, provided the other standards of this code can be met.

**Section 37. Subsection B. of Section 15.405.010 is amended to read as follows:**

**B. Lot or Development Site Area per Dwelling Unit.**

1. In the R-1 district, there shall be a minimum of 5,000 square feet per dwelling unit, except that there shall be a minimum of 5,000 square feet per duplex dwelling.
2. In the R-2, AR, and R-P districts, there shall be a minimum of 3,000 square feet of lot or development site area per dwelling unit, except that there shall be a minimum of 3,000 square feet per duplex dwelling. In the R-2 and R-P districts, lots or development sites in excess of 15,000 square feet used for multiple single-family, duplex or multifamily dwellings shall be developed at a minimum of one dwelling per 5,000 square feet lot area.
3. In the R-3 district, there shall be a minimum of 1,500 square feet of lot or development site area per dwelling unit, except that there shall be a minimum of 2,500 square feet per duplex dwelling. Lots or development sites in excess of 15,000 square feet used for multiple single-family, duplex or multifamily dwellings shall be developed at a minimum of one dwelling per 2,500 square feet lot area.

**Section 38. Subsection D. of Section 15.405.030 is amended to read as follows:**

**D. Frontage.**

1. No lot or development site shall have less than the following lot frontage standards:
  - a. Each lot or development site shall have either frontage on a public street for a distance of at least 25 feet or have access to a public street through an easement that is at least 25 feet wide. No new private streets, as defined in NMC 15.05.030, shall be created to provide frontage or access except as allowed by NMC 15.240.020(L)(2).
  - b. Each lot in R-2 zone shall have a minimum width of 25 feet at the front building line and R-3 zone shall have a minimum width of 30 feet at the front building line, except that duplex lots in the R-3 zone shall have a minimum width of 25 feet at the front building line.
  - c. Each lot in R-1 zone shall have a minimum width of 35 feet at the front building line and AI or RP shall have a minimum width of 50 feet at the front building line.
  - d. Each lot in an AR zone shall have a minimum width of 45 feet at the front building line.
2. The above standards apply with the following exceptions:

- a. Legally created lots of record in existence prior to the effective date of the ordinance codified in this code.
- b. Lots or development sites which, as a process of their creation, were approved with sub-standard widths in accordance with provisions of this code.
- c. Existing private streets may not be used for new dwelling units, except private streets that were created prior to March 1, 1999, including paving to fire access roads standards and installation of necessary utilities, and private streets allowed in the airport residential and airport industrial districts. However, existing single-family detached dwellings on existing private streets may be converted to duplex dwellings. [Ord. 2830 § 1 (Exh. A), 4-2-18; Ord. 2822 § 1 (Exh. A), 2-5-18; Ord. 2730 § 1 (Exh. A (3)), 10-18-10; Ord. 2720 § 1(15), 11-2-09; Ord. 2647, 6-5-06; Ord. 2507, 3-1-99; Ord. 2451, 12-2-96. Code 2001 § 151.567.]

**Section 39. Subsection B. of Section 15.405.040 is amended to read as follows:**

B. Residential uses in residential zones shall meet the following maximum lot coverage and parking coverage standards. See the definitions in NMC 15.05.030 and Appendix A, Figure 4.

1. Maximum Lot Coverage.
  - a. R-1: 40 percent, or 50 percent if all structures on the lot are one story.
  - b. R-2 and RP: ~~50~~ 60 percent.
  - c. AR and R-3: ~~50~~ 60 percent.
2. Maximum Parking Coverage. R-1, R-2, R-3, and RP: 30 percent.
3. Combined Maximum Lot and Parking Coverage.
  - a. R-1, ~~R-2 and RP~~: 60 percent.
  - b. R-2, R-3 and RP: 70 percent.

**Section 40. Subsection E.2 of Section 15.410.070 is amended to read as follows:**

2. In any residential district, public or private parking areas and parking spaces shall not be permitted in any required yard except as provided herein:
  - a. Required parking spaces shall be permitted on service drives in the required front

yard in conjunction with any single-family or ~~two-family~~ duplex dwelling on a single lot.

b. Recreational vehicles, boat trailers, camperettes and all other vehicles not in daily use are restricted to parking in the front yard setback for not more than 48 hours; and recreational vehicles, boat trailers, camperettes and all other vehicles not in daily use are permitted to be located in the required interior yards.

c. Public or private parking areas, parking spaces or any building or portion of any building intended for parking which have been identified as a use permitted in any residential district shall be permitted in any interior yard that abuts an alley, provided said parking areas, structures or spaces shall comply with NMC 15.440.070, Parking tables and diagrams (Diagrams 1 through 3).

d. Public or private parking areas, service drives or parking spaces which have been identified as a use permitted in any residential district shall be permitted in interior yards; provided, that said parking areas, service drives or parking spaces shall comply with other requirements of this code.

**Section 41. Subsection A. of Section 15.415.020 is amended to read as follows:**

A. Residential.

1. In the R-1, ~~R-2, AR, and RP~~ districts, no main building shall exceed 30 feet in height. ~~Accessory buildings in the R-1, R-2, R-3, AR, and RP districts are limited to 16 feet in height, except as follows:~~

~~a. Up to 800 square feet of an accessory building may have a height of up to 24 feet.~~

~~b. Aircraft hangars in the AR district may be the same height as the main building.~~

2. In the R-2, AR, and RP districts, no main building shall exceed 35 feet in height.

23. In the R-3 district, no main building shall exceed 45 feet in height, except, where an R-3 district abuts upon an R-1 district, the maximum permitted building height shall be limited to 30 feet for a distance of 50 feet from the abutting boundary of the aforementioned district.

4. Accessory buildings in the R-1, R-2, R-3, AR, and RP districts are limited to 16 feet in height, except as follows:

a. Up to 800 square feet of an accessory building may have a height of up to 24 feet.

b. Aircraft hangars in the AR district may be the same height as the main building.

~~35.~~ Single-family dwellings permitted in commercial or industrial districts shall not exceed ~~30~~ 35 feet in height, or the maximum height permitted in the zone, whichever is less.

**Section 42. Subsection A.2 of Section 15.420.010 is amended to read as follows:**

2. Individual and Shared Areas. Usable outdoor recreation space shall be provided for the individual and/or shared use of residents and their guests in any ~~duplex or~~ multifamily residential development, as follows:

- a. One- or two-bedroom units: 200 square feet per unit.
- b. Three- or more bedroom units: 300 square feet per unit.
- c. Storage areas are required in residential developments. Convenient areas shall be provided in residential developments for the storage of articles such as bicycles, barbecues, luggage, outdoor furniture, and the like. These shall be entirely enclosed.

**Section 43. Subsection B. of Section 15.420.010 is amended to read as follows:**

B. Required Landscaped Area. The following landscape requirements are established for all developments except single-family dwellings and duplex dwellings:

1. A minimum of 15 percent of the lot area shall be landscaped; provided, however, that computation of this minimum may include areas landscaped under subsection (B)(3) of this section. Development in the C-3 (central business district) zoning district and M-4 (large lot industrial) zoning district is exempt from the 15 percent landscape area requirement of this section. Additional landscaping requirements in the C-4 district are described in NMC 15.352.040(K). In the AI airport industrial district, only a five percent landscaping standard is required with the goal of “softening” the buildings and making the development “green” with plants, where possible. The existence of the runway, taxiway, and approach open areas already provide generally for the 15 percent requirement. Developments in the AI airport industrial district with a public street frontage shall have said minimum landscaping between the front property line and the front of the building.

2. All areas subject to the final design review plan and not otherwise improved shall be landscaped.

3. The following landscape requirements shall apply to the parking and loading areas:

a. A parking or loading area providing 10 or more spaces shall be improved with defined landscaped areas totaling no less than 25 square feet per parking space.

b. A parking, loading area, or drive aisle which runs adjacent to a property line shall be separate from any lot line adjacent to a street by a landscaped strip at least 10 feet

in interior width or the width of the required yard, whichever is greater, and any other lot line by a landscaped strip of at least five feet in interior width. See subsections (B)(3)(c) and (d) of this section for material to plant within landscape strips.

c. A landscaped strip separating a parking area, loading area, or drive aisle from a street shall contain street trees spaced as appropriate to the species, not to exceed 50 feet apart on average, and a combination of shrubs and ground cover, or lawn. This landscaping shall provide partial screening of these areas from the street.

d. A landscaped strip separating a parking area, loading area, or drive aisle from an interior lot line shall contain any combination of trees, shrubs, ground cover or lawn. Plant material shall be selected from at least two different plant material groups (example: trees and shrubs, or lawn and shrubs, or lawn and trees and shrubs).

e. Landscaping in a parking or loading area shall be located in defined landscaped areas which are uniformly distributed throughout the parking or loading area.

f. Landscaping areas in a parking lot, service drive or loading area shall have an interior width of not less than five feet.

g. All multifamily, institutional, commercial, or industrial parking areas, service drives, or loading zones which abut a residential district shall be enclosed with a 75 percent opaque, site-obscuring fence, wall or evergreen hedge along and immediately adjacent to any interior property line which abuts the residential district. Landscape plantings must be large enough to provide the required minimum screening requirement within 12 months after initial installation. Adequate provisions shall be maintained to protect walls, fences or plant materials from being damaged by vehicles using said parking areas.

h. An island of landscaped area shall be located to separate blocks of parking spaces. At a minimum, one deciduous shade tree per seven parking spaces shall be planted to create a partial tree canopy over and around the parking area. No more than seven parking spaces may be grouped together without an island separation unless otherwise approved by the director based on the following alternative standards:

i. Provision of a continuous landscaped strip, with a five-foot minimum width, which runs perpendicular to the row of parking spaces (see Appendix A, Figure 13).

ii. Provision of tree planting landscape islands, each of which is at least 16 square feet in size, and spaced no more than 50 feet apart on average, within areas proposed for back-to-back parking (see Appendix A, Figure 14).

#### 4. Trees, Shrubs and Ground Covers. The species of street trees required under this section

*"Working Together For A Better Community-Serious About Service"*

Z:\MISC\WPSFILES\FILES.DCA (Dev Code TXT Amendment)\2021\DCA21-0002 Duplexes\DLCD PAPA\DCA21-0002 Staff Report to PC 5-13-21 final.doc

shall conform to those authorized by the city council through resolution. The director shall have the responsibility for preparing and updating the street tree species list which shall be adopted in resolution form by the city council.

a. Arterial and minor arterial street trees shall have spacing of approximately 50 feet on center. These trees shall have a minimum two-inch caliper tree trunk or stalk at a measurement of two feet up from the base and shall be balled and burlapped or boxed.

b. Collector and local street trees shall be spaced approximately 35 to 40 feet on center. These trees shall have a minimum of a one and one-half or one and three-fourths inch tree trunk or stalk and shall be balled and burlapped or boxed.

c. Accent Trees. Accent trees are trees such as flowering cherry, flowering plum, crab-apple, Hawthorne and the like. These trees shall have a minimum one and one-half inch caliper tree trunk or stalk and shall be at least eight to 10 feet in height. These trees may be planted bare root or balled and burlapped. The spacing of these trees should be approximately 25 to 30 feet on center.

d. All broad-leaved evergreen shrubs and deciduous shrubs shall have a minimum height of 12 to 15 inches and shall be balled and burlapped or come from a two-gallon can. Gallon-can size shrubs will not be allowed except in ground covers. Larger sizes of shrubs may be required in special areas and locations as specified by the design review board. Spacing of these shrubs shall be typical for the variety, three to eight feet, and shall be identified on the landscape planting plan.

e. Ground Cover Plant Material. Ground cover plant material such as greening juniper, cotoneaster, minor Bowles, English ivy, hypericum and the like shall be one of the following sizes in specified spacing for that size:

Gallon cans	3 feet on center
4" containers	2 feet on center
2-1/4" containers	18" on center
Rooted cuttings	12" on center

5. Automatic, underground irrigation systems shall be provided for all areas required to be planted by this section. The director shall retain the flexibility to allow a combination of irrigated and nonirrigated areas. Landscaping material used within nonirrigated areas must consist of drought-resistant varieties. Provision must be made for alternative irrigation during the first year after initial installation to provide sufficient moisture for plant establishment.

6. Required landscaping shall be continuously maintained.

7. Maximum height of tree species shall be considered when planting under overhead utility lines.

8. Landscaping requirements and standards for parking and loading areas (subsection (B)(3) of this section) will apply to development proposals unless the institution has addressed the requirements and standards by an approved site development master plan. With an approved site development master plan, the landscape requirements will be reviewed through an administrative Type I review process.

9. In the M-4 zone, landscaping requirements and standards for parking and loading areas (subsection (B)(3) of this section) do not apply unless within 50 feet of a residential district.

**Section 44. Subsection B. of Section 15.440.020 is amended to read as follows:**

B. Groups of three or more parking spaces, except those in conjunction with single-family or ~~two-family~~ duplex dwellings on a single lot, shall be served by a service drive so that no backward movement or other maneuvering of a vehicle within a street, other than an alley, will be required. Service drives shall be designed and constructed to facilitate the flow of traffic, provide maximum safety in traffic access and egress and maximum safety of pedestrian and vehicular traffic on the site, but in no case shall two-way and one-way service drives be less than 20 feet and 12 feet, respectively. Service drives shall be improved in accordance with the minimum standards as set forth in NMC 15.440.060.

**Section 45. Section 15.440.030 is amended to read as follows:**

Use	Minimum Parking Spaces Required
<b>Residential Types</b>	
Dwelling, multifamily and multiple single-family dwellings on a single lot  Studio or one-bedroom unit Two-bedroom unit Three- and four-bedroom unit Five- or more bedroom unit  • Unassigned spaces  • Visitor spaces	1 per dwelling unit 1.5 per dwelling unit 2 per dwelling unit 0.75 spaces per bedroom  If a development is required to have more than 10 spaces on a lot, then it must provide some unassigned spaces. At least 15 percent of the total required parking spaces must be unassigned and be located for convenient use by all occupants of the development. The location shall be approved by the director.  If a development is required to have more than 10 spaces on a lot, then it must provide at least 0.2 visitor spaces per dwelling unit.
• On-street parking credit	On-street parking spaces may be counted toward the minimum number of required spaces for developments required to have more than 10 spaces on a lot. The on-street spaces must be directly adjoining and on the same side of the street as the subject property, must be legal spaces that meet all city standards, and cannot be counted if they could be removed by planned future street widening or a bike lane on the street.

Use	Minimum Parking Spaces Required
• Available transit service	At the review body's discretion, affordable housing projects may reduce the required off-street parking by 10 percent if there is an adequate continuous pedestrian route no more than 1,500 feet in length from the development to transit service with an average of less than one hour regular service intervals during commuting periods or where the development provides its own transit. A developer may qualify for this parking reduction if improvements on a proposed pedestrian route are made by the developer, thereby rendering it an adequate continuous route.
Commercial neighborhood district (C-1)	1 for each dwelling
Dwelling, single-family or two-family	2 for each dwelling unit on a single lot
<u>Dwelling, duplex</u>	<u>1 for each dwelling unit</u>
Fraternities, sororities, cooperatives and dormitories	1 for each three occupants for which sleeping facilities are provided
Hotels, motels, motor hotels, etc.	1 for each guest room
Rooming or boarding houses	1 for each guest room
Special needs housing	1 space per 3 beds or actual parking needs as demonstrated through a parking analysis.
<b>Institutional Types</b>	
Churches, clubs, lodges	1 for every 4 fixed seats or every 8 feet of bench length or every 28 sq. ft. where no permanent seats or benches are maintained – in main auditorium (sanctuary or place of worship)
Continuing care retirement community not including nursing care	1 space per living unit
Day care facility	5 spaces per each 1,000 gross sq. ft.
Hospitals (including accessory retail wholly contained within a hospital building)	2 spaces for each 1,000 gross sq. ft.
Libraries, museums, art galleries	1 for each 250 sq. ft. of gross floor area
Medical/dental offices and laboratories	3.5 spaces for each 1,000 gross sq. ft.
Nursing homes, homes for the aged, group care homes, asylums, etc.	1 for each 3 beds
Schools	Colleges – “commuter” type, 1 for every full-time equivalent student (plus 1/2 of the requirements for accessory buildings, i.e., 1.-E* and 3.-G(1)**)
Schools	Colleges – “resident” type, 1 for every 3 full-time equivalent students (plus 1/2 of the requirements for accessory buildings, i.e., 1.-E* and 3.-G(1)**)
Schools	Elementary or junior high, 1-1/2 for each teaching station plus 4 for every classroom, or 1 for every 42 sq. ft. of seating area where there are no fixed seats in an auditorium or assembly area
Schools	High schools, 1-1/2 for each teaching station, plus 8 for every classroom, or 1 for every 28 sq. ft. of seating area where there are no fixed seats in an auditorium or assembly area
Schools	Colleges – commercial or business, 1 for every 3 classroom seats (plus 1/2 of the requirements for accessory buildings, i.e., 1.-E* and 3.-G(1)**)
Welfare or correctional institutions	1 for each 5 beds

Use	Minimum Parking Spaces Required
<b>Commercial Types</b>	
Barber and beauty shops	1 for each 75 sq. ft. of gross floor area
Bowling alleys	6 for each bowling lane
Establishments or enterprises of a recreational or an entertainment nature:	
Establishments for the sale and consumption on the premises of food and beverages with a drive-up window	1 for each 75 sq. ft. of gross floor area
Establishments for the sale and consumption on the premises of food and beverages without a drive-up window	1 for each 100 sq. ft. of gross floor area
Participating type, e.g., skating rinks, dance halls	1 for each 75 sq. ft. of gross floor area
Spectator type, e.g., auditoriums, assembly halls, theaters, stadiums, places of public assembly	1 parking space for each 4 seats
Office buildings, business and professional offices	1 for every 400 sq. ft. of gross floor area
Pharmacies	1 for each 150 sq. ft. of gross floor area
Retail establishments, except as otherwise specified herein	1 for each 300 sq. ft. of gross floor area
Retail stores handling bulky merchandise, household furniture, or appliance repair	1 for each 600 sq. ft. of gross floor area
<b>Industrial Types</b>	
Except as specifically mentioned herein, industrial uses listed as permitted in the M districts: M-1, M-2, M-3, and M-4	1 for each 500 sq. ft. of gross floor area
Aircraft storage hangars up to 3,600 sq. ft. each enclosed hangar area	None (parking occurs in hangar)
Aircraft storage hangars over 3,600 sq. ft. each enclosed hangar area	1 for every 700 sq. ft. of hangar area over 3,600 sq. ft.
Aircraft hangars intended for repair and maintenance operations	1 for each 5,000 sq. ft. of hangar, plus 1 for each 500 sq. ft. of shop area, plus 1 for each 400 sq. ft. of office area
Laboratories and research facilities	1 for each 300 sq. ft. of gross floor area
Machinery or equipment	1 for each 400 sq. ft. of gross sales floor area
Wholesale and storage operations	1 for each 700 sq. ft. of gross floor area

Notes:

\* “1-E” refers to fraternities, sororities, cooperatives and dormitories that require one parking space for each three occupants for whom sleeping facilities are provided.

\*\* “3.-G(1)” refers to establishments or enterprises of a recreational or an entertainment nature (spectator type, e.g., auditoriums, assembly halls, theaters, stadiums, places of public assembly) that require one parking space for each four seats.

[Ord. 2862 § 1 (Exh. A § 2), 6-15-20; Ord. 2763 § 1 (Exh. A § 16), 9-16-13; Ord. 2730<sup>1</sup> § 1 (Exh. A (13)), 10-18-10; Ord. 2720 § 1(19), 11-2-09; Ord. 2710 § 1, 3-2-09; Ord. 2647, 6-5-06; Ord. 2550, 5-21-01; Ord. 2451, 12-2-96. Code 2001 § 151.612.]

**Penalty:** See NMC 15.05.120.

**Section 46. Subsection C. of Section 15.440.060 is amended to read as follows:**

C. All parking areas, except those required in conjunction with a single-family or ~~two-family~~ duplex dwellings, shall provide a substantial bumper which will prevent cars from encroachment on abutting private and public property.

**Section 47. Subsection D. of Section 15.440.060 is amended to read as follows:**

D. All parking areas, including service drives, except those required in conjunction with single-family or ~~two-family~~ duplex dwellings, shall be screened in accordance with NMC 15.420.010(B).

**Section 48. Subsection G. of Section 15.440.060 is amended to read as follows:**

G. Parking areas for residential uses shall not be located in a required front yard, except as follows:

1. Attached or detached single-family or ~~two-family~~ duplex: parking is authorized in a front yard on a service drive which provides access to an improved parking area outside the front yard.
2. Three- or four-family: parking is authorized in a front yard on a service drive which is adjacent to a door at least seven feet wide intended and used for entrance of a vehicle (see Appendix A, Figure 12).

**Section 49. A new Section 15.440.075 is added to read as follows:**

15.440.075 Residential garage standards.

A. Single-car garages for residential uses shall have a minimum inside width of 10 feet by 20 feet.

B. Two-car garages for residential uses shall have a minimum inside width of 20 feet by 20 feet.

C. Three-car garages for residential uses shall have a minimum inside width of 30 feet by 20 feet.

**Section 50. Subsection R.3. of Section 15.505.030 is amended to read as follows:**

*“Working Together For A Better Community-Serious About Service”*

Z:\MISC\WPSFILES\FILES.DCA (Dev Code TXT Amendment)\2021\DCA21-0002 Duplexes\DLCD PAPA\DCA21-0002 Staff Report to PC 5-13-21 final.doc

3. Properties with Multiple Frontages. Where a property has frontage on more than one street, access shall be limited to the street with the lesser classification.

a. For a duplex dwelling with frontage on two local streets, access may be permitted on both streets.

**Section 51. Subsection R.4 of Section 15.505.030 is amended to read as follows:**

4. Driveways. More than one driveway is permitted on a lot accessed from either a minor collector or local street as long as there is at least ~~40~~ 22 feet of lot frontage separating each driveway approach. More than one driveway is permitted on a lot accessed from a major collector as long as there is at least 100 feet of lot frontage separating each driveway approach.

**Section 52. Subsection R.7. of Section 15.505.030 is amended to read as follows:**

7. Shared Driveways.

a. The number of driveways onto arterial streets shall be minimized by the use of shared driveways with adjoining lots where feasible. The city shall require shared driveways as a condition of land division or site design review, as applicable, for traffic safety and access management purposes. Where there is an abutting developable property, a shared driveway shall be provided as appropriate. When shared driveways are required, they shall be stubbed to adjacent developable parcels to indicate future extension. "Stub" means that a driveway temporarily ends at the property line, but may be accessed or extended in the future as the adjacent parcel develops. "Developable" means that a parcel is either vacant or it is likely to receive additional development (i.e., due to infill or redevelopment potential).

b. Access easements (i.e., for the benefit of affected properties) and maintenance agreements shall be recorded for all shared driveways, including pathways, at the time of final plat approval or as a condition of site development approval.

c. No more than four lots may access one shared driveway.

d. Shared driveways shall be posted as no parking fire lanes where required by the fire marshal.

e. Where three or more lots ~~or three dwellings~~ share one driveway, one additional parking space over those otherwise required shall be provided for each dwelling. Where feasible, this shall be provided as a common use parking space adjacent to the driveway.

**Exhibit “C” to Planning Commission Resolution No. 2021-371  
Northwest Newberg Specific Plan – GEN21-0004**

---

Note: Existing text is shown in regular font.  
Added text is shown in double underline  
Deleted text is shown in ~~strikethrough~~.

**Section 1. The Newberg Northwest Specific Plan, Page 22 is amended to add a note regarding duplexes:**

**NOTE:**

Duplexes are permitted within the Northwest Newberg Specific Plan area wherever single-family detached dwellings are planned. A duplex shall be treated as the equivalent of a single-family detached dwellings for purposes of complying with the siting standards, maximum density, and maximum dwelling unit calculations within this Specific Plan. References to "house" in the text and figures shall be inclusive of a single-family detached dwelling and a duplex dwelling. (Ordinance No. 2021-2880, June 7, 2021.)

## *SUMMARY*

The Northwest Newberg Specific Plan represents a new planning process and regulatory framework for coordinating land use, transportation and utilities. The City of Newberg has shown both initiative and vision in getting twelve property owners together to agree on a master plan for their properties.

Some refinements will be needed to the Specific Plan. In reviewing those refinements, the City should guard the original purpose and objectives of the Specific Plan. In particular, the City should adhere to the concepts of mixed use and a pedestrian-oriented neighborhood that has a highly coordinated and connected street pattern. These elements of the plan will result in a neighborhood that is highly desired by home buyers and cited as a model in the community.

### NOTE:

Duplexes are permitted within the Northwest Newberg Specific Plan area wherever single-family detached dwellings are planned. A duplex shall be treated as the equivalent of a single-family detached dwellings for purposes of complying with the siting standards, maximum density, and maximum dwelling unit calculations within this Specific Plan. (Ordinance No. 2021-2880, June 7, 2021.)

**Exhibit “D” to Planning Commission Resolution No. 2021-371  
Springbrook Oaks Specific Plan – GEN21-0005**

---

Note: Existing text is shown in regular font.  
Added text is shown in double underline  
Deleted text is shown in ~~strikethrough~~.

**Section 1. The Springbrook Oaks Specific Plan, Page 12 is amended to add a note regarding duplexes:**

NOTE:

Duplexes are permitted within the Springbrook Oaks Specific Plan area wherever single-family detached dwellings are planned. A duplex shall be treated as the equivalent of a single-family detached dwelling throughout the Future Land Use Plan and Development Policies in Appendix A, including for purposes of calculating maximum density within this Specific Plan. (Ordinance No. 2021-2880, June 7, 2021.)

**Section 2. The Springbrook Oaks Specific Plan, Appendix C, Page 31 is amended to add a note regarding duplexes:**

NOTE:

Duplexes are considered the equivalent of single-family detached dwellings, and are not subject to any development or design standards specific to attached dwelling units. (Ordinance No. 2021-2880, June 7, 2021.)

**Section 3. The Springbrook Oaks Specific Plan, Appendix E, Setback Standards, Figure 1 and 2 is amended to add a note regarding duplexes:**

NOTE:

In these figures all references to “house” shall be inclusive of a single-family detached dwelling as well as a duplex dwelling. (Ordinance No. 2021-2880, June 7, 2021.)

Area H            This area is zoned Low Density Residential (R-1). The purpose of this land use designation is to provide for low density, urban single family residential and planned unit development uses. This area is expected to be developed primarily as single family residential.

A series of policies have been established to guide development of Springbrook Oaks. These development policies can be found in Appendix A of this document. Appendix B describes the codification of this plan in the Newberg Development Code, Section 10.44.318. Appendix C establishes building design and development standards for proposed attached residential dwelling unit developments within Development Areas B through F. Such development proposals meeting these standards will be reviewed under a Type I process.

NOTE:

Duplexes are permitted within the Springbrook Oaks Specific Plan area wherever single-family detached dwellings are planned. A duplex shall be treated as the equivalent of a single-family detached dwelling throughout the Future Land Use Plan and Development Policies in Appendix A, including for purposes of calculating maximum density within this Specific Plan. (Ordinance No. 2021-2880, June 7, 2021.)

## Springbrook Oaks Specific Plan

### Building Design and Development Standards Attached Residential Dwelling Units in Development Areas B through F

The following standards have been established for attached residential dwelling units within Development Areas B through F of Springbrook Oaks. The purpose of these standards are:

- To protect the character and the social and economic stability of Springbrook Oaks.
- To ensure the orderly and beneficial development of each component of Springbrook Oaks.
- To expedite the design review process for proposed development.

Proposed developments for attached residential dwelling units within Development Areas B through F of Springbrook Oaks will be examined for compliance to these standards under a Type I process. Any such development not in compliance with these standards will be reviewed under the appropriate process specified within the Newberg Development Code.

#### *Design Standards*

- A. Primary individual unit entries shall be oriented towards a road. Entries shall be covered and architecturally differentiated from other building elements, in order to clearly express their location and function (see Figure 3).
- B. Buildings shall be articulated in such a manner that no more than 25' of horizontal, flat building facade will be permitted. In the case of rowhouse or townhouse units, no more than two units may be paired together in the same facade or without a minimum of 2'-0" difference between adjacent facades (see Figures 4 and 5).
- C. When possible, garages and carports should not be adjacent to primary streets or roads. They should be located internally within each development or complex where their designated dwelling units are located. Attached garages shall not extend beyond any primary entry facade.
- D. All buildings shall utilize materials that meet or exceed current industry standards (American Institute of Architects or American Society of Testing Materials) for a medium to high level range of quality. The proposed building materials will be recommended by a licensed architect and will be compatible with the Springbrook Oaks development.

The following are some examples of unacceptable building products:

1. T1-11 siding panels.
2. Three tab composition roofing.
3. Single-ply vinyl siding

In addition, all exterior walls shall utilize a "double-wall" system. This incorporates the use of an air infiltration barrier and secondary water resistive membrane, exterior sheathing beneath, and a covering with an acceptable siding product. Buildings will meet all applicable building codes and current construction requirements.

- E. Each dwelling unit shall incorporate individual areas of exterior space no less than 50 square feet per unit. Each space shall have a minimum dimension of 5', in any direction. This can be achieved through the use of porches, decks, patios, balconies etc. or designated yards other than those adjacent to primary streets or roads.
- F. On buildings with sloped roofs, no slope shall be less than a 4:12 pitch. These roofs shall utilize eaves, rakes, and overhangs of no less than 12".
- G. The minimum landscape percentage or "pervious" surface area shall not be less than 30% of the overall site area.
- H. No building shall be greater than 35', or three stories, in overall height. This shall include garages in rowhouse or townhouse type buildings.
- I. Where trash enclosures are required; they are to be located internally within the complex or development. They shall not be adjacent to any primary road or street. They shall be enclosed on all sides by walls, gates or fences and provided with a secondary buffer of landscape screening on at least three sides. Access to the enclosure shall be limited to one side only (see Figure 6).
- J. Each complex or development shall provide an internal pedestrian circulation system. Each system shall be interconnected with adjacent circulation systems to form a master pedestrian circulation system. All internal systems shall be appropriately illuminated to meet current City standards.
- K. All parking ratios shall meet current City standards.
- L. All buildings shall be colored in earth tones of medium range value. No building or buildings shall be brightly colored or colored in such a manner as to emphasize its overall mass. Subtle contrasts between adjacent buildings and individual building elements (i.e. trims, facades etc.) shall be provided.
- M. Exterior trim will be provided around all windows and at building corners. Window trim pieces shall be painted a contrasting color to the building body.

- N. All primary collector streets and neighborhood secondary streets, shall comply with Figures 7, 8, and 9.
- O. All setbacks shall comply with Figures 10 and 11.

**NOTE:**

Duplexes are considered the equivalent of single-family detached dwellings, and are not subject to any development or design standards specific to attached dwelling units. (Ordinance No.2021-2880, June 7, 2021.)

**Figure 1**

*Minimum Front Setbacks*

10'-Porch  
 15'-House  
 20'-Garage  
 Garage may not be closer to the front property line than the front of the house.

*Maximum Front Setbacks*

25'-Porch  
 25'-House (without porch)  
 None-Garage  
 Garage may not be closer to the front property line than the front of the house.

**Figure 2**

*Minimum Front Setbacks*

10'-Porch  
 15'-House  
 20'-Garage

*Maximum Front Setbacks*

None

**NOTE:**

In these figures all references to "house" shall be inclusive of a single-family detached dwelling as well as a duplex dwelling. (Ordinance No.2021-2880.)

---

**APPROVAL CRITERIA**

**A. Statewide Planning Goals (the “Goals”)**

**GOAL 1: CITIZEN INVOLVEMENT**

To develop a citizen involvement program that ensures the opportunity for citizens to be involved in all phases of the planning process.

**Finding:** The City meets this requirement by having various citizen committees and/or commissions with opportunities for the public to testify on general or specific matters. The proposal went before the Newberg Planning Commission on May 13, 2021 and Newberg City Council on June 7, 2021, which provided the opportunity for public comment. In addition, there were six Citizen Advisory Committee meetings, two virtual community open houses, two community surveys, social media posts, and a web page prepared to inform the public of the pending proposal. Finally, notice was published in the Newberg Graphic newspaper and posted in four public places.

The amendments are subject to the Type IV Legislative process, which requires public notification and public hearings before the Planning Commission and the City Council. This process has been established by the City and determined to be consistent with Goal 1 of the Oregon Statewide Planning Goals. The public hearing notice of the action and decision, and the hearings on this case before the Planning Commission and the City Council are all recognized as opportunities for citizen participation.

The Goal is met.

**GOAL 2: LAND USE PLANNING**

To establish a land use planning process and policy framework as a basis for all decisions and actions related to use of land and to assure an adequate factual base for such decisions and actions.

**Finding:** This Goal requires that land use decisions 1) have an adequate factual base, 2) that alternatives have been considered, and 3) that implementation measures are consistent with and adequate to carry out comprehensive plan policies and designations.

The proposed land use action has an adequate factual base and is required by HB 2001 and OAR Chapter 660 Division 46 and has been thoroughly described in this application.

The alternatives to amending the Comprehensive Plan, Municipal Code text and the Specific Plans and Master Plans would be to: 1) deny the application and follow the Model Code and OAR Chapter

660 Division 046 for duplex requirements.

Implementation measures proposed are consistent with and adequate to carry out comprehensive plan policies and designations as noted in these findings.

The Goal is met.

### **GOAL 3: AGRICULTURAL LANDS**

To preserve and maintain agricultural lands.

**Finding:** Not applicable because the proposal does not propose any land use regulation changes to agricultural lands outside of the Newberg Urban Growth Boundary.

### **GOAL 4: FOREST LANDS**

To conserve forest lands by maintaining the forest land base and to protect the state's forest economy by making possible economically efficient forest practices that assure the continuous growing and harvesting of forest tree species as the leading use on forest land consistent with sound management of soil, air, water, and fish and wildlife resources and to provide for recreational opportunities and agriculture.

**Finding:** Not applicable because the proposal does not propose any land use regulation changes to the Stream Corridor that protects wooded areas within the Newberg Urban Growth Boundary.

### **GOAL 5: NATURAL RESOURCES, SCENIC AND HISTORIC AREAS, AND OPEN SPACES**

To protect natural resources and conserve scenic and historic areas and open spaces.

**Finding:** The proposed amendment will not negatively impact inventoried Goal 5 resources because the amendments do not change protections that already exist in the Newberg Municipal Code, Specific Plans and Master Plans to protect these resources. Newberg has an acknowledged Stream Corridor designation, inventoried historic resources, and identified open spaces in compliance with Goal 5.

The proposal for duplex dwellings within the Stream Corridor Overlay follow the same provisions for single-family detached dwellings including activities requiring a Type I process for expansions and rebuilding dwellings as noted in 15.342.050. For the Type II process duplex dwellings are treated the same as single-family detached dwellings as noted in 15.342.070. For the Type III process duplex dwellings are treated the same as single-family detached dwellings as noted in 15.342.100 for expansions.

For designated historic resources duplex dwellings are treated the same as single-family detached dwellings as to use. All locally designated historic resources that require review per Chapter 15.344 HISTORIC LANDMARKS (H) SUBDISTRICT for exterior modifications and construction on historic sites are the same for duplex dwellings and single-family detached dwellings.

This Goal is met.

### **GOAL 6: AIR, WATER AND LAND RESOURCES QUALITY**

To maintain and improve the quality of the air, water and land resources of the state.

**Finding:** Newberg has an acknowledged Comprehensive Plan that complies with this goal. Protections are already in place for air, water, and land resource quality. This proposal does not modify the existing goals and policies. Complying with HB 2001 and OAR Chapter 660 Division 46 does not negatively impact Goal 6.

This Goal is met.

### **GOAL 7: AREAS SUBJECT TO NATURAL HAZARDS**

To protect people and property from natural hazards.

**Finding:** Newberg has an acknowledged Comprehensive Plan that complies with this goal. This proposal does not modify the City's natural hazards requirements such as flood plain or landslide areas. This proposal does not modify the existing goals and policies.

Duplex dwellings are required to follow the same regulations as single-family detached dwellings for development under Chapter 15.343 AREAS OF SPECIAL FLOOD HAZARD OVERLAY (FHO).

This Goal is met.

### **GOAL 8: RECREATIONAL NEEDS**

To satisfy the recreational needs of the citizens of the state and visitors and, where appropriate, to provide for the siting of necessary recreational facilities including destination resorts.

**Finding:** Newberg has an acknowledged Comprehensive Plan that complies with this goal. This proposal does not modify the City's recreational goals and policies.

This Goal is met.

### **GOAL 9: ECONOMIC DEVELOPMENT**

To provide adequate opportunities throughout the state for a variety of economic activities vital to the health, welfare, and prosperity of Oregon's citizens.

**Finding:** The implementation of HB 2001 (OAR Chapter 660 Division 046) for duplexes do not apply to lands that are zoned for employment uses on Commercial, Industrial, or Public lots or parcels with the primary use intended for those activities. These lands are held for employment or public improvements to further Goal 9 activities pursuant to Newberg's Economic Opportunities Analysis. Compliance with OAR Chapter 660 Division 46 will provide additional housing opportunities within the City of Newberg to support workers on employment designated lands.

The Goal is met.

## **GOAL 10: HOUSING**

To provide for the housing needs of citizens of the state.

**Finding:** The City of Newberg is experiencing a variety of housing supply and costs issues. A Housing Needs Analysis was accepted by the City Council on March 1, 2021. That report indicates a lack of Medium Density and High Density residential land, significant increase in the median home price between 2018 and 2020 of \$90,000, and that over 50% of the households are cost burdened related to housing. Newberg is also a Severely Rent Burdened community as identified by HB 4006 where 28.5 percent of rental households pay 50% or more of their income towards housing costs. The hope is that implementation of HB 2001 (OAR 660-046-0030) will assist in meeting the housing needs and price point so that the development community can provide another housing type in an efficient manner for current and future citizens.

The City of Newberg has considered the requirements of OAR 660-046-0030.

### *Implementation of Middle Housing Ordinances*

*(2) In adopting or amending regulations or amending a comprehensive plan to allow Middle Housing, a local government must include findings demonstrating consideration, as part of the post-acknowledgement plan amendment process, of methods to increase the affordability of Middle Housing through ordinances or policies that include but are not limited to:*

*(a) Waiving or deferring system development charges.* The City of Newberg approved a Housing Work Program on November 2, 2020 (Attachment 3) that considered a variety of regulatory actions to address housing affordability. On November 16, 2020 the City Council adopted Ordinance No. 2020-2869 revising when system development charges need to be paid. This modification moved the payments for the charges from at time of issuance of a building permit to the time of insulation inspection for single-family dwelling and duplex dwellings. Additionally, the Newberg City Council will be engaging in discussions on System Development Charges for all development activities beginning in April 2021. Finally, in the Housing Work Program - Reduced / Waived Building Permit fee, Planning fees, or SDCs are identified to be further re-evaluated in FY 24/25; and System Development Charge Deferrals/Loans to be evaluated again in FY 25/26. The City has considered the requirements of 660-046-0030.

*(b) Adopting or amending criteria for property tax exemptions under ORS 307.515 to ORS 307.523, ORS 307.540 to ORS 307.548 or ORS 307.651 to ORS 307.687 or property tax freezes under ORS 308.450 to ORS 308.481.* The Housing Work Program (Attachment 3) includes a program to - Establish an affordable multifamily housing property tax abatement program in FY 22/23 and a Housing Production Strategy in FY 22/23. The City has considered the requirements of 660-046-0030.

*(c) Assessing a construction tax under ORS 320.192 and ORS 320.195.* The Newberg City Council adopted Ordinance No. 2020-2860 on November 16, 2020 implementing a Construction Excise Tax

(CET). Implementation of the CET began on January 2, 2021. Per the adopted ordinance there is a sunset provision set at six years. In the fifth year of implementation the City Council will evaluate the effectiveness of the CET and determine whether to repeal the ordinance or authorize its continuance. The Housing Work Program (Attachment 3) identifies the review to occur in FY 25/26.

Newberg's proposal to comply with HB 2001 (OAR 660-046-0030) is in compliance and integrates provisions that implement duplex dwelling development the same as single-family dwelling development. The Goal is met.

### **GOAL 11: PUBLIC FACILITIES AND SERVICES**

To plan and develop a timely, orderly and efficient arrangement of public facilities and services to serve as a framework for urban and rural development.

**Finding:** The City applied for a grant from DLCD related to middle housing for an Infrastructure Based Time Extension (IBTER) and was awarded a grant. The areas evaluated from the grant were areas north of downtown and south of downtown. Through the evaluation of transportation, water, wastewater, and stormwater, a deficiency was identified for the water system related to fire flow to accommodate Middle Housing. DLCD reviewed the City of Newberg application and approved the application extension request on March 16, 2021. The balance of the land within the Newberg Urban Growth Boundary is able to accommodate Middle Housing, specifically duplex development. The City is in the process of updating its Functional Plans for Transportation (CPTA20-0002), Water (CPTA20-0003), Wastewater (CPTA20-0004), and Stormwater (CPTA20-0005). The Transportation System Plan was approved by Ordinance No. 2021-2871 on March 1, 2021. The Water and Wastewater Master Plans are scheduled for review by the Planning Commission on April 8, 2021 and the Stormwater Master Plan on May 13, 2021. The City Council will review these plans on May 3 and June 7, 2021, respectively.

The proposal meets the Goal.

### **GOAL 12: TRANSPORTATION**

To provide and encourage a safe, convenient and economic transportation system.

**Finding:** The City of Newberg has an adopted Transportation System Plan from 2016 which includes the Addendum Riverfront Master Plan 2021 which have gone through the Post Acknowledgment Amendment process. The transportation system is planned to accommodate the population growth of the community for a 20 year planning period.

660-046-0030

*Implementation of Middle Housing Ordinances*

*(3) When a local government amends its comprehensive plan or land use regulations to allow Middle Housing, the local government is not required to consider whether the amendments significantly affect an existing or planned transportation facility.* The City of Newberg has not evaluated the impacts of duplex dwellings on the transportation system outside of the evaluation that occurred for the IBTER areas as noted above.

The proposal meets the Goal.

**GOAL 13: ENERGY CONSERVATION**

To conserve energy.

**Finding:** Not applicable as the proposed amendment does not affect energy conservation.

This Goal is met.

**GOAL 14: URBANIZATION**

To provide for an orderly and efficient transition from rural to urban land use, to accommodate urban population and urban employment inside urban growth boundaries, to ensure efficient use of land, and to provide for livable communities.

**Finding:** The proposed amendment does not include an expansion of the Urban Growth Boundary but ensures the efficient use of the land within the existing Urban Growth Boundary for the projected population and employment opportunities within the City and meets the goal. The proposal will maintain Newberg's identity and enhance the quality living and employment environment by balancing growth and providing cultural activities.

This Goal is met.

**GOAL 15: WILLAMETTE RIVER GREENWAY**

To protect, conserve, enhance and maintain the natural, scenic, historical, agricultural, economic and recreational qualities of lands along the Willamette River as the Willamette River Greenway.

**Finding:** Not applicable because the proposal does not propose any land use regulation changes to the Willamette River Greenway. Single-family and duplex development is not permitted within the Willamette River Greenway per regulations in Chapter 15.342 STREAM CORRIDOR OVERLAY (SC) SUBDISTRICT.

This Goal is met.

## **B. Newberg Comprehensive Plan**

### **II. GOALS AND POLICIES**

#### **A. CITIZEN INVOLVEMENT**

**GOAL:** To maintain a Citizen Involvement Program that offers citizens the opportunity for involvement in all phases of the planning process.

**Finding:** The City meets this requirement by having various citizen committees and/or commissions with opportunities for the public to testify on general or specific matters. The proposal went before the Newberg Planning Commission on May 13, 2021, and Newberg City Council on June 7, 2021, which provided the opportunity for public comment. In addition there were six Citizen Advisory Committee meetings, two virtual community open houses, two community surveys, social media posts, and a web page prepared to inform the public of the pending proposal. Finally, notice was published in the Newberg Graphic newspaper and posted in four public places.

The amendments are subject to the Type IV Legislative process, which requires public notification and public hearings before the Planning Commission and the City Council. This process has been established by the City and determined to be consistent with Goal 1 of the Oregon Statewide Planning Goals. The public hearing notice of the action and decision, and the hearings on this case before the Planning Commission and the City Council are all recognized as opportunities for citizen participation.

The Goal is met.

#### **B. LAND USE PLANNING**

**GOAL:** To maintain an on-going land use planning program to implement statewide and local goals. The program shall be consistent with natural and cultural resources and needs.

**Finding:** This Goal requires that land use decisions 1) have an adequate factual base, 2) that alternatives have been considered, and 3) that implementation measures are consistent with and adequate to carry out comprehensive plan policies and designations.

The proposed land use action has an adequate factual base and is required by HB 2001 and OAR Chapter 660 Division 46 and has been thoroughly described in this application.

The alternatives to amending the Comprehensive Plan, Municipal Code text and the Specific Plans and Master Plans would be to: 1) deny the application and follow the Model Code and OAR Chapter 660 Division 046 for duplex requirements.

Implementation measures proposed are consistent with and adequate to carry out comprehensive plan policies and designations as noted in these findings.

The Goal is met.

### **C. AGRICULTURAL LANDS**

GOAL: To provide for the orderly and efficient transition from rural to urban land uses.

**Finding:** Not applicable because the proposal does not propose any land use regulation changes to agricultural lands outside of the Newberg Urban Growth Boundary.

### **D. WOODED AREAS**

GOAL: To retain and protect wooded areas.

**Finding:** Not applicable because the proposal does not propose any land use regulation changes to the Stream Corridor that protects wooded areas within the Newberg Urban Growth Boundary.

### **E. AIR, WATER, AND LAND RESOURCE QUALITY**

GOAL: To maintain and, where feasible, enhance the air, water and land resource qualities within the community.

POLICY: 1. Development shall not exceed the carrying capacity of the air, water or land resource base.

**Finding:** Newberg has an acknowledged Comprehensive Plan that complies with this goal. Protections are already in place for air, water, and land resource quality. This proposal does not modify the existing goals and policies. Complying with HB 2001 and OAR Chapter 660 Division 46 does not negatively impact Goal 6.

This Goal is met.

### **F. AREAS SUBJECT TO NATURAL HAZARDS**

GOAL: To protect life and property from flooding and other natural hazards.

**Finding:** Newberg has an acknowledged Comprehensive Plan that complies with this goal. This proposal does not modify the City's natural hazards requirements such as flood plain or landslide areas. This proposal does not modify the existing goals and policies.

Duplex dwellings are required to follow the same regulations as single-family detached dwellings for development under Chapter 15.343 AREAS OF SPECIAL FLOOD HAZARD OVERLAY (FHO).

This Goal is met.

### **G. OPEN SPACE, SCENIC, NATURAL, HISTORIC AND RECREATIONAL RESOURCES**

GOALS:

1. To ensure that adequate land shall be retained in permanent open space use and that natural, scenic and historic resources are protected.
2. To provide adequate recreational resources and opportunities for the citizens of the

community and visitors.

3. To protect, conserve, enhance and maintain the Willamette River Greenway.

**Finding:** The proposed amendment will not negatively impact inventoried Goal 5 resources because the amendments do not change protections that already exist in the Newberg Municipal Code, Specific Plans, and Master Plans to protect these resources. Newberg has an acknowledged Stream Corridor designation, inventoried historic resources, and identified open spaces in compliance with Goal 5.

The proposal for duplex dwellings within the Stream Corridor Overlay follow the same provisions for single-family detached dwellings including activities requiring a Type I process for expansions and rebuilding dwellings as noted in 15.342.050. For the Type II process duplex dwellings are treated the same as single-family detached dwellings as noted in 15.342.070. For the Type III process duplex dwellings are treated the same as single-family detached dwellings as noted in 15.342.100 for expansions.

For designated historic resources duplex dwellings are treated the same as single-family detached dwellings as to use. All locally designated historic resources that require review per Chapter 15.344 HISTORIC LANDMARKS (H) SUBDISTRICT for exterior modifications and construction on historic sites are the same for duplex dwellings and single-family detached dwellings.

This Goal is met.

## **H. THE ECONOMY**

**GOAL:** To develop a diverse and stable economic base.

**POLICY:** 1. General Policies. b. The City shall encourage economic expansion consistent with local needs.

**Finding:** The implementation of HB 2001 (OAR Chapter 660 Division 046) for duplexes do not apply to lands that are zoned for employment uses on Commercial, Industrial or Public lots or parcels with the primary use intended for those activities. These lands are held for employment or public improvements to further Goal 9 activities pursuant to Newberg's Economic Opportunities Analysis. Compliance with OAR Chapter 660 Division 046 will provide additional housing opportunities within the City of Newberg to support workers on employment designated lands.

The Goal is met.

## **I. HOUSING**

**GOAL:** To provide for diversity in the type, density and location of housing within the City to ensure there is an adequate supply of affordable housing units to meet the needs of City residents of various income levels. (Ordinance 2006-2634)

**Finding:** The City of Newberg is experiencing a variety of housing supply and costs issues. A Housing Needs Analysis was accepted by the City Council on March 1, 2021. That report indicates a

lack of Medium Density and High Density residential land, significant increase in the median home price between 2018 and 2020 of \$90,000, and that over 50% of the households are cost burdened related to housing. Newberg is also a Severely Rent Burdened community as identified by HB 4006 where 28.5 percent of rental households pay 50% or more of their income towards housing costs. The hope is that implementation of HB 2001 (OAR 660-046-0030) will assist in meeting the housing needs and price point so that the development community can provide another housing type in an efficient manner for current and future citizens.

The City of Newberg has considered the requirements of OAR 660-046-0030.

#### *Implementation of Middle Housing Ordinances*

*(2) In adopting or amending regulations or amending a comprehensive plan to allow Middle Housing, a local government must include findings demonstrating consideration, as part of the post-acknowledgement plan amendment process, of methods to increase the affordability of Middle Housing through ordinances or policies that include but are not limited to:*

*(a) Waiving or deferring system development charges.* The City of Newberg approved a Housing Work Program on November 2, 2020 (Attachment 3) that considered a variety of regulatory actions to address housing affordability. On November 16, 2020, the City Council adopted Ordinance No. 2020-2869 revising when system development charges need to be paid. This modification moved the payments for the charges from at time of issuance of a building permit to the time of insulation inspection for single-family dwelling and duplex dwellings. Additionally, the Newberg City Council will be engaging in discussions on System Development Charges for all development activities beginning in April 2021. Finally, in the Housing Work Program - Reduced / Waived Building Permit fee, Planning fees, or SDCs are identified to be further re-evaluated in FY 24/25; and System Development Charge Deferrals/Loans to be evaluated again in FY 25/26. The City has considered the requirements of 660-046-0030.

*(b) Adopting or amending criteria for property tax exemptions under ORS 307.515 to ORS 307.523, ORS 307.540 to ORS 307.548 or ORS 307.651 to ORS 307.687 or property tax freezes under ORS 308.450 to ORS 308.481.* The Housing Work Program (Attachment 3) includes a program to - Establish an affordable multifamily housing property tax abatement program in FY 22/23 and a Housing Production Strategy in FY 22/23. The City has considered the requirements of 660-046-0030.

*(c) Assessing a construction tax under ORS 320.192 and ORS 320.195.* The Newberg City Council adopted Ordinance No. 2020-2860 on November 16, 2020 implementing a Construction Excise Tax (CET). Implementation of the CET began on January 2, 2021. Per the adopted ordinance there is a sunset provision set at six years. In the fifth year of implementation the City Council will evaluate the effectiveness of the CET and determine whether to repeal the ordinance or authorize its continuance. The Housing Work Program (Attachment 3) identifies the review to occur in FY 25/26.

Newberg's proposal to comply with HB 2001 (OAR 660-046-0030) is in compliance and integrates provisions that implement duplex dwelling development the same as single-family dwelling

development.

The Goal is met.

### **J. URBAN DESIGN**

GOAL 1: To maintain and improve the natural beauty and visual character of the City.

GOAL 2: To develop and maintain the physical context needed to support the livability and unique character of Newberg.

**Finding:** Not applicable because the proposal does not propose any land use regulation changes to urban design policies or regulations.

### **K. TRANSPORTATION**

GOAL 1: Establish cooperative agreements to address transportation based planning, development, operation and maintenance.

GOAL 2: Establish consistent policies which require concurrent consideration of transportation/land use system impacts.

GOAL 3: Promote reliance on multiple modes of transportation and reduce reliance on the automobile.

GOAL 4: Minimize the impact of regional traffic on the local transportation system.

GOAL 5: Maximize pedestrian, bicycle and other non-motorized travel throughout the City.

GOAL 6: Provide effective levels of non-auto oriented support facilities (e.g. bus shelters, bicycle racks, etc.).

GOAL 8: Maintain and enhance the City's image, character and quality of life.

GOAL 9: Create effective circulation and access for the local transportation system.

GOAL 10: Maintain the viability of existing rail, water and air transportation systems.

GOAL 11: Establish fair and equitable distribution of transportation improvement costs.

GOAL 12: Minimize the negative impact of a Highway 99 bypass on the Newberg community.

GOAL 13: Utilize the Yamhill County Transit Authority (YCTA) Transit Development Plan (TDP) as a Guidance Document.

GOAL 14: Coordinate with Yamhill County Transit Area.

GOAL 15: Implement Transit-Supportive Improvements.

**Finding:** The City of Newberg has an adopted Transportation System Plan from 2016 which includes the Addendum Riverfront Master Plan 2021 which have gone through the Post Acknowledgment Amendment process. The transportation system is planned to accommodate the population growth of the community for a 20 year planning period.

660-046-0030

*Implementation of Middle Housing Ordinances*

*(3) When a local government amends its comprehensive plan or land use regulations to allow Middle Housing, the local government is not required to consider whether the amendments significantly affect an existing or planned transportation facility. The City of Newberg has not evaluated the*

impacts of duplex dwellings on the transportation system outside of the evaluation that occurred for the IBTER areas as noted above.

The Goals are met.

#### **L. PUBLIC FACILITIES AND SERVICES**

**GOAL:** To plan and develop a timely, orderly and efficient arrangement of public facilities and services to serve as a framework for urban development.

**Finding:** The City applied for a grant from DLCD related to middle housing for an Infrastructure Based Time Extension (IBTER) and was awarded a grant. The areas evaluated from the grant were areas north of downtown and south of downtown. Through the evaluation of transportation, water, wastewater and stormwater a deficiency was identified for the water system related to fire flow to accommodate Middle Housing. DLCD reviewed the City of Newberg application and approved the application extension request on March 16, 2021. The balance of the land within the Newberg Urban Growth Boundary is able to accommodate Middle Housing, specifically duplex development. The City is in the process of updating its Functional Plans for Transportation (CPTA20-0002), Water (CPTA20-0003), Wastewater (CPTA20-0004), and Stormwater (CPTA20-0005). The Transportation System Plan was approved by Ordinance No. 2021-2871 on March 1, 2021. The Water and Wastewater Master Plans are scheduled for review by the Planning Commission on April 8, 2021, and the Stormwater Master Plan on May 13, 2021. The City Council will review these plans on May 3 and June 7, 2021, respectively.

The Goal is met.

#### **M. ENERGY**

**GOAL:** To conserve energy through efficient land use patterns and energy- related policies and ordinances.

**Finding:** Not applicable as the proposed amendment does not affect energy conservation.

#### **N. URBANIZATION**

**GOALS:**

1. To provide for the orderly and efficient transition from rural to urban land uses.
2. To maintain Newberg's identity as a community which is separate from the Portland Metropolitan area.
3. To create a quality living environment through a balanced growth of urban and cultural activities.

**Finding:** The proposed amendment does not include an expansion of the Urban Growth Boundary but ensures the efficient use of the land within the existing Urban Growth Boundary for the projected population and employment opportunities within the City and meets the goal. The proposal will maintain Newberg's identity and enhance the quality living and employment environment by balancing growth and providing cultural activities.

The Goals are met.

DRAFT

*"Working Together For A Better Community-Serious About Service"*

Z:\MISC\WPSFILES\FILES.DCA (Dev Code TXT Amendment)\2021\DCA21-0002 Duplexes\DLCD PAPA\DCA21-0002 Staff Report to PC 5-13-21 final.doc

## C. Oregon Revised Statutes and Oregon Administrative Rules

### Applicable Oregon Revised Statute

*197.758 Development of middle housing; local regulations. (1) As used in this section:*

*(a) "Cottage clusters" means groupings of no fewer than four detached housing units per acre with a footprint of less than 900 square feet each and that include a common courtyard.*

*(b) "Middle housing" means:*

*(A) Duplexes;*

*(B) Triplexes;*

*(C) Quadplexes;*

*(D) Cottage clusters; and*

*(E) Townhouses.*

*(c) "Townhouses" means a dwelling unit constructed in a row of two or more attached units, where each dwelling unit is located on an individual lot or parcel and shares at least one common wall with an adjacent unit.*

*(2) Except as provided in subsection (4) of this section, each city with a population of 25,000 or more and each county or city within a metropolitan service district shall allow the development of:*

*(a) All middle housing types in areas zoned for residential use that allow for the development of detached single-family dwellings; and*

*(b) A duplex on each lot or parcel zoned for residential use that allows for the development of detached single-family dwellings.*

*(3) Except as provided in subsection (4) of this section, each city not within a metropolitan service district with a population of more than 10,000 and less than 25,000 shall allow the development of a duplex on each lot or parcel zoned for residential use that allows for the development of detached single-family dwellings. Nothing in this subsection prohibits a local government from allowing middle housing types in addition to duplexes.*

*(4) This section does not apply to:*

*(a) Cities with a population of 1,000 or fewer;*

*(b) Lands not within an urban growth boundary;*

*(c) Lands that are not incorporated and also lack sufficient urban services, as defined in ORS 195.065;*

*(d) Lands that are not zoned for residential use, including lands zoned primarily for commercial, industrial, agricultural or public uses; or*

*(e) Lands that are not incorporated and are zoned under an interim zoning designation that maintains the land's potential for planned urban development.*

*(5) Local governments may regulate siting and design of middle housing required to be permitted under this section, provided that the regulations do not, individually or cumulatively, discourage the development of all middle housing types permitted in the area through unreasonable costs or delay. Local governments may regulate middle housing to comply with protective measures adopted pursuant to statewide land use planning goals.*

*(6) This section does not prohibit local governments from permitting:*

*(a) Single-family dwellings in areas zoned to allow for single-family dwellings; or*

*(b) Middle housing in areas not required under this section. [2019 c.639 §2]*

*Note: Sections 3 and 4, chapter 639, Oregon Laws 2019, provide:*

**Sec. 3.** (1) Notwithstanding ORS 197.646, a local government shall adopt land use regulations or amend its comprehensive plan to implement section 2 of this 2019 Act [197.758] no later than:

(a) June 30, 2021, for each city subject to section 2 (3) of this 2019 Act; or

(b) June 30, 2022, for each local government subject to section 2 (2) of this 2019 Act.

(2) The Land Conservation and Development Commission, with the assistance of the Building Codes Division of the Department of Consumer and Business Services, shall develop a model middle housing ordinance no later than December 31, 2020.

(3) A local government that has not acted within the time provided under subsection (1) of this section shall directly apply the model ordinance developed by the commission under subsection (2) of this section under ORS 197.646 (3) until the local government acts as described in subsection (1) of this section.

(4) In adopting regulations or amending a comprehensive plan under this section, a local government shall consider ways to increase the affordability of middle housing by considering ordinances and policies that include but are not limited to:

(a) Waiving or deferring system development charges;

(b) Adopting or amending criteria for property tax exemptions under ORS 307.515 to 307.523, 307.540 to 307.548 or 307.651 to 307.687 or property tax freezes under ORS 308.450 to 308.481; and

(c) Assessing a construction tax under ORS 320.192 and 320.195.

(5) When a local government makes a legislative decision to amend its comprehensive plan or land use regulations to allow middle housing in areas zoned for residential use that allow for detached single-family dwellings, the local government is not required to consider whether the amendments significantly affect an existing or planned transportation facility. [2019 c.639 §3]

**Sec. 4.** (1) Notwithstanding section 3 (1) or (3) of this 2019 Act, the Department of Land Conservation and Development may grant to a local government that is subject to section 2 of this 2019 Act [197.758] an extension of the time allowed to adopt land use regulations or amend its comprehensive plan under section 3 of this 2019 Act.

(2) An extension under this section may be applied only to specific areas where the local government has identified water, sewer, storm drainage or transportation services that are either significantly deficient or are expected to be significantly deficient before December 31, 2023, and for which the local government has established a plan of actions that will remedy the deficiency in those services that is approved by the department. The extension may not extend beyond the date that the local government intends to correct the deficiency under the plan.

(3) In areas where the extension under this section does not apply, the local government shall apply its own land use regulations consistent with section 3 (1) of this 2019 Act or the model ordinance developed under section 3 (2) of this 2019 Act.

(4) A request for an extension by a local government must be filed with the department no later than:

(a) December 31, 2020, for a city subject to section 2 (3) of this 2019 Act.

(b) June 30, 2021, for a local government subject to section 2 (2) of this 2019 Act.

(5) The department shall grant or deny a request for an extension under this section:

(a) Within 90 days of receipt of a complete request from a city subject to section 2 (3) of this 2019 Act.

(b) Within 120 days of receipt of a complete request from a local government subject to section 2 (2)

of this 2019 Act.

(6) The department shall adopt rules regarding the form and substance of a local government's application for an extension under this section. The department may include rules regarding:

- (a) Defining the affected areas;
- (b) Calculating deficiencies of water, sewer, storm drainage or transportation services;
- (c) Service deficiency levels required to qualify for the extension;
- (d) The components and timing of a remediation plan necessary to qualify for an extension;
- (e) Standards for evaluating applications; and
- (f) Establishing deadlines and components for the approval of a plan of action.

**Finding:** Compliance with 197.758 are addressed in findings below under OAR Chapter 660, Division 46 Middle Housing in Medium and Large Cities

### **Applicable Oregon Administrative Rules (OARs)**

#### **OAR Chapter 660, Division 46 Middle Housing in Medium and Large Cities**

660-046-0000

##### *Purpose*

*The purpose of this division is to prescribe standards guiding the development of Middle Housing types as provided in Oregon Laws 2019, chapter 639. OAR 660-046-0010 to OAR 660-046-0235 establish standards related to the siting and design of Middle Housing types in urban growth boundaries. OAR 660-046-0300 to OAR 660-046-0370 establish the form and substance of an application and the review process to delay the enactment of standards related to the siting and design of Middle Housing types in areas with significant infrastructure deficiencies.*

660-046-0010

##### *Applicability*

(1) A local government that is a Medium City or Large City must comply with this division.

**Finding:** The City of Newberg is classified as Medium City.

(2) Notwithstanding section (1), a Medium or Large City need not comply with this division for:

- (a) Lots or Parcels that are not zoned for residential use, including but not limited to Lots or Parcels zoned primarily for commercial, industrial, agricultural, or public uses;
- (b) Lots or Parcels that are Zoned For Residential Use but do not allow for the development of a detached single-family dwelling; and
- (c) Lots or Parcels that are not incorporated and that are zoned under an interim zoning designation

*that maintains the land's potential for planned urban development.*

**Finding:** The implementation of HB 2001 (OAR Chapter 660 Division 46) for duplexes do not apply to lands that are zoned for employment uses on Commercial, Industrial, Public lots, or parcels with the primary use intended for those activities. These lands are held for employment or public improvements to further Goal 9 activities pursuant to Newberg's Economic Opportunities Analysis. Compliance with OAR Chapter 660 Division 46 will provide additional housing opportunities within the City of Newberg to support workers on employment designated lands.

*(3) A Medium or Large City may regulate Middle Housing to comply with protective measures (including plans, policies, and regulations) adopted and acknowledged pursuant to statewide land use planning goals. Where Medium and Large Cities have adopted, or shall adopt, regulations implementing the following statewide planning goals, the following provisions provide direction as to how those regulations shall be implemented in relation to Middle Housing, as required by this rule.*

*(a) Goal 5: Natural Resources, Scenic, and Historic Areas – OAR chapter 660, division 23, prescribes procedures, and in some cases, standards, for complying with Goal 5. OAR chapter 660, division 16 directed implementation of Goal 5 prior to division 23. Local protection measures adopted pursuant to divisions 23 and 16 are applicable to Middle Housing.*

*(A) Goal 5 Natural Resources – Pursuant to OAR 660-023-0050 through OAR 660-023-0110, Medium and Large Cities must adopt land use regulations to protect water quality, aquatic habitat, and the habitat of threatened, endangered and sensitive species. This includes regulations applicable to Middle Housing to comply with protective measures adopted pursuant to Goal 5:*

*(i) Medium and Large Cities may apply regulations to Duplexes that apply to detached single-family dwellings in the same zone;*

**Finding:** The proposal for duplex dwellings within the Stream Corridor Overlay follow the same provisions for single-family detached dwellings including activities requiring a Type I process for new development, expansions and rebuilding dwellings as noted in 15.342.050. For the Type II process duplex dwellings are treated the same as single-family detached dwellings as noted in 15.342.070. For the Type III process duplex dwellings are treated the same as single-family detached dwellings as noted in 15.342.100 for expansions.

*(ii) Medium and Large Cities may limit the development of Middle Housing other than Duplexes in significant resource sites identified and protected pursuant to Goal 5; and*

**Finding:** The proposal for duplex dwellings within the Stream Corridor Overlay follow the same provisions for single-family detached dwellings including activities requiring a Type I process for new development, expansions and rebuilding dwellings as noted in 15.342.050. For the Type II process duplex dwellings are treated the same as single-family detached dwellings as noted in 15.342.070. For the Type III process duplex dwellings are treated the same as single-family detached

dwellings as noted in 15.342.100 for expansions.

*(iii) If a Medium or Large City has not adopted land use regulations pursuant to OAR 660-023-0090, it must apply a 100-foot setback to Middle Housing developed along a riparian corridor.*

**Finding:** The proposal for duplex dwellings within the Stream Corridor Overlay follow the same provisions for single-family detached dwellings including activities requiring a Type I process for new development, expansions and rebuilding dwellings as noted in 15.342.050. For the Type II process duplex dwellings are treated the same as single-family detached dwellings as noted in 15.342.070. For the Type III process duplex dwellings are treated the same as single-family detached dwellings as noted in 15.342.100 for expansions

*(B) Goal 5: Historic Resources – Pursuant to OAR 660-023-0200(7), Medium and Large Cities must adopt land use regulations to protect locally significant historic resources. This includes regulations applicable to Middle Housing to comply with protective measures as it relates to the integrity of a historic resource or district. Protective measures shall be adopted and applied as provided in OAR 660-023-0200. Medium and Large Cities may apply regulations adopted under OAR 660-023-0200 to Middle Housing that apply to detached single-family dwellings in the same zone, except as provided below. If a Medium or Large City has not adopted land use regulations to protect significant historic resources listed on the National Register of Historic Places, it must apply protective measures to Middle Housing as provided in OAR 660-023-0200(8)(a) until the Medium or Large City adopts land use regulations in compliance with OAR 660-023-0200. Medium or Large Cities may not apply the following types of regulations specific to Middle Housing:*

*(i) Use, density, and occupancy restrictions that prohibit the development of Middle Housing on historic properties or districts that otherwise permit the development of detached single-family dwellings; and*

**Finding:** For designated historic resources duplex dwellings are treated the same as single-family detached dwellings as to use. All locally designated historic resources that require review per Chapter 15.344. HISTORIC LANDMARKS (H) SUBDISTRICT for exterior modifications and construction on historic sites are the same for duplex dwellings and single-family detached dwellings.

Use, density, and occupancy are not restrictions for historic properties.

*(ii) Standards that prohibit the development of Middle Housing on historic properties or districts that otherwise permit the development of detached single-family dwellings.*

**Finding:** For designated historic resources duplex dwellings are treated the same as single-family detached dwellings as to use. All locally designated historic resources that require review per Chapter 15.344. HISTORIC LANDMARKS (H) SUBDISTRICT for exterior modifications and construction on historic sites are the same for duplex dwellings and single-family detached dwellings.

*(b) Goal 6: Air, Water and Land Resources Quality – Pursuant to OAR 660-015-0000(6), a Medium*

*or Large City may limit development within an urban growth boundary to support attainment of federal and state air, water, and land quality requirements. Medium and Large Cities may apply regulations adopted pursuant to Goal 6 to the development of Middle Housing.*

**Finding:** Newberg has an acknowledged Comprehensive Plan that complies with this goal. Protections are already in place for air, water, and land resource quality. This proposal does not modify the existing goals and policies. Complying with HB 2001 and OAR Chapter 660 Division 46 does not negatively impact Goal 6.

*(c) Goal 7: Areas Subject to Natural Hazards – Pursuant to OAR 660-015-0000(7), Medium and Large Cities must adopt comprehensive plans (inventories, policies, and implementing measures) to reduce risk to people and property from natural hazards. Such protective measures adopted pursuant to Goal 7 apply to Middle Housing, including, but not limited to, restrictions on use, density, and occupancy in the following areas:*

*(A) Special Flood Hazard Areas as identified on the applicable Federal Emergency Management Agency Flood Insurance Rate Map; and*

*(B) Other hazard areas identified in an adopted comprehensive plan or development code, provided the Medium or Large City determines that the development of Middle Housing presents a greater risk to life or property than the development of detached single-family dwellings from the identified hazard. Greater risk includes but is not limited to actions or effects such as:*

*(i) Increasing the number of people exposed to a hazard;*

*(ii) Increasing risk of damage to property, built, or natural infrastructure; and*

*(iii) Exacerbating the risk by altering the natural landscape, hydraulics, or hydrology.*

**Finding:** Newberg has an acknowledged Comprehensive Plan that complies with this goal. This proposal does not modify the City's natural hazards requirements such as flood plain or landslide areas. This proposal does not modify the existing goals and policies.

Duplex dwellings are required to following the same regulations as single-family detached dwellings for development under Chapter 15.343 AREAS OF SPECIAL FLOOD HAZARD OVERLAY (FHO).

*(d) Goal 9: Economic Development - Pursuant to OAR 660-009-0025, Medium and Large Cities must adopt measures adequate to implement industrial and other employment development policies, including comprehensive plan designations. Medium and Large Cities may limit the development of Middle Housing on Lots or Parcels Zoned For Residential Use designated for future industrial or employment uses.*

**Finding:** The implementation of HB 2001 (OAR Chapter 660 Division 46) for duplexes do not apply

to lands that are zoned for employment uses on Commercial, Industrial, Public lots or parcels with the primary use intended for those activities. These lands are held for employment or public improvements to further Goal 9 activities pursuant to Newberg's Economic Opportunities Analysis. Compliance with OAR Chapter 660 Division 46 will provide additional housing opportunities within the City of Newberg to support workers on employment designated lands.

*(e) Goal 11: Public Facilities and Services - Pursuant to OAR 660-011-0020(2), a public facility plan must identify significant public facility projects which are to support the land uses designated in the acknowledged comprehensive plan. This includes public facility projects to support the development of Middle Housing in areas zoned for residential use that allow for the development of detached single-family dwellings. Following adoption of Middle Housing allowances by a Large City, the Large City shall work to ensure that infrastructure serving undeveloped or underdeveloped areas, as defined in OAR 660-046-0320(8), where Middle Housing is allowed is appropriately designed and sized to serve Middle Housing.*

**Finding:** The City applied for a grant from DLCD related to middle housing for an Infrastructure Based Time Extension (IBTER) and was awarded a grant. The areas evaluated from the grant award were areas north of downtown and south of downtown. Through the evaluation of transportation, water, wastewater, and stormwater a deficiency was identified for the water system related to fire flow to accommodate Middle Housing. DLCD reviewed the City of Newberg application and approved the application extension request on March 16, 2021. The balance of the land within the Newberg Urban Growth Boundary is able to accommodate Middle Housing, specifically duplex development. The City is in the process of updating its Functional Plans for Transportation (CPTA20-0002), Water (CPTA20-0003), Wastewater (CPTA20-0004), and Stormwater (CPTA20-0005). The Transportation System Plan was approved by Ordinance No. 2021-2871 on March 1, 2021. The Water and Wastewater Master Plans are scheduled for review by the Planning Commission on April 8, 2021, and the Stormwater Master Plan on May 13, 2021. The City Council will review these plans on May 3 and June 7, 2021, respectively.

*(f) Goal 15: Willamette Greenway – Pursuant to OAR 660-015-0005, Medium and Large Cities must review intensifications, changes of use or developments to insure their compatibility with the Willamette River Greenway. Medium and Large Cities may allow and regulate the development of Middle Housing in the Willamette Greenway, provided that applicable regulations adopted pursuant to Goal 15 comply with ORS 197.307.*

**Finding:** Single-family and duplex development is not permitted within the Willamette River Greenway per regulations in Chapter 15.342 STREAM CORRIDOR OVERLAY (SC) SUBDISTRICT.

*(g) Goal 16: Estuarine Resources – Pursuant to OAR 660-015-0010(1) and OAR chapter 660, division 17, Medium and Large Cities must apply land use regulations that protect the estuarine ecosystem, including its natural biological productivity, habitat, diversity, unique features, and water quality. Medium and Large Cities may prohibit Middle Housing in areas regulated to protect estuarine resources under Goal 16 in the same manner as the Medium or Large City prohibits*

*detached single-family dwellings to protect estuarine resources under Goal 16.*

**Finding:** Not applicable as Newberg does not have identified estuarine resources.

*(h) Goal 17: Coastal Shorelands – Pursuant to OAR 660-015-0010(2) and OAR 660-037-0080, local governments must apply land use regulations that protect shorelands for water-dependent recreational, commercial, and industrial uses. This includes regulations applicable to Middle Housing to comply with protective measures adopted pursuant to Goal 17. Local governments may apply regulations to Middle Housing that apply to detached single-family dwellings in the same zone.*

**Finding:** Not applicable as Newberg is not a coastal community and has coastal shorelands.

*(i) Goal 18: Beaches and Dunes – Pursuant to OAR 660-015-0010(3), Medium and Large Cities must apply land use regulations to residential developments to mitigate hazards to life, public and private property, and the natural environment in areas identified as Beaches and Dunes under Goal 18. This includes regulations applicable to Middle Housing to comply with protective measures adopted pursuant to Goal 18 including but not limited to restrictions on use, density, and occupancy; provided the development of Middle Housing presents a greater risk to life or property than development of detached single-family dwellings. Greater risk includes but is not limited to actions or effects such as:*

*(A) Increasing the number of people exposed to a hazard;*

*(B) Increasing risk of damage to property, built or natural infrastructure; and*

*(C) Exacerbating the risk by altering the natural landscape, hydraulics, or hydrology.*

**Finding:** Not applicable as Newberg is not a coastal community and has no beaches and dunes.

*(4) For the purposes of assisting local jurisdictions in adopting reasonable siting and design standards for Middle Housing, the applicable Model Code adopted in this section will be applied to A Local Government That Has Not Acted to comply with the provisions of ORS 197.758 and this division. For such Medium and Large Cities, the applicable Model Code completely replaces and pre-empts any provisions of those Medium and Large Cities' development codes that conflict with the Model Code. The Commission adopts the following Middle Housing Model Codes:*

*(a) The Medium City Model Code as provided in Exhibit A; and*

*(b) The Large City Model Code as provided in Exhibit B.*

**Finding:** The City of Newberg is a Medium City and has proposed new regulations for duplex dwellings that are consistent with single-family dwelling allowed in the same residential zones. The proposed regulations are drawn from OAR 660-046.

(5) *This division does not prohibit Medium or Large Cities from allowing:*

(a) *Single-family dwellings in areas zoned to allow for single-family dwellings; or*

(b) *Middle Housing in areas not required under this division.*

**Finding:** The City of Newberg has areas zoned for single-family dwellings in the R-1, R-2, R-3, AR, and RP zones. Duplex dwellings are proposed to be allowed in all of these residential zones consistent with single-family detached dwellings.

660-046-0020

#### *Definitions*

*As used in this division, the definitions in ORS 197.015 and ORS 197.758 apply, unless the context requires otherwise. In addition, the following definitions apply:*

(1) *“A Local Government That Has Not Acted” means a Medium or Large City that has not adopted acknowledged land use regulations that are in compliance with ORS 197.758 and this division.*

**Finding:** The City of Newberg is proposing duplex dwellings in compliance with OAR 660-046 which has a final hearing scheduled before the City Council on June 7, 2021.

(2) *“Cottage Cluster” means a grouping of no fewer than four detached dwelling units per acre with a footprint of less than 900 square feet each that includes a common courtyard. A Medium or Large City may allow Cottage Cluster units to be located on a single Lot or Parcel, or on individual Lots or Parcels.*

**Finding:** Not applicable as Newberg is a Medium City and is not required to comply with Cottage Cluster development at this time.

(3) *“Department” means the Department of Land Conservation and Development.*

**Finding:** The City of Newberg acknowledges this definition as used in ORA 660-046.

(4) *“Design Standard” means a standard related to the arrangement, orientation, materials, appearance, articulation, or aesthetic of features on a dwelling unit or accessory elements on a site. Design standards include, but are not limited to, standards that regulate entry and dwelling orientation, façade materials and appearance, window coverage, driveways, parking configuration, pedestrian access, screening, landscaping, and private, open, shared, community, or courtyard spaces.*

**Finding:** No design standards are proposed for duplex dwellings. In the Springbrook Oaks Specific Plan duplex dwellings considered to be the same as single-family detached dwellings and notes have been added to the Plan clarifying that duplexes are not subject to design standards.

(5) *“Detached single-family dwelling” means a detached structure on a Lot or Parcel that is comprised of a single dwelling unit.*

**Finding:** The City of Newberg has a definition of single-family dwelling that is in alignment with this definition as noted in Exhibit “B” 15.05.020.

(6) *“Duplex” means two attached dwelling units on a Lot or Parcel. A Medium or Large City may define a Duplex to include two detached dwelling units on a Lot or Parcel.*

**Finding:** The City of Newberg has a definition of duplex dwelling that is in alignment with this definition as noted in Exhibit “B” 15.05.020.

(7) *“Goal Protected Lands” means lands protected or designated pursuant to any one of the following statewide planning goals:*

(a) *Goal 5 Natural Resources, Scenic and Historic Areas, and Open Spaces;*

**Finding:** The City of Newberg acknowledges this definition as used in OAR 660-046.

(b) *Goal 6 Air, Water and Land Resource Quality;*

**Finding:** The City of Newberg acknowledges this definition as used in OAR 660-046.

(c) *Goal 7 Areas Subject to Natural Hazards;*

**Finding:** The City of Newberg acknowledges this definition as used in OAR 660-046.

(d) *Goal 9 Economic Development;*

**Finding:** The City of Newberg acknowledges this definition as used in OAR 660-046.

(e) *Goal 15 Willamette River Greenway;*

**Finding:** The City of Newberg acknowledges this definition as used in OAR 660-046.

(f) *Goal 16 Estuarine Resources;*

**Finding:** The City of Newberg acknowledges this definition as used in OAR 660-046.

(g) *Goal 17 Coastal Shorelands; and*

**Finding:** The City of Newberg acknowledges this definition as used in OAR 660-046.

(h) *Goal 18 Beaches and Dunes.*

**Finding:** The City of Newberg acknowledges this definition as used in OAR 660-046.

(8) *“Large City” means a city with a certified Portland State University Population Research Center estimated population of 25,000 or more or a city with a population over 1,000 within a metropolitan service district. A Large City includes unincorporated areas of counties within a metropolitan service district that are provided with sufficient urban services as defined in ORS 195.065. Sufficient urban services means areas that are within an urban service district boundary.*

**Finding:** Newberg is a Medium City under 25,000 in population.

(9) *“Lot or Parcel” means any legally created unit of land.*

**Finding:** The City of Newberg acknowledges this definition as used in ORA 660-046. The Newberg Development Code 15.05.030 Definitions has a definition of Lot and Parcel that are in alignment with the OAR 660-046-0020.

(10) *“Master Planned Community” means a site that is any one of the following:*

(a) *Greater than 20 acres in size within a Large City or adjacent to the Large City within the urban growth boundary that is zoned for or proposed to be Zoned For Residential Use, and which is not currently developed with urban residential uses, for which a Large City proposes to adopt, by resolution or ordinance, a master plan or a plan that functions in the same manner as a master plan;*

(b) *Greater than 20 acres in size within a Large City or adjacent to the Large City within the urban growth boundary for which a Large City adopted, by resolution or ordinance, a master plan or a plan that functions in the same manner as a master plan after the site was incorporated into the urban growth boundary; or*

(c) *Added to the Large City’s urban growth boundary after January 1, 2021 for which the Large City proposes to adopt, by resolution or ordinance, a master plan or a plan that functions in the same manner as a master plan.*

**Finding:** Newberg is a Medium City and these definitions do not apply.

(11) *“Medium City” means a city with a certified Portland State University Population Research Center estimated population more than 10,000 and less than 25,000 and not within a metropolitan service district.*

**Finding:** Newberg is Medium City with a population of 24,120 as certified by Portland State University Population Research Center as of July 1, 2021.

(12) *“Middle Housing” means Duplexes, Triplexes, Quadplexes, Cottage Clusters, and Townhouses.*

**Finding:** Exhibit “B” has a proposed definition of Middle Housing that aligns with the OAR 660-046-0020 definition.

*(13) “Model Code” means the applicable Model Code developed by the Department and contained in the exhibits in OAR 660-046-0010(4).*

**Finding:** The City of Newberg acknowledges this definition as used in OAR 660-046.

*(14) “Quadplex” means four attached dwelling units on a Lot or Parcel. A Large City may define a Quadplex to include any configuration of four detached or attached dwelling units on one Lot or Parcel.*

**Finding:** The City of Newberg acknowledges this definition as used in OAR 660-046 but is not required to comply with Quadplex requirements at this time as it is classified as a Medium City.

*(15) “Siting Standard” means a standard related to the position, bulk, scale, or form of a structure or a standard that makes land suitable for development. Siting standards include, but are not limited to, standards that regulate perimeter setbacks, dimensions, bulk, scale, coverage, minimum and maximum parking requirements, utilities, and public facilities.*

**Finding:** Exhibit “B: contains siting standards that address setbacks, lot dimensions, lot coverage, and parking. Other provisions in Title 15 Development Code address utilities and public facilities. Duplex dwellings follow the same siting standards as single-family detached dwellings.

*(16) “Sufficient Infrastructure” means the following level of public services to serve new Triplexes, Quadplexes, Townhouses, or Cottage Cluster development:*

*(a) Connection to a public sewer system capable of meeting established service levels;*

*(b) Connection to a public water system capable of meeting established service levels;*

*(c) Access via public or private streets meeting adopted emergency vehicle access standards to a city’s public street system; and*

*(d) Storm drainage facilities capable of meeting established service levels for storm drainage.*

**Finding:** Not applicable as Newberg is classified as a Medium City and it not required to address triplexes, quadplexes, townhouses, and cottage clusters for sufficient infrastructure at this time.

*(17) “Townhouse” means a dwelling unit that is part of a row of two or more attached dwelling units, where each unit is located on an individual Lot or Parcel and shares at least one common wall with an adjacent dwelling unit.*

**Finding:** The City of Newberg acknowledges this definition as used in OAR 660-046 but is not

required to comply with Townhouse requirements at this time as it is classified as a Medium City.

*(18) "Townhouse Project" means one or more townhouse structures constructed, or proposed to be constructed, together with the development site where the land has been divided, or is proposed to be divided, to reflect the Townhouse property lines and the any commonly owned property.*

**Finding:** The City of Newberg acknowledges this definition as used in OAR 660-046 but is not required to comply with Townhouse Project requirements at this time as it is classified as a Medium City.

*(19) "Triplex" means three attached dwelling units on a Lot or Parcel. A Large City may define a Triplex to include any configuration of three detached or attached dwelling units on one Lot or Parcel.*

**Finding:** The City of Newberg acknowledges this definition as used in OAR 660-046 but is not required to comply with Triplex requirements at this time as it is classified as a Medium City.

*(20) "Zoned for Residential Use" means a zoning district in which residential dwellings are the primary use and which implements a residential comprehensive plan map designation.*

**Finding:** The City of Newberg has lands zoned for R-1, R-2, R-3, AR, and RP which are represented on the official Zoning Map that represent residential comprehensive plan designations and are applicable to duplex dwelling requirements of OAR 660-046.

660-046-0030

#### *Implementation of Middle Housing Ordinances*

*(1) Before a local government amends an acknowledged comprehensive plan or a land use regulation to allow Middle Housing, the local government must submit the proposed amendment to the Department for review and comment pursuant to OAR chapter 660, division 18.*

**Finding:** The City of Newberg notified DLCD through the Post Acknowledgement Plan Amendment (PAPA) process on April 7, 2021 on the proposed duplex proposal to comply with OAR 660-046.

*(2) In adopting or amending regulations or amending a comprehensive plan to allow Middle Housing, a local government must include findings demonstrating consideration, as part of the post-acknowledgement plan amendment process, of methods to increase the affordability of Middle Housing through ordinances or policies that include but are not limited to:*

*(a) Waiving or deferring system development charges;*

**Finding:** The City of Newberg approved a Housing Work Program on November 2, 2020, (Attachment 3) that considered a variety of regulatory actions to address housing affordability. On November 16, 2020, the City Council adopted Ordinance No. 2020-2869 revising when system

development charges need to be paid. This modification moved the payments for the charges from at time of issuance of a building permit to the time of insulation inspection for single-family dwelling and duplex dwellings. Additionally, the Newberg City Council will be engaging in discussions on System Development Charges for all development activities beginning in April 2021. Finally, in the Housing Work Program - Reduced / Waived Building Permit fee, Planning fees, or SDCs are identified to be further re-evaluated in FY 24/25; and System Development Charge Deferrals/Loans to be evaluated again in FY 25/26. The City has considered the requirements of 660-046-0030.

*(b) Adopting or amending criteria for property tax exemptions under ORS 307.515 to ORS 307.523, ORS 307.540 to ORS 307.548 or ORS 307.651 to ORS 307.687 or property tax freezes under ORS 308.450 to ORS 308.481; and*

**Finding:** The Housing Work Program (Attachment 3) includes a program to - Establish an affordable multifamily housing property tax abatement program in FY 22/23 and a Housing Production Strategy in FY 22/23. The City has considered the requirements of 660-046-0030.

*(c) Assessing a construction tax under ORS 320.192 and ORS 320.195.*

**Finding:** The Newberg City Council adopted Ordinance No. 2020-2860 on November 16, 2020, implementing a Construction Excise Tax (CET). Implementation of the CET began on January 2, 2021. Per the adopted ordinance there is a sunset provision set at six years. In the fifth year of implementation the City Council will evaluate the effectiveness of the CET and determine whether to repeal the ordinance or authorize its continuance. The Housing Work Program (Attachment 3) identifies the review to occur in FY 25/26.

Newberg's proposal to comply with HB 2001 (OAR 660-046-0030) is in compliance and integrates provisions that implement duplex dwelling development the same as single-family dwelling development.

*(3) When a local government amends its comprehensive plan or land use regulations to allow Middle Housing, the local government is not required to consider whether the amendments significantly affect an existing or planned transportation facility.*

**Finding:** The City of Newberg has an adopted Transportation System Plan from 2016 which includes the Addendum Riverfront Master Plan 2021 which have gone through the Post Acknowledgment Plan Amendment process. The transportation system is planned to accommodate the population growth of the community for a 20 year planning period.

660-046-0040

*Compliance*

*(1) A Medium or Large City may adopt land use regulations or amend its comprehensive plan to comply with ORS 197.758 and the provisions of this division.*

**Finding:** The City of Newberg is proposing to amend its comprehensive plan and land use

regulations to comply with 197.758 and OAR Chapter 66- Division 46 as they relate to duplex dwellings.

*(2) A Medium or Large City may request from the Department an extension of the time allowed to complete the action under section (1) pursuant to the applicable sections of OAR 660-046-0300 through OAR 660-046-0370.*

**Finding:** The City of Newberg applied for a grant from DLCDC related to middle housing for an Infrastructure Based Time Extension (IBTER) and was awarded a grant. The areas evaluated from the grant were areas north of downtown and south of downtown. Through the evaluation of transportation, water, wastewater, and stormwater a deficiency was identified for the water system related to fire flow to accommodate Middle Housing. DLCDC reviewed the City of Newberg application and approved the application extension request on March 16, 2021.

*(3) A Medium City which is A Local Government That Has Not Acted by June 30, 2021 or within one year of qualifying as a Medium City pursuant to OAR 660-046-0050 and has not received an extension under section (2), shall directly apply the applicable Model Code contained in OAR 660-046-0010(4) in its entirety to all proposed Middle Housing development applications until such time as the Medium City has adopted provisions under section (1).*

**Finding:** The Newberg Planning Commission is scheduled to hold a public hearing on the proposal on May 13, 2021, followed by a City Council public hearing on June 7, 2021, prior to the June 30, 2021 deadline.

*(4) A Large City which is A Local Government That Has Not Acted by June 30, 2022 or within two years of qualifying as a Large City pursuant to OAR 660-046-0050 and has not received an extension under section (2), shall directly apply the applicable Model Code contained in OAR 660-046-0010(4) for the specific Middle Housing type that is not in compliance with the relevant rules in this division to all proposed development applications for that specific Middle Housing type until such time as the Large City has adopted provisions under section (1).*

**Finding:** Not applicable as Newberg is classified as a Medium City.

*(5) If a Medium or Large City has adopted land use regulations or amended its comprehensive plan by the date provided under sections (3) and (4) and the Medium or Large City's land use regulations or comprehensive plan changes are subsequently remanded by the Land Use Board of Appeals or an appellate court solely on procedural grounds, the Medium or Large City is deemed to have acted. Accordingly, the Medium or Large City may continue to apply its own land use regulations and comprehensive plan as they existed prior to the adoption of land use regulations or comprehensive plan amendments that were the subject of procedural remand until the first of the two options:*

**Finding:** The Newberg Planning Commission is scheduled to hold a public hearing on the proposal on May 13, 2021, followed by a City Council public hearing on June 7, 2021, prior to the June 30, 2021 deadline. Opportunities for appeals have not yet occurred as the local review and hearing

process has not been completed.

*(a) The Medium or Large City has adopted land use regulations or amended its comprehensive plan in response to the remand; or*

**Finding:** Not applicable at this time.

*(b) 120 days after the date of the remand. If the Medium or Large City has not adopted land use regulations or amended its comprehensive plan within 120 days of the date of the remand, the Medium or Large City is deemed not to have acted under sections (3) and (4).*

**Finding:** Not applicable at this time.

*(6) If a Medium or Large City has adopted land use regulations or amended its comprehensive plan by the date provided under sections (3) and (4) and the Medium or Large city's land use regulations or comprehensive plan changes are subsequently remanded by the Land Use Board of Appeals or an appellate court on any substantive grounds, the Medium or Large City is deemed to have not acted under sections (3) and (4).*

**Finding:** Not applicable at this time.

*(7) If a Medium or Large City acknowledged to be in compliance with this division subsequently amends its land use regulations or comprehensive plan, and those amendments are remanded by the Land Use Board of Appeals or an appellate court, the Medium or Large City shall continue to apply its land use regulations and comprehensive plan as they existed prior to the amendments until the amendments are acknowledged.*

**Finding:** Not applicable at this time.

*(8) Where a Medium or Large City directly applies the Model Code in accordance with sections (3), (4) and (5), the Model Code completely replaces and pre-empts any provisions of that Medium or Large City's development code that conflict with the applicable sections of the Model Code.*

**Finding:** Not applicable at this time.

660-046-0050

*Eligible Local Governments*

*(1) If a local government was not previously a Medium City and a certified Portland State University Population Research Center population estimate qualifies it as a Medium City, the local government must comply with this division within one year of its qualification as a Medium City.*

**Finding:** Not applicable as Newberg is classified as a Medium City.

*(2) If a local government was not previously a Large City and a certified Portland State University Population Research Center population estimate qualifies it as a Large City, the local government*

*must comply with this division within two years of its qualification as a Large City.*

**Finding:** Not applicable at this time. Newberg will need to comply once it reaches the 25,000 population threshold.

*660-046-0100*

*Purpose of Middle Housing in Medium Cities*

*OAR 660-046-0105 through OAR 660-046-0130 are intended to measure compliance with ORS 197.758 et seq and Goal 10 Housing for Medium Cities.*

**Finding:** The City of Newberg is proposing to amend its comprehensive plan and land use regulations to comply with 197.758 and OAR Chapter 66 Division 46 as they relate to duplex dwellings.

*660-046-0105*

*Applicability of Middle Housing in Medium Cities*

*(1) A Medium City must allow for the development of a Duplex, including those Duplexes created through conversion of an existing detached single-family dwelling, on each Lot or Parcel zoned for residential use that allows for the development of detached single-family dwellings.*

**Finding:** Exhibit “B” contains the proposed regulations allowing duplex dwelling development within Newberg that includes new development and conversions in compliance with OAR 660-046-0105(1)

*(2) OAR 660-046-0105 through OAR 660-046-0130 do not require a Medium City to allow more than two dwellings units on a Lot or Parcel, including any accessory dwelling units.*

**Finding:** Exhibit “B” contains the proposed regulations allowing duplex dwelling development within Newberg that limits dwellings to two and where applicable accessory dwelling units in compliance with OAR 660-046-0105(2).

*660-046-0110*

*Provisions Applicable to Duplexes in Medium Cities*

*(1) Medium Cities may regulate Duplexes to comply with protective measures, including plans, policies and regulations, as provided in OAR 660-046-0010(3).*

**Finding:** Analysis has been provided under 660-046-0010(3) to meet this requirement.

*(2) Medium Cities may regulate siting and design of Duplexes, provided that the regulations:*

*(a) Are clear and objective standards, conditions, or procedures consistent with ORS 197.307; and*

*(b) Do not, individually or cumulatively, discourage the development of Duplexes through unreasonable costs or delay.*

**Finding:** Newberg’s proposed duplex dwelling regulations address siting and design standards as show in Exhibit “B” that include building height, setbacks, lot size, parking, and lot coverage that are clear and objective standards and are the same for single-family and duplex dwellings.

Duplex dwellings in the Springbrook Oaks Specific Plan are treated the same as single-family detached dwellings and are not subject to design standards. Notes have been added to the Plan to clarify no design requirements for duplex dwellings. Setback requires do apply to both single-family detached and duplex dwellings that are the same.

The siting and design standards do not, individually or cumulatively, discourage the development of Duplexes through unreasonable costs or delay as the standards apply equally to single-family dwellings and duplex dwellings.

*(3) Siting and design standards that create unreasonable cost and delay include any standards applied to Duplex development that are more restrictive than those applicable to detached single-family dwellings in the same zone.*

**Finding:** The siting and design standards do not, individually or cumulatively, discourage the development of Duplexes through unreasonable costs or delay as the standards apply equally to single-family dwellings and duplex dwellings.

*(4) Siting and design standards that do not, individually or cumulatively, discourage the development of Duplexes through unreasonable cost and delay include only the following:*

*(a) Regulations to comply with protective measures adopted pursuant to statewide land use planning goals provided in OAR 660-046-0010(3);*

*(b) Permitted uses and approval process provided in OAR 660-046-0115;*

*(c) Siting standards provided in OAR 660-046-0120;*

*(d) Design standards in Medium Cities provided in OAR 660-046-0125;*

*(e) Duplex Conversions provided in OAR 660-046-0130; and*

*(f) Any siting and design standards in the Model Code contained in section OAR 660-046-0010(4)(a).*

**Finding:** The City of Newberg did not utilize the Model Code in developing the proposed regulations. The proposal relies on OAR Chapter 660 Division 40 requirements.

660-046-0115

*Permitted Uses and Approval Process*

*Medium Cities must apply the same approval process to Duplexes as detached single-family dwellings in the same zone. Pursuant to OAR 660-007-0015, OAR 660-008-0015, and ORS 197.307, Medium Cities may adopt and apply only clear and objective standards, conditions, and procedures regulating the development of Duplexes. Nothing in this rule prohibits a Medium City from adopting an alternative approval process for applications and permits for Middle Housing based on approval criteria that are not clear and objective as provided in OAR 660-007-0015(2), OAR 660-008-0015(2), and ORS 197.307(6).*

**Finding:** The proposed regulations in Exhibit “B” applies a Type I Administrative review process (15.100) for duplex dwellings that is the same as applied to single-family dwellings. The standards are clear and objective and in compliance with 660-046-0115. The City of Newberg is not proposing an alternative review process for duplex dwellings.

660-046-0120

*Duplex Siting Standards in Medium Cities*

*The following standards apply to all Duplexes:*

*(1) Minimum Lot or Parcel Size: A Medium City may not require a minimum Lot or Parcel size that is greater than the minimum Lot or Parcel size required for a detached single-family dwelling in the same zone. Additionally, Medium Cities shall allow the development of a Duplex on any property zoned to allow detached single-family dwellings, which was legally created prior to the Medium City’s current lot size minimum for detached single-family dwellings in the same zone.*

**Finding:** Exhibit “B” contains standards that the same lot size (NMC 15.405) is proposed for single-family detached dwellings and duplex dwellings for the R-1, R-2, R-3, AR, and RP residential zones in compliance with 660-046-0120(1).

*(2) Density: If a Medium City applies density maximums in a zone, it may not apply those maximums to the development of Duplexes.*

**Finding:** The Newberg Development Code does not have density maximums. In Specific Plans maximums are identified. In these circumstance duplex dwellings are considered to equal a single family residence for density purposes.

*(3) Setbacks: A Medium City may not require setbacks to be greater than those applicable to detached single-family dwellings in the same zone.*

**Finding:** Exhibit “B” contains standards for setbacks (NMC 15.410) that are the same for single-family detached dwellings and duplex dwellings for the R-1, R-2, R-3, AR, and RP residential zones in compliance with 660-046-0120(3).

*(4) Height: A Medium City may not apply lower maximum height standards than those applicable to detached single-family dwellings in the same zone.*

**Finding:** Exhibit “B” contains standards for building height (NMC 15.415) that are the same for single-family detached dwellings and duplex dwellings for the R-1, R-2, R-3, AR, and RP residential zones in compliance with 660-046-0120(4).

*(5) Parking:*

*(a) A Medium City may not require more than a total of two off-street parking spaces for a Duplex.*

*(b) Nothing in this section precludes a Medium City from allowing on-street parking credits to satisfy off-street parking requirements.*

**Finding:** Exhibit “B” contains standards for parking for duplex dwellings (NMC 15.440) at a total of two off-street spaces in compliance with 660-046-0120(5)(a). No standards are proposed for off-street parking credits to satisfy off street parking per 660-046-0120(5)(b).

*(6) Lot Coverage and Floor Area Ratio: Medium Cities are not required to apply lot coverage or floor area ratio standards to new Duplexes. However, if the Medium City chooses to apply lot coverage or floor area ratio standards, it may not establish a cumulative lot coverage or floor area ratio for a Duplex that is less than established for detached single-family dwelling in the same zone.*

**Finding:** Exhibit “B” contains standards for lot coverage (NMC 15.405) that is the same for duplex dwellings and single-family detached dwellings in compliance with 660-046-0120(6).

*(7) A Medium City or other utility service provider that grants clear and objective exceptions to public works standards to detached single-family dwelling development must allow the granting of the same exceptions to Duplexes.*

**Finding:** No exceptions are proposed to duplex dwellings for public works standards that would apply differently to single-family detached dwellings.

660-046-0125

*Duplex Design Standards in Medium Cities*

*(1) Medium Cities are not required to apply design standards to new Duplexes. However, if the Medium City chooses to apply design standards to new Duplexes, it may only apply the same clear and objective design standards that the Medium City applies to detached single-family structures in the same zone.*

*(2) A Medium City may not apply design standards to Duplexes created as provided in OAR 660-046-0130.*

**Finding:** Exhibit “B” is not proposing design standards for duplex dwellings as the City of Newberg

does not have design standards for single-family detached dwellings.

660-046-0130

*Duplex Conversions*

*Conversion of an existing detached single-family dwelling to a Duplex is allowed, pursuant to OAR 660-046-0105(2), provided that the conversion does not increase nonconformance with applicable clear and objective standards in the Medium City's development code, unless increasing nonconformance is otherwise allowed by the Medium City.*

**Finding:** Exhibit "B" contains conversion provisions in compliance with 660-046-0130.

DRAFT

## D. Newberg Municipal Code

### Chapter 15.100 LAND USE PROCESSES AND PROCEDURES

15.100.060 Type IV procedure – Legislative.

A. Type IV Actions Are Legislative. The planning commission shall hold a public hearing and make a recommendation to the city council. The city council shall hold another public hearing and make a final decision.

B. Legislative actions include, but are not limited to:

1. Amendments to the Newberg comprehensive plan text;
2. Amendments to the Newberg development code;
3. The creation of any land use regulation.

C. The public hearing before the planning commission shall be held in accordance with the requirements of this code. Notice of a hearing on a legislative decision need not include a mailing to property owners or posting of property (refer to NMC 15.100.200 et seq.).

D. Interested persons may present evidence and testimony relevant to the proposal. If criteria are involved, the planning commission shall make findings for each of the applicable criteria.

E. The city council shall conduct a new hearing pursuant to this code. At the public hearing, the staff shall present the report of the planning commission and may provide other pertinent information. Interested persons shall be given the opportunity to present new testimony and information relevant to the proposal that was not heard before the planning commission.

F. To the extent that a finding of fact is required, the city council shall make a finding for each of the applicable criteria and in doing so may sustain or reverse a finding of the planning commission. In granting an approval, the city council may delete, add, or modify any of the provisions in the proposal or attach certain conditions beyond those warranted for the compliance with standards if the city council determines that the conditions are necessary to fulfill the approval criteria.

G. The city council's decision shall become final upon the effective date of the ordinance or resolution.

**Finding:** Public hearings with the Planning Commission and the City Council are required to finalize a decision regarding the application for the amendment to the Development Code.

This requirement can be met.

NMC 15.346.050 for Specific Plans outlines the requirements for amendments to the plans. The process to use would be a Type III Procedure.

A. Minor and Major Amendments.

1. Major amendments are those which result in any of the following:

- a. A change in land use.
- b. A change in the circulation/transportation plan that requires a major street (collector or arterial) to be eliminated or to be located in such a manner as to

- not be consistent with the specific plan.
- c. A change in the development standards.
- d. A change in the planned residential density.
- e. A change not specifically listed under the major and minor amendment definitions.

NMC 15.326.060 for the Springbrook Master Plan outlines the requirements for amendments to the plan. The proposed amendments would be classified as a Type III process.

- B. The following modifications to the master plan shall follow a Type III procedure identified in NMC 15.100.050:
  - 1. Modifications other than those noted above.
  - 2. Modifications to the Springbrook district boundary.

## Chapter 15.100 LAND USE PROCESSES AND PROCEDURES

### 15.100.050 Type III procedure – Quasi-judicial hearing.

A. All Type III decisions shall be heard and decided by the planning commission. The planning commission's decision shall be final unless the decision is appealed or the decision is a recommendation to the city council.

B. Type III actions include, but are not limited to:

- 1. An appeal of a Type I or Type II decision: This action of the planning commission is a final decision unless appealed to the city council.
- 2. Conditional use permits: This action is a final decision unless appealed.
- 3. Planned unit developments: This action is a final decision unless appealed.
- 4. Substantial change to the exterior appearance of a historic landmark: This action is final unless appealed.
- 5. Establishment of a historic landmark: This is a final decision by the planning commission, unless appealed.
- 6. Establishment of a historic landmark subdistrict: This is a recommendation to the city council.
- 7. Comprehensive plan map amendments: This action is a recommendation to the city council.
- 8. Zoning map amendments and designation of subdistricts: This action is a recommendation to the city council.
- 9. Annexation: This action is a recommendation to the city council.
- 10. Subdivisions with certain conditions requiring them to be processed using the Type III process, pursuant to NMC 15.235.030(A).

C. Planning Commission Decisions and Recommendation Actions.

- 1. Planning Commission Decision. Development actions shall be decided by the planning commission for those land use actions that require a Type III procedure and do not require the adoption of an ordinance. The decision shall be made after public notice and a public hearing is held in accordance with the requirements of NMC

15.100.090 et seq. A Type III decision may be appealed to the city council by a Type III affected party in accordance with NMC 15.100.160 et seq.

2. Planning Commission Recommendation to City Council. Land use actions that would require the adoption of an ordinance shall be referred to the city council by the planning commission together with the record and a recommendation. The recommendation shall be made after public notice and a public hearing is held in accordance with the requirements of NMC 15.100.090 et seq.

D. City Council Action. If a recommendation to the city council is required, the matter shall be reviewed by the city council as a new hearing. The final decision on these actions is made by the city council.

E. The applicant shall provide notice pursuant to NMC 15.100.200 et seq.

F. The hearing body may attach certain conditions necessary to ensure compliance with this code.

G. If the application is approved, the director shall issue a building permit when the applicant has complied with all of the conditions and other requirements of this code.

H. If a Type III application is denied, or if the applicant wishes to make substantive modifications to an approved application, the applicant may modify the application after the planning commission hearing and request a new planning commission hearing to consider the application. An application so modified shall be considered a new application for purposes of the 120-day time limit for processing applications in accordance with NMC 15.100.100 and state statutes. The applicant shall acknowledge in writing that this is a new application for purposes of the 120-day rule. The city council shall establish a fee for such a reconsideration or modification by resolution. Application of this provision is limited to three times during a continuous calendar year.

**Finding:** For the Northwest Newberg Specific Plan and Springbrook Oaks Specific Plan the process required is a Type III procedure as the proposed modifications would be a change in land use and a change in the development standards. The Planning Commission will make a recommendation to the City Council because the proposal requires adoption of an ordinance.

For the Springbrook Master Plan the process required is a Type III procedure because the proposal is not a land use district boundary modifications prior to development within that phase greater than one acre and less than five acres that adjust a boundary no more than 100 feet, or modifications to the "Trip Cap" established with approval of the master plan which require a Type II process. The Planning Commission will make a recommendation to the City Council because the proposal requires adoption of an ordinance.

These requirements can be met.

**Conclusion:** The proposed Comprehensive Plan amendments, Development Code amendments, and amendments to the Northwest Newberg Specific Plan, Springbrook Oaks Specific Plan and Springbrook Master Plan meets the applicable requirements of the Statewide Planning Goals, the Newberg Comprehensive Plan, and Newberg Development Code and should be approved.

## RESOLUTION No. 2020-3669

**A RESOLUTION SUPPORTING GRANT APPLICATIONS AND AUTHORIZING THE COMMUNITY DEVELOPMENT DIRECTOR TO APPLY FOR A DLCD 2019-21 PLANNING ASSISTANCE DIRECT GRANTS FOR HB 2001 AND HB 2003 IMPLEMENTATION AND AUTHORIZING THE CITY MANAGER TO EXECUTE ALL GRANT AWARD CONTRACT DOCUMENTS**

### RECITALS:

1. During the 2019 legislative session, the legislature adopted HB 2001 and HB 2003 and appropriated funds to the Department of Land Conservation and Development (DLCD) for the purpose of providing grants to local governments for the implementation of missing middle housing, housing needs analyses and housing production strategies.
2. The Department of Land Conservation and Development (DLCD) provides resources to help Oregon communities prepare and update local land use plans and ordinances through the 2019-21 Planning Assistance Direct Grant program.
3. As part of the grant application(s) the local government must include a resolution from the governing body of the city demonstrating support for the project(s). The proposed resolution would comply with the requirement.
4. On August 5, 2019, the Community Development Director met with Newberg City Council to discuss the City's implementation standards of House Bill 2001. It was decided that the requirements for cities with both a population lower than 25,000 and a population over 25,000 should be pursued as Newberg is on the cusp of crossing the 25,000 population threshold.

### THE CITY OF NEWBERG RESOLVES AS FOLLOWS:

1. City Council supports the grant application(s) and authorizes the Community Development Director to submit application(s) to the Department of Land Conservation and Development for a 2019-21 Planning Assistance Direct Grant for planning project assistance to implement House Bill 2001 (Duplexes, Triplexes, Quads, Cluster Housing, and Townhomes) and HB 2003 (update the 2019 Housing Needs Analysis Buildable Lands Inventory and Population data, and prepare a Housing Production Strategy).
2. The City Manager is authorized to execute all grant award contract documents.

➤ **EFFECTIVE DATE** of this resolution is the day after the adoption date, which is: April 21, 2020.

**ADOPTED** by the City Council of the City of Newberg, Oregon this 20<sup>th</sup> day of April, 2020.

  
 Sue Ryan, City Recorder

**ATTEST** by the Mayor this 23<sup>rd</sup> day of April, 2020.

  
 Rick Rogers, Mayor

Increasing the number of housing units that can be built	34.74% 66	26.32% 50	22.63% 43	16.32% 31	190	2.21

## Newberg Middle Housing Code Project

#	COMMENTS:	DATE
1	HB 2001 will burden neighborhoods with over-building of lots. Not making parking required on-site for new construction will flood roads with new cars and emergency vehicles will not be able to get through. Also, the school's will be flooded with new children and over-crowded. Real estate will buy all the houses and tear them down and make big apartment buildings where neighbors can get no sunlight in their yards. There will be no room for street trees and parks will be flooded. No one is going to make new parks. This bill was a give away to the real estate market and big interest money backers..	1/11/2021 8:18 AM
2	Please do not let this turn into a crowd place to live where its infested with apartments and high traffic	1/10/2021 3:06 PM
3	Any development team that does not ask for local participation from the outset is not generating equitable outcomes.	1/8/2021 1:49 PM
4	Development teams must ask for local participation from the outset in order to generate equitable outcomes.	1/8/2021 12:27 PM
5	Developers are reaping HUGE profits building junky cramped housing to justify making it "more affordable". No room for children to play, not enough parking, no privacy, cheap materials are ruining our neighborhoods while millions of dollars are leaving the community and ending up in the pockets of bankers and developers. We have to find a way to get off the inflation of home prices. Banks should not be allowed to drive up prices by mortgaging such dense and tiny homes for hundreds of thousands of dollars. They don't do that in the US SE and Central states, only in NE and West coast. It's unfair as our incomes are not higher than Texas or Ohio.	1/8/2021 11:39 AM
6	Do not mix middle housing with single family homes, keep separate	1/6/2021 11:31 PM
7	zoning needs to embrace Tiny houses and a permanent campground.	1/6/2021 11:17 AM
8	This was not a well designed survey. I just by chance stumbled across it, therefore I'm sure that the majority of the communities opinions are not going to be reflected in the results. The new skinny houses going up in our neighborhood reflects the greed of developers. They are poor quality and not family friendly. They don't have sufficient outdoor space and are not varied in design. Street maintenance is less than poor in our neighborhood as it is, therefore more traffic is taking the more maintained roads. We don't have Stop Signs as it is and 25 mph is too fast for a neighborhood with no Stop Signs and a lot of children. Please take care of what we have before building more. And no parking only forces people to park in front of our houses.	1/5/2021 9:49 PM
9	parking is really important. most families have 2 cars and groups of renters have more than 2. it's really hard when there's no parking on your street.	1/3/2021 6:55 PM
10	As a senior citizen I want to strongly encourage you to make it mandatory that all new housing be required to install a hand railing by the entrance. Older homes almost always provided this and we need to again provide this essential safety help for every new home. It is not only a help for older citizens, it also helps the handicapped and children as well. Even one step up is difficult for some people without a railing to help.	12/31/2020 9:58 PM
11	Biggest problem is the permitting process. Really \$100000 in permits to build a house really.	12/31/2020 2:09 PM
12	We need truly affordable options and options for all walks of life. Why is the city not considering land trust options?	12/31/2020 11:09 AM
13	Our city needs to be more appealing to young families as a place to settle and grow. More and more of our younger families have had to leave our city because they can't afford living here. That takes money from our city projects and our schools, and reduces our city's diversity.	12/31/2020 9:38 AM
14	We have lived in a house in Newberg that has rats for the past 2 yrs. We can afford anything else. The house before this one had black mold and got kicked out cuz i complained all the time. We need affordable and safe houses that rich people aren't gonna come and buy and rent them for ridiculous amount	12/30/2020 7:29 AM
15	Low cost ADUs and fees need to be fully supported by the city and its code	12/28/2020 2:45 PM
16	Adding tiny homes and mobile home opportunities	12/28/2020 12:39 PM
17	Housing must match the jobs available in our town. Commuting degrades our neighborhoods,	12/27/2020 9:58 PM

## Newberg Middle Housing Code Project

puts additional strain on our infrastructure, and eats up a sizeable portion of families' budgets. As long as most of the people who live here work elsewhere, and the people who work here live elsewhere, we are sitting on an untenable, unsustainable, carbon-abusing situation. Walkways must be safe, attractive, and contiguous, linking where people live to where they want to go (business, shopping, school, church)

18	Usually it's the over flow of cars when it is a rental complex. It makes the neighborhood trashy. People start living there when they are not residents. Too much traffic. No rentals. More opportunities to buy	12/27/2020 4:21 PM
19	Reduce cost of housing so people can continue to live in newberg and afford homes. Right now the market is crazy and even an apartment is out of reach for most people.	12/27/2020 8:44 AM
20	Everywhere I have ever lived that has adopted this approach has seen an increase in crime and a decrease in quality of life. This is a terrible plan for Newberg	12/26/2020 11:31 PM
21	It's difficult to answer the "walking" item without knowing what sorts of middle housing zoning standards would support that.	12/26/2020 5:43 PM
22	Parking MUST be a priority. Do not allow the builders to decide, they will always do the minimum. Drive by ANY complex in newberg at night and see the cars stacked up for blocks around. An apartment or duplex expected to house a family of 4 should have at least 2.5 parking spaces.	12/26/2020 3:18 PM
23	Require adequate parking and don't count those tiny garages as a parking spot. Our sidewalks are horrible too.	12/26/2020 2:38 PM
24	Consider housing for the homeless.	12/26/2020 2:35 PM
25	Your first priority should be to get your engineering department under control. They are the detractors from affordable housing.	12/26/2020 1:30 PM
26	I believe there should be cottage housing for senior on low income.... give a way to have dignity in our senior years.	12/26/2020 12:06 PM
27	People will always park on the street, even if they have a driveway/garage. I think it's important to recognize that and ensure the streets are wide enough for the vehicles to park and vehicles to drive by. Often times I fear I might clip a mirror driving down my street with newly developed homes and terrible street parking. Also, the space between similar home styles should be kept at a different standard than the space between different styles. For example, a house should not be allowed 20 feet from an apartment complex (Wynooski). It looks terrible and is going to have future parking problems for the home owner/resident because they are on top of each other and it's crowded.	12/26/2020 11:07 AM
28	more low income housing a must	12/26/2020 9:52 AM
29	Diversity of housing types is important as the community grows and our ability to provide adequate housing options. However, planned development coupled with appropriate parking and access is critical. At this time there appears to be a significant imbalance. Higher density developments completely overlook the need for appropriate parking, not only for the residence but for visitors and emergency services as well. This doesn't create healthy livable communities for the longer term. Off-street and on-street parking requirements are long overdue for reshaping.	12/26/2020 8:18 AM
30	The taxpayers should not be asked to subsidize housing. Cars have to go somewhere. When you pack housing units into a small space with limited parking, the cars end up illegally blocking others or lining the street.	12/23/2020 10:07 PM
31	Private roads should not be permitted for more units. Too narrow and diminish value.	12/22/2020 2:59 PM
32	Not like Ella ct was agreed to and the rules never followed for NO street parking	12/22/2020 10:50 AM
33	Middle housing equals crime and over population. DON'T TURN NEWBERG INTO BEAVERTON, HILLSBORO, OR PORTLAND! I grew up here and hate seeing what you people continue to do.	12/22/2020 9:16 AM
34	Parking is a HUGE issue, already developed areas are NOT designed to deal with the extra cars. Everyone knows more than 1 car will come with each new "home". Honestly this is a terrible idea. Believe it will destroy currently pleasant and functional neighborhoods.	12/22/2020 8:08 AM

## Newberg Middle Housing Code Project

35	We do not need more duplex's or buildings of that nature, just look at The area near the air park, parking is horrible and the streets are crowded.	12/22/2020 5:30 AM
36	Housing that is actually affordable for people ie. Rent. Rent places people cant afford even if they are on housing section 8, its less than 1100.00\$ VERY hard to find a place to rent for under that	12/22/2020 1:27 AM
37	Off street parking makes it look nasty. Lots of broken down cars. Just trashy, if everyone has two parking spots instead of one, would make for a nicer area.	12/22/2020 1:09 AM
38	Street parking is a huge issue in our neighborhood. Makes it unsafe for kids to play.	12/21/2020 9:29 PM
39	Just say no to the crammed housing and car clusters. Like the houses by the air park. On top of it nothing has been done about the traffic in the area. It gets more dangerous every week. Fix the existing problems before you create more!	12/21/2020 8:55 PM
40	No fucking cheap housing!	12/21/2020 7:46 PM
41	Affordable is Minimum wage x 60 not well food is overrated again this month	12/21/2020 5:35 PM
42	Newberg does a very poor job of parking enforcement. It's all about increased property tax dollars at the cost of citizen inconvenience	12/21/2020 4:54 PM
43	Need to keep in mind parking when approving building permits	12/21/2020 4:50 PM
44	Having the housing fit with the character of the town is important. Wooden buildings and classic styling like our Main Street and older houses give newberg an inviting home feeling. Green and open spaces are also important.	12/18/2020 6:15 PM
45	Newberg is not a big city. I get that Portland is overpopulated but we cannot take them all in. Some housing needs to be single family housing so that we can maintain the small-town feel of Newberg. I don't want to become Sherwood. I want to live in a quiet, rural town where I can still go grocery shopping if I need to at 9pm (not as small as Lafayette or Dayton). We aren't Portland and people do need cars to get around - the bus system isn't robust enough to handle more Newbergers without cars. So, people need places to park their cars. We live in a single family neighborhood (Edwards area) and our streets are already maxed out with people parking. Please stop building houses with only one car spot, or no car spot. Most houses take 2 incomes to buy, so that's 2 people with jobs who need cars to get there. Stop thinking about making "progress" and start thinking about what we already have that is broken.	12/17/2020 10:53 PM
46	All this middle housing is wreaking havoc on parking and traffic in the Newberg area. Please stop. Houses here are already much more affordable than anything around Portland. Please quit splitting properties up and making less space for existing home owners!!!	12/17/2020 9:42 PM
47	Don't need anymore apartments or townhouse	12/17/2020 9:40 PM
48	Lets make Newberg a nice town with nice homes. Bringing in rentals, trailers and townhomes will make it look like dayton or lafayette	12/17/2020 9:32 PM
49	Rather than making regulations more flexible, you need to make permits less expensive! The permitting costs are a driving factor in the housing costs for new construction homes. Those costs get passed directly to the consumer.	12/17/2020 7:29 PM
50	Limit on street parking. Parking along street sides causes accidents.	12/17/2020 7:13 PM
51	Just having somewhere to live would be nice.	12/17/2020 5:32 PM
52	Property taxes are already super high in Newberg. I don't mind paying to live in a nice place. I don't want low income housing to affect my home's worth.	12/17/2020 4:02 PM
53	Provide more options to affordably stop renting and start owning under 350k in Newberg.	12/17/2020 2:25 PM
54	Let's not make Newberg like Sherwood. Keep Newberg small.	12/17/2020 12:16 PM

## Q2 2. Knowing that standards must be applied equally to duplexes and single family detached dwellings, how important are the following duplex code standards?

Answered: 185 Skipped: 7

## Newberg Middle Housing Code Project

■ Not important   
 ■ Somewhat important   
 ■ Important   
 ■ Very important

	NOT IMPORTANT	SOMEWHAT IMPORTANT	IMPORTANT	VERY IMPORTANT	TOTAL	WEIGHTED AVERAGE
Limiting overall size of buildings	25.56% 46	24.44% 44	22.78% 41	27.22% 49	180	2.52
Creating physical/ visual connections between dwellings and the street	27.78% 50	26.67% 48	25.00% 45	20.56% 37	180	2.38
Reducing minimum lot sizes to allow for more duplexes	51.93% 94	22.10% 40	17.68% 32	8.29% 15	181	1.82

Adding a requirement for a garage or carport	14.05% 26	19.46% 36	23.78% 44	42.70% 79	185	2.95

## Newberg Middle Housing Code Project

#	COMMENTS:	DATE
1	Too much over building. Every place in every part of the city will look like some new York high rise. How do you keep covid out of This dense type of housing. I would not want to live in a sense cramped neighborhood like this.	1/11/2021 8:22 AM
2	Do not pack the community with homes	1/10/2021 3:09 PM
3	Just because you can squeeze in more units, does not mean that you have made it more walkable. Density needs to not be in overdrive.	1/8/2021 1:49 PM
4	Density has to be balanced with livability. A neighborhood is not necessarily more walkable just because there is a lot of housing there.	1/8/2021 12:32 PM
5	Never forget, real PEOPLE have to actually live in these buildings.	1/8/2021 11:41 AM
6	housing is an urgent need. fees should be reduced for builders and requirements should be adjustable within reason.	1/6/2021 11:19 AM
7	Again, very poorly designed survey. The choices for answers are very vague. Important and Not Important don't reflect ones thoughts. For example, I would like to modify setbacks to enable more privacy, not for more units.	1/5/2021 9:56 PM
8	if there is plenty of street parking a garage is less important. but families need somewhere to store their "stuff".	1/3/2021 6:57 PM
9	Space for a small porch swing would be wonderful. Would be nice to have enough space between buildings for pyramidal trees. Also space for small garden in the sunny part of a yard. There should be no "hate strip" between street and sidewalk.	12/31/2020 10:05 PM
10	Needs to be affordable to people on limited incomes & minimum wage earners.	12/31/2020 11:11 AM
11	We want an appealing community, one that encourages people from various backgrounds to settle in our city. The dwellings needs to be homes a person is proud to own.	12/31/2020 9:40 AM
12	Duplex codes should be different from single family detached dwellings. SFDD may want a yard and the activity that goes with it. Many who live in duplex/condo/three/fourplexes do not need or want a yard. Lot sizes for duplexes and the others should reflect that flexibility.	12/30/2020 12:49 PM
13	Not just duplexes: We need to promote zero-lot line building. The codes make this very difficult, especially for setbacks and green space requirements. Habitat for Humanity purchased a large lot on S 3rd. It was clearly large enough for six units if they were all owned by the same landlord. Because of the codes, we ended up building fewer homes on this R3 lot, than if it were zoned R2. Home ownership is the major path to wealth in our history and society. Let's make it easier for people to own their homes, even if attached to a neighbor's home. Businesses do this all of the time, and individually owned townhouses are a feature of most communities who see themselves as cities.	12/27/2020 10:04 PM
14	2 and 3 story takes the privacy away. Too much traffic.	12/27/2020 4:23 PM
15	Reduce the number of homes built so that they aren't just stacked up on each other	12/27/2020 8:45 AM
16	We do not need smaller lots and more homes jammed into an area. Have you seen the nightmare that is villebois? Or even the neighborhood next to our airport is outrageous! It is so dangerous! If ever there is a need for a fire truck, there is no way for it to access the area. If anything the min lot size needs increased again and parking needs to be onsite not on the street.	12/27/2020 7:25 AM
17	Most are tough to answer without details. For example, would the garage or carport be instead of or in addition to other off-street parking? How would a dwelling NOT have a physical connection to the street? Reducing minimum lot sizes may be useful, but that's highly dependent on how much you reduce them.	12/26/2020 5:47 PM
18	Its not about the number of units, its about MORE parking. A required single car garage does not help when families have 3 cars.	12/26/2020 3:20 PM
19	Stop cramming in housing without addressing parking and sidewalks. You are making Newberg worse than Medford	12/26/2020 2:40 PM
20	There seem to be no options to oppose some of these statements. You have them worded as	12/26/2020 12:13 PM

## Newberg Middle Housing Code Project

support, or basically doesn't matter. There is no option to oppose a standard.

21	Again, thoughtful parking considerations are critical as Newberg continues to grow. I understand the need for density to create affordable housing but please don't overlook the balance of parking and access in terms of livability. We have too many examples already of poor neighborhood design and overly congested streets and limited access.	12/26/2020 8:23 AM
22	These duplex plans to not create livable neighborhoods.	12/23/2020 10:08 PM
23	when changed, visibility from roads should be considered a major factor for road safety. Also, setbacks should allow for wide sidewalks to promote walking where possible.	12/23/2020 3:32 PM
24	The town houses on Foothills are great- reasonable hoa, garages, beautiful and great layouts.	12/22/2020 3:01 PM
25	Not like giving away free parking in teh City lot to teh rentals above on College and first to put more money in the owners pocket	12/22/2020 10:52 AM
26	Yards and space are important for families. Please do not jeopardize the importance of children being outside to squeeze more compact housing in small places.	12/22/2020 6:16 AM
27	No more duplex's, triplets or apartments!	12/22/2020 5:31 AM
28	Stop reducing lot sizes.	12/21/2020 8:56 PM
29	Take your cheap housing to McMinnville	12/21/2020 7:47 PM
30	Reducing lot sizes is a terrible idea. Again, all about increase in collecting property tax \$\$	12/21/2020 4:56 PM
31	Having the duplex not share a wall is great idea. Having a shared carport or garage connect them gives privacy. Staking them on top of each other does the opposite. It makes you feel like your stacked up on top of each other and can't be yourself in your home	12/18/2020 6:35 PM
32	Duplexes should be built at the very minimum, meaning they should be the smallest/most attached new housing being built. I lived in a lot of attached housing growing up and I didn't think I would ever make it out. Lots of row-houses and multiplexes are not actually helpful in getting low income families out of that cycle. It doesn't work. They can't afford to put enough away to put a down payment on a house because rent is just as much as a mortgage, but they are doing it with no earned equity. Stop building large multiplex/tiny homes. Plan out parking to allow for multiple cars.	12/17/2020 11:01 PM
33	The city does not need anymore townhomes.	12/17/2020 9:41 PM
34	You are trying to get like Portland and have multiple houses on a lot this is idiotic	12/17/2020 12:24 PM

### Q3 3. How important are the following triplex and quadplex code standards?

Answered: 182 Skipped: 10

## Newberg Middle Housing Code Project

■ Not important   
 ■ Somewhat important

## Newberg Middle Housing Code Project

#	COMMENTS:	DATE
1	This is a very bad idea getting worse. This is total over building and will overwhelm the utilities in the streets and city services. This is guaranteed to make people move away from this town or area. A lot of people didn't even know the bill got passed. We sure would have voted no on it if anyone had bothered to tell us about it!!	1/11/2021 8:26 AM
2	no overcrowding	1/10/2021 3:10 PM
3	Multifamily housing needs integrated services and family friendly criteria.	1/8/2021 1:49 PM
4	Cookie cutter configurations make for depressing neighborhoods. Livability is key.	1/8/2021 12:35 PM
5	Again, never forget that PEOPLE need to live here. They need space and parking, play areas for their children and safe walking areas.	1/8/2021 11:43 AM
6	with the large amount of students in the area multiplex housing is an important option. many of them from GFU are walkers...	1/6/2021 11:21 AM
7	see previous comments	1/5/2021 9:57 PM
8	Move house closer to the street to allow for larger "yard" or landscaped area for all the buildings to enjoy together . Having usable natural areas that are private is very important. I personally do not like so many fences since I feel that makes for alienation from our neighbors. Backyards should be as large as possible.	12/31/2020 10:10 PM
9	We need to allow for various sizes and configurations to encourage people in various stages of life to settle and consider Newberg their home. That requires allowing for various housing styles.	12/31/2020 9:43 AM
10	All units need 2x parking spots minimum.	12/28/2020 2:47 PM
11	Too many units. Creates too much traffic	12/27/2020 4:25 PM
12	Same answer as with duplexes: We do not need smaller lots and more homes jammed into an area. Have you seen the nightmare that is villebois? Or even the neighborhood next to our airport is outrageous! It is so dangerous! If ever there is a need for a fire truck, there is no way for it to access the area. If anything the min lot size needs increased again and parking needs to be onsite not on the street.	12/27/2020 7:26 AM
13	See comments from previous question as they apply here.	12/26/2020 5:48 PM
14	Parking, parking Parking.	12/26/2020 3:21 PM
15	Parking and sidewalks, otherwise you are ruining the town	12/26/2020 2:41 PM
16	Limiting size: especially applies to height	12/26/2020 12:44 PM
17	Parking requirements should be addressed. All units should accommodate on and off street parking for residents/owners.	12/26/2020 11:11 AM
18	Heights of buildings is important. Allowing over two stories dramatically changes the character of neighborhoods.	12/26/2020 10:45 AM
19	adding in garages for parking and keeping prices affordable!	12/26/2020 9:54 AM
20	Same story. Parking and access.	12/26/2020 8:24 AM
21	Again, setbacks should take road visibility and wide sidewalks into account.	12/23/2020 3:33 PM
22	Short term problems shouldn't be ugly longterm solutions	12/22/2020 3:02 PM
23	Not like that towering mess of Sect. 8 in peoples back yards built on Meridain st.	12/22/2020 10:54 AM
24	Developers will want the city to modify housing codes to allow maximum building space on minimum land. They'll claim this allows them to create affordable housing. But they will design projects with insufficient off street parking, pushing vehicles associated with middle housing to park on streets in front of existing single family homes. So any push for middle housing without adequate parking is asking existing homeowners to bear the burden of increased street parking while developers take their profit.	12/22/2020 7:01 AM
25	Yards and space are important for families. Please do not jeopardize the importance of children	12/22/2020 6:17 AM

## Newberg Middle Housing Code Project

	being outside to squeeze more compact housing in small places.	
26	No more mult family housing units!	12/22/2020 5:32 AM
27	Take your garbage housing somewhere else	12/21/2020 7:48 PM
28	City of Newberg needs to field trip to Beaverton's Scholls Ferry & Roy Rogers intersect to see how stacked up the living areas area. And, how poorly the roads & infrastructure is not keeping up.	12/21/2020 4:58 PM
29	The second design in the photos looks great. It achieves shared space while still looking attractive and not over crowded.	12/18/2020 6:38 PM
30	Stop building these terrible houses. They don't help people. Most of them are shoddily built and some have been known to harbor black mold. It is awful to live in.	12/17/2020 11:03 PM
31	Please stop building all of these housing units. All of them. The duplexes, triplexes, etc.	12/17/2020 9:48 PM
32	All of those look like apartments. Don't Newberg into Orange County	12/17/2020 9:43 PM

# Q4 4. How important are the following townhouse code standards?

Answered: 175 Skipped: 17

## Newberg Middle Housing Code Project

	NOT IMPORTANT	SOMEWHAT IMPORTANT	IMPORTANT	VERY IMPORTANT	TOTAL	WEIGHTED AVERAGE
Creating physical/visual connections between dwellings and the street	23.08% 39	28.99% 49	24.26% 41	23.67% 40	169	2.49
Limiting overall size of buildings	19.88% 34	24.56% 42	22.22% 38	33.33% 57	171	2.69
Regulating the minimum and maximum number of units in a single building	15.20% 26	21.05% 36	24.56% 42	39.18% 67	171	2.88
Adding architectural detailing standards to differentiate units	20.47% 35	24.56% 42	28.07% 48	26.90% 46	171	2.61

Addressing the location of parking areas relative to the street and dwellings	4.57% 8	6.29% 11	24.00% 42	65.14% 114	175	3.50

## Newberg Middle Housing Code Project

#	COMMENTS:	DATE
1	Stack it up housing. Total disgrace to the neighborhood. This is the worst abuse of power I have ever seen in this city. So real estate gets the money from this mess. Cars parked all over the roads. No trees.no grass. No parks. Taking our city over for profit.	1/11/2021 8:29 AM
2	don't overcrowd this town	1/10/2021 3:12 PM
3	Integration is key. It does include environment and community.	1/8/2021 1:49 PM
4	Mixed unit sizes per lot helps support a diverse tenant population and enriches the neighborhood.	1/8/2021 12:39 PM
5	It can never be about where to put "residents" but how to enhance the lives or HUMAN BEINGS.	1/8/2021 11:45 AM
6	in this time of need regulations need to be adjusted temporarily. the city needs to look towards communities that have successfully embrace new trends in housing.	1/6/2021 11:23 AM
7	I think the above opinion system is unclear. I did not feel clear as to my being for or against the description or just that it was important to be felt with.?? Are underground garages not an option? I think garages in the front are UGLY and take up good area that could be a natural area. Garages should be in the rear or underground.	12/31/2020 10:15 PM
8	People needs to feel they have some choices with where and how they live. The houses also must be seen as home. The ability to own a home or rent a nicely developed space, correlates to a more successful life.	12/31/2020 9:46 AM
9	Not impressed with this concept; too many units.	12/30/2020 3:04 PM
10	Many people will live in these dwellings. Parking is always a challenge and leads to safety problems for children and others when everyone parks on the street and visibility is limited.	12/30/2020 12:51 PM
11	Alley / Rear parking is the preferred	12/30/2020 7:05 AM
12	In a place with soaring property values, you logically cannot grow without either suburban sprawl or higher density housing. We should reward higher density residential--more people who can afford to live here where they work, the less strain on infrastructure.	12/27/2020 10:08 PM
13	More opportunities to buy. Less traffic riff raff	12/27/2020 4:26 PM
14	We do not need smaller lots and more homes jammed into an area. Have you seen the nightmare that is villebois? Or even the neighborhood next to our airport is outrageous! It is so dangerous! If ever there is a need for a fire truck, there is no way for it to access the area. If anything the min lot size needs increased again and parking needs to be onsite not on the street.	12/27/2020 7:27 AM
15	Townhouses should have a minimum of 3 parking spaces NOT including the garage.	12/26/2020 3:22 PM
16	There is already a population density issue in town and parking and sidewalks are a joke. Make del Boca vista fix up our town for a change and stop letting them rape us for profit	12/26/2020 2:43 PM
17	Rear garages have more curb appeal	12/26/2020 2:02 PM
18	Visual impact on neighborhoods is super important	12/26/2020 12:45 PM
19	Do not permit no onsite parking units please! Parking problems impact neighborhoods dramatically.	12/26/2020 10:48 AM
20	Again, setbacks should take road visibility and wide sidewalks into account	12/23/2020 3:34 PM
21	Affordable shouldn't mean cheaply smashed together with high hoa	12/22/2020 3:03 PM
22	Dont need a towering ugly structure that is over bearing on neighbors like the new GFU building on Villa rd.	12/22/2020 10:55 AM
23	Yards and space are important for families. Please do not jeopardize the importance of children being outside to squeeze more compact housing in small places.	12/22/2020 6:17 AM
24	No more town houses.	12/22/2020 5:33 AM
25	No Modifying set backs to allow more units for any form of multi family housing.	12/21/2020 5:34 PM

## Newberg Middle Housing Code Project

26	Newberg streets will never be able to handle the increased traffic & support of fire & public safety departments.	12/21/2020 4:59 PM
27	Having parking in the back with shared green space in between rows of driveways for kids to play.	12/18/2020 6:45 PM
28	This is a rural community. Don't turn it into a big city with huge rows of houses. They did it in Beaverton and it's awful. All of these additions of tons of houses on small lots don't contribute to the overall economy of our town. They just feed money into the pockets of big corporations who swoop in and build things up. It's not good for our town.	12/17/2020 11:07 PM
29	Looks like Beaverton or Orange County CA. Don't ruin Newberg with all theses attachment homes	12/17/2020 9:44 PM
30	Who cares what they look like? The rent prices in Newberg are unaffordable. Just having more places to tip the market in the favor of renters/buyers is a great start.	12/17/2020 5:34 PM

# Q5 5. How important are the following cottage cluster code standards?

Answered: 171 Skipped: 21

## Newberg Middle Housing Code Project

■ Not important   
 ■ Somewhat important   
 ■ Important   
 ■ Very important

	NOT IMPORTANT	SOMEWHAT IMPORTANT	IMPORTANT	VERY IMPORTANT	TOTAL	WEIGHTED AVERAGE
Orienting cottages around a shared courtyard area	27.98% 47	22.62% 38	27.98% 47	21.43% 36	168	2.43
Limiting overall size of the cottages	26.95% 45	24.55% 41	20.96% 35	27.54% 46	167	2.49
Creating physical/visual connections between dwellings and the street	23.35% 39	30.54% 51	20.36% 34	25.75% 43	167	2.49
Modifying setbacks and lot coverage standards to allow for more units	40.48% 68	23.21% 39	14.88% 25	21.43% 36	168	2.17
Providing options for shared parking or parking close to each cottage	2.94% 5	8.24% 14	24.71% 42	64.12% 109	170	3.50

## Newberg Middle Housing Code Project

#	COMMENTS:	DATE
1	These places have no ysrds. Children must play in the road. No yards for dogs. Pets get run over. How do you have your kids play ball in the back yard. Such a sad building future. These dont care about families of kids. Just want to sell to millennials who have no kids. Really bad plan. No parking for elderly or mothers dragging groceries home. Really a pipe dream. Who came up with this stuff in the first place? Real estate people who sell to millenials? Tunnel vision!!	1/11/2021 8:34 AM
2	do not overcrowd this town	1/10/2021 3:12 PM
3	Even cottages in the same complex do not need to be cookie cutters just because it pencils out better.	1/8/2021 1:49 PM
4	Integrating clusters with the larger neighborhood is vital to the success of the development. Clear lines of sight to community areas help occupants feel safe.	1/8/2021 12:45 PM
5	This stuff is easy if every decision maker thinks "How would I want it to be if I lived here?"	1/8/2021 11:46 AM
6	this type of housing is not new its just been phased out because of the codes. in the eary 20th century this was a common setup. you see remnants still used in many communities including Newberg. These would be very useful and very similar to tiny housing pods used in Portland. The city needs to look outward to communities that has successfully embraced nonstandard forms of new construction.	1/6/2021 11:26 AM
7	important and not important are not great answer choices. Was my comment important or not important	1/5/2021 10:00 PM
8	These are good. Best to be able to sit on the porch and not see or be seen by neighbors next door.	12/31/2020 10:18 PM
9	Needs to be affordable!	12/31/2020 11:15 AM
10	People need these choices to feel like they have a real home, we need creative ways to house our people, and we need our community to grow and thrive	12/31/2020 9:47 AM
11	This is the best concept of all, I believe. Creates a sense of community, is attractive, accessible for older people, and more attractive personal space.	12/30/2020 3:08 PM
12	If builders and developers can make money with residential units they can sell, they will build more affordable housing. Fewer units per acre, more expensive each becomes.	12/27/2020 10:10 PM
13	Too many units too much traffic and riff raff	12/27/2020 4:27 PM
14	This is my favorite option for our town. they remain small and unobstructive	12/27/2020 8:42 AM
15	We do not need smaller lots and more homes jammed into an area. Have you seen the nightmare that is villebois? Or even the neighborhood next to our airport is outrageous! It is so dangerous! If ever there is a need for a fire truck, there is no way for it to access the area. If anything the min lot size needs increased again and parking needs to be onsite not on the street.	12/27/2020 7:28 AM
16	Size should be market driven	12/26/2020 8:32 PM
17	More Parking!	12/26/2020 3:23 PM
18	Don't forget adequate parking	12/26/2020 2:43 PM
19	Consider a cluster for low income families.	12/26/2020 2:39 PM
20	Not a fan of this layout altogether	12/26/2020 2:03 PM
21	Overall size limits: especially height	12/26/2020 12:46 PM
22	would be nice to have detached garages for these too	12/26/2020 9:56 AM
23	These units have created problems over near old 99w.	12/23/2020 10:11 PM
24	Again, setbacks should take road visibility and wide sidewalks into account. Also, promoting off road parking, walkability of areas, adding parks should be a top priority.	12/23/2020 3:37 PM
25	Privacy is important.	12/22/2020 3:04 PM

## Newberg Middle Housing Code Project

26	Yards and space are important for families. Please do not jeopardize the importance of children being outside to squeeze more compact housing in small places.	12/22/2020 6:18 AM
27	This is a bad idea also	12/22/2020 5:33 AM
28	Take this shit to McMinnville	12/21/2020 7:50 PM
29	No modifications of set backs or anyother codes	12/21/2020 5:35 PM
30	This is likely the best option presented in this survey	12/21/2020 5:01 PM
31	These look great and I'm sure collage kids from George Fox would like the shared space. I love that you can walk or bike almost anywhere in newberg easily. If these units were small enough to be affordable and located close enough to business centers they would be a good fit for peoples needs.	12/18/2020 6:58 PM
32	Just build regular single family houses so that there are good options to move to. Then we can sell our one-family house and another family can move in and grow here. Don't rush the process by building a ton of tiny homes.	12/17/2020 11:09 PM
33	These are over 50 homes and they need garages or the streets of Newberg will be all cars	12/17/2020 9:45 PM

**Q6 6. Can you think of any other barriers to developing middle housing in Newberg?**

Answered: 87 Skipped: 105

## Newberg Middle Housing Code Project

#	RESPONSES	DATE
1	Walkability to services-i.e. restaurants, shops The livability of Newberg-i.e. lack of childcare, unwelcoming atmosphere for diverse populations	1/11/2021 12:31 PM
2	Reality. This stuff is totally ludicrous. No input from public. Just another sell out by state politicians to big money real estate. Take our land. Take our houses. Why not just use eminent domain to force us out of our homes now and build this stuff to sell to cry baby millenials.	1/11/2021 8:38 AM
3	Allow for some more mobile homes so people can afford a decent home.	1/10/2021 3:14 PM
4	Potential impact on schools/student population #'s	1/9/2021 7:52 AM
5	Lack of local participation in the development process	1/8/2021 1:50 PM
6	While outside investment plays an important role in development, community participation in planning mitigates the potential dissatisfaction the current population. 0 community input times any variable of investment \$ = unsatisfactory product.	1/8/2021 12:52 PM
7	We want to resist urbanization as much as possible. Human beings need privacy and breathing room, a quiet space for intimacy with their selves and relations. Overcrowding just to create "housing" leads to unhappiness. Parks, streets, walkways all need keep up with population. The high cost of housing is due to manipulation by banks and developers and has little to do with actual demand. If someone can buy a new 2500 sq ft house in Ohio for \$300,000, then we in Oregon should also be able to get that house here.	1/8/2021 11:54 AM
8	Fees charged to the developer that disincentives building low income housing.	1/7/2021 11:39 AM
9	Homeowner's associations. They're terrible and usually classist and should not be a thing, especially in middle housing that is supposed to be more affordable.	1/7/2021 12:58 AM
10	Don't loose the city to make this happen. Keep newberg what it is growing into. A destination for tourist	1/6/2021 9:44 PM
11	being sure there are schools and other community services for new population in the community	1/6/2021 7:13 PM
12	Zone for it. Push back against a house bill no one here voted on.	1/6/2021 3:50 PM
13	Regulations that will not permit such dwellings	1/6/2021 2:28 PM
14	zoning, strict sets of beautification requirements and fears of property values being effected. Tiny housing pods are not the devil.	1/6/2021 11:35 AM
15	More housing equals more cars and people. Do we have the infrastructure to support this? Even the police drive around the potholes in our neighborhood. That is, the few police that we have.	1/5/2021 10:04 PM
16	Not affordable for locals.	1/3/2021 7:20 PM
17	No	1/3/2021 10:52 AM
18	no	1/2/2021 6:09 PM
19	do water, stormwater, and wastewater systems need to be enlarged for higher density housing?	1/2/2021 2:14 PM
20	The insides need sensitive practical treatment. consider pocket doors, window over kitchen sink, solar, skylights.	12/31/2020 10:22 PM
21	Government	12/31/2020 2:11 PM
22	People who employ NIMBY. Don't want rentals or lower income housing in their neighborhoods.	12/31/2020 11:17 AM
23	Parking issues are important. School crowding is a big issue, as well.	12/31/2020 8:20 AM
24	Available land in City or incorporating county property into City.	12/30/2020 3:10 PM
25	The NIMBY mindset	12/30/2020 2:42 PM
26	Adequate parking and good green space allocation, so folks have open spaces to use, but not maintain.	12/30/2020 12:54 PM
27	parking requirements (less), lot coverage ratios (more lot coverage allowed)	12/30/2020 7:08 AM

## Newberg Middle Housing Code Project

28	Consider communities around the place where these middle housing are built. For example, maybe that community is mostly single family house neighborhood and resident there may not like to have middle housing community; for example, maybe the place is in the middle of factory land, and it is not good for middle housing resident.	12/29/2020 10:52 AM
29	Visual impact. No huge buildings overpowering the neighborhoods. Keep visual effect compatible with neighborhood.	12/28/2020 7:33 PM
30	Support of more cottages and ADUs, less townhomes. Greenspace is very important.	12/28/2020 2:47 PM
31	opposition to developing alternative housing options for existing properties. Make it easy for people to add a bathroom and a bedroom to rent.	12/27/2020 10:18 PM
32	Need opportunities to buy.	12/27/2020 4:29 PM
33	The cost is to high	12/27/2020 8:48 AM
34	Yeah, everywhere that has tried this type of approach has failed. People that actually pay taxes don't want to live next to low income housing. It drives out all the higher income people, and then decreases property values leading to crime. Do a basic amount of research on areas that have tried it. I watched the Villa in Portland try the same tactic and it failed miserably.	12/26/2020 11:37 PM
35	Proximity to public transit, amenities	12/26/2020 8:33 PM
36	No.	12/26/2020 6:49 PM
37	Greed	12/26/2020 6:18 PM
38	Other than which barriers?	12/26/2020 5:50 PM
39	Lack of available land parcels, older narrow streets, many already small lots, unfinished streets, lack of sidewalks, lack of bike paths not in roadways, deteriorating sewer and water sysyrms	12/26/2020 5:27 PM
40	Never enough parking.	12/26/2020 3:24 PM
41	Don't do it	12/26/2020 2:44 PM
42	Your engineering department with rain garden requirements.	12/26/2020 1:34 PM
43	Consider the visual impact on existing neighborhoods	12/26/2020 12:47 PM
44	High cost of building permits	12/26/2020 12:41 PM
45	Parking will be the biggest ongoing issue.	12/26/2020 11:13 AM
46	Aesthetics! In Portland new, three-story glass and steel units, usually without onsite parking, overshadow and overpower existing traditional craftsman style homes, ruining the character of neighborhoods. Please, please don't let that happen here.	12/26/2020 11:04 AM
47	Parking is the biggest issue, along with adding more street lights at intersections vs. stop signs. As well as safe, walkable sidewalks.	12/26/2020 10:16 AM
48	cost. to many are built and to pricey for average person	12/26/2020 9:56 AM
49	Thoughtful design, reasonable adjustments to setbacks and community space/buffers, and ADEQUATE parking and access for these types of developments. We have done a poor job of managing this aspect for the sake of higher density. We have the opportunity to create quality liveable communities or we can continue to allow developers to simply slam as many units in as possible with little to no thought about long term implications.	12/26/2020 8:31 AM
50	Contractors get majority of lots making it harder for average person to buy a lot. Property tax is very high	12/25/2020 4:12 PM
51	None	12/23/2020 4:58 PM
52	More areas in a walkable distance to downtown Newberg should be opened for development, especially near-waterfront areas.	12/23/2020 3:41 PM
53	Systems Development Charges should be reduced in proportion to building size or even subsidized by large home development. Greater density for cottage development will not be achieved if current stormwater standards are applied. The city should allow rain gardens for	12/23/2020 11:08 AM

## Newberg Middle Housing Code Project

storm detention and provide a standard design method similar to the LIDA design sheet so that a developer does not need to spend \$3K-\$6K on engineering design effort.

54	Appeal, do not want to lose the charm or quality of life a a small town and turn it into Beaverton.	12/23/2020 4:46 AM
55	Zoning will be important. I hate developers making lots of money by shoving too many houses in small lots. Also condo hoa doesn't go toward any equity causing a cycle of income inequality with house values.	12/22/2020 3:08 PM
56	It brings crime	12/22/2020 9:18 AM
57	High permit fees	12/22/2020 8:59 AM
58	Parking is a HUGE issue. Size of the other homes in the area.	12/22/2020 8:14 AM
59	We do not need middle housing, we need business.	12/22/2020 5:37 AM
60	Price	12/22/2020 1:37 AM
61	No	12/22/2020 1:13 AM
62	The completely stupid attitude that housing density is important. Look at history, housing density means more health problems. Just look at the mental illness of the illiberal liberals!	12/21/2020 11:47 PM
63	Make them actually affordable and available to those who can't afford the overpriced housing that is already available.	12/21/2020 9:58 PM
64	Cost. There needs to be more housing options for low income and no income families. There has to be something else besides putting a name on a list and having to wait three or more years for help.	12/21/2020 9:45 PM
65	Needs to be affordable for seniors who are very dependable but have limited income	12/21/2020 9:38 PM
66	The traffic issues have not been addressed as well as lack of parking and pedestrian safety.	12/21/2020 9:02 PM
67	We don't want it in Newberg	12/21/2020 7:52 PM
68	Neighborhood associations? Expensive/time-consuming permitting process?	12/21/2020 6:31 PM
69	Permit fees	12/21/2020 5:38 PM
70	Limit multi family housing as much as possible keep Newberg liveable with nice neighborhoods and single family dwellings and less Crime Hubs such as apartment complexes ect	12/21/2020 5:38 PM
71	Lack of a comprehensive plan that makes it realistic for working class people to spend no more than 30% of their net income on housing, let alone provide a path to home ownership.	12/21/2020 11:48 AM
72	Unclear, contradicting rules/regulations. Limit ability to have homes (ie. tiny homes) brought in on an axle.	12/20/2020 8:50 AM
73	Parking is a huge issue.	12/19/2020 9:50 AM
74	Newberg lacks Space to develop while still maintaining the small town character that draws people here. Cleaning up and developing existing lots will improve the town. Keeping new construction matching the older buildings styling so it is harmonious while using modern construction techniques is challenging. I think creative solutions can be found.	12/18/2020 7:40 PM
75	Reaching out to people locally before you reach out to outsiders	12/18/2020 2:59 PM
76	Newberg is already becoming overpopulated. We moved here 4 years ago after getting married and living 2 years in a duplex in Sherwood. We started our family here. And we are having trouble moving forward because we don't want to live in a town that is overrun with tiny houses with no parking. Newberg is the nice middle in between my and my spouses' full time jobs (one in Portland, one in McMinnville) so we can't move in either direction, we would like to stay here in this town. But we aren't in Portland and this shouldn't be like Portland, or Beaverton, or Hillsboro.	12/17/2020 11:15 PM
77	Please quit ruining Newberg with these units! Housing is already very affordable here in the grand scheme of Oregon housing. Please stop.	12/17/2020 9:51 PM
78	Stop all the low income housing. The churches can't handle all the needs	12/17/2020 9:47 PM

## Newberg Middle Housing Code Project

79	Lets have nice lots 7500sq ft minimum with 1 level homes for our retired folks that have money, guaranteed income and keep up their yards and don't have a bunch of junk cars sitting around like many of the apartment complexes.	12/17/2020 9:38 PM
80	No	12/17/2020 8:33 PM
81	Permitting costs. The city fees associated with building have become prohibitive to affordable housing.	12/17/2020 7:35 PM
82	Traffic on both sides of the street can be a nightmare.	12/17/2020 4:05 PM
83	Parking is a huge issue. I live in a duplex and there needs to be enough parking for multiple cars. Especially in Newberg with all the Fox students.	12/17/2020 4:02 PM
84	Will it still be affordable for the people that we are in need of rental housing?	12/17/2020 2:49 PM
85	I'm reminded of when GFU built another dorm building on Villa Rd. The amount of parking spaces was apparently according to code and the Newberg Planning Commission approved it. Once the dorm was finished and students moved in, parking was a horrible issue on Villa Rd and other nearby roads. It is still an issue. My concern with developing middle housing is that parking will continue to be a bigger issue. On-street parking does help alleviate that issue, but only if the road is well equipped for that. Many roads in Newberg are not wide enough to accommodate parking on both sides and will only receive more wear and tear that they already can't handle. Despite this, I do think middle housing is a great idea and would provide more affordable housing for our community.	12/17/2020 2:31 PM
86	costs -- keeping costs affordable for everyone	12/17/2020 1:23 PM

## Q7 7. Is there anything else you would like to share about the Newberg Middle Housing Project?

Answered: 75 Skipped: 117

## Newberg Middle Housing Code Project

#	RESPONSES	DATE
1	Total sell out to big money interests and big deal estate. Worst example of state government selling city out I have ever seen.	1/11/2021 8:38 AM
2	Please do not densely pack this town with homes.	1/10/2021 3:14 PM
3	Please proceed with caution. Many mistakes are being made because people do not know how to respond to a crisis, especially crises that have so many layers of policy, financing, and livability. Stakeholder engagement should be visibly documented and translated to encourage broad participation and build trust before bricks and sticks. Thank you for asking these important questions. I would like to be kept in the loop. Please feel free to contact me with instructions about how to sign up for updates.	1/8/2021 1:50 PM
4	I am middle income and am part of the target demographic. This matters to me.	1/8/2021 12:52 PM
5	Thank you for requesting feedback. I don't envy your position of getting between the Housing Code and the greed of developers and banks.	1/8/2021 11:54 AM
6	I'm excited about this, both as someone who believes housing is a human right and as someone who has been trying to buy their first home for several months now, and not had success because of being constantly out-offered. I would also like to share my hope that middle housing will allow pets, because pet ownership should not be limited to only those who can afford to own houses with big yards. And in support of pet ownership in middle housing, as well as just people's ability to spend time outside in their own neighborhood, middle housing should always be near well-maintained, walkable sidewalks and hopefully within walking distance of accessible green spaces, for the enjoyment of people and (well behaved/under control) pets alike.	1/7/2021 12:58 AM
7	No	1/6/2021 9:44 PM
8	Thank you for addressing the need for affordable housing in Newberg!	1/6/2021 1:00 PM
9	<a href="http://www.luxtiny.com/az-tiny-home-models/">http://www.luxtiny.com/az-tiny-home-models/</a> <a href="https://tinyhousegiantjourney.com/2020/07/02/coastal-tiny-house-community">https://tinyhousegiantjourney.com/2020/07/02/coastal-tiny-house-community</a>	1/6/2021 11:35 AM
10	Please find a way to get the majority of residents opinion in a new, higher quality survey.	1/5/2021 10:04 PM
11	with a surplus of single family (R-1) land, middle housing provides a good opportunity to increase the supply of affordable housing.	1/4/2021 8:36 AM
12	Let's do it!	1/3/2021 7:01 PM
13	Density of population in terms of impact on traffic.	1/3/2021 10:52 AM
14	no	1/2/2021 6:09 PM
15	These tend to be cheaply built housing and within a few years are run down. They turn into rentals and a lot of the tenants don't care about the appearance in and around the neighborhood. A suggestion might be to have HOA's for each new development.	1/1/2021 12:24 PM
16	I always have plenty of ideas (ha). If I could see specific plans and details I could probably come up with more observations or ideas.	12/31/2020 10:22 PM
17	Stop the permit abuse	12/31/2020 2:11 PM
18	We need truly affordable housing for people who earn minimum wage & those on limited incomes.	12/31/2020 11:17 AM
19	An excellent idea and would benefit many.	12/30/2020 3:10 PM
20	Multi stories and mixed use	12/30/2020 2:42 PM
21	Not totally sure if this could fit here, but I would like to see zoning support tiny houses, if it does not already.	12/30/2020 1:33 PM
22	This will be the most needed housing in the future as so many begin to leave the unruly metropolitan areas for suburbia.	12/30/2020 12:54 PM
23	100% behind this, we need more middle housing - it provides opportunities for small landlords, and for owner occupants to defray the cost of ownership through renting 1-2-3 units.	12/30/2020 7:08 AM

## Newberg Middle Housing Code Project

24	Keep it transport of how tax money, investor money is handled during this middle housing project.	12/29/2020 10:52 AM
25	Parking is huge. Every dwelling must have off street parking.	12/28/2020 7:33 PM
26	Include tiny homes along with cottage layouts	12/28/2020 12:43 PM
27	Higher density should be one of the highest priority goals. Land prices are outrageous here, which makes traditional thinking about housing development obsolete. If a buildable lot costs \$100,000, even two units will not be affordable to most of the people who work in Newberg. Quit building to attract commuters. When I was a child, our family of 5 lived comfortably in a 700 square foot house. Now that would be considered almost poverty housing. Let's get out in the lead for smaller footprint options. It is more automobiles, not bigger buildings, that will strip Newberg of its small town feel. Now it is commonly the case that graduates from Newberg High School--people who have lived here all of their lives--cannot afford to live here if they don't live with their parents. This is shameful, regressive, and in the medium-term will do great damage to our community.	12/27/2020 10:18 PM
28	Too many apartments cause riff raff and trashiness in the neighborhood	12/27/2020 4:29 PM
29	Include more native plants and trees in your builds	12/27/2020 8:48 AM
30	I will move out of Newberg and take my tax dollars with me if this is the direction the city is headed.	12/26/2020 11:37 PM
31	No.	12/26/2020 6:49 PM
32	I hope this survey isn't an indication of how the Project is being conducted. It is a fairly poorly written survey. Questions are far too vague.	12/26/2020 5:50 PM
33	No	12/26/2020 5:27 PM
34	This will not help our town	12/26/2020 2:44 PM
35	Please consider to address the homeless in our area. It costs more to care for someone homeless than it is to actually give them a place to live.	12/26/2020 2:42 PM
36	I don't feel that there should be any middle housing developments in Newberg	12/26/2020 2:10 PM
37	Keep neighborhoods livable and in character with existing buildings	12/26/2020 12:47 PM
38	Tiny homes should be allowed; since many are "pre-fab" the permit fees should be reduced to reflect the lack of work required by permit department	12/26/2020 12:41 PM
39	Parking, parking, parking. Easy access from parking to unit.	12/26/2020 12:30 PM
40	Preserving the character and livability of existing neighborhoods is paramount. Ensuring onsite parking, limiting height, and requiring new dwellings to be stylistically compatible with existing dwellings are the best ways to ensure character and livability are preserved.	12/26/2020 11:04 AM
41	no	12/26/2020 9:56 AM
42	None	12/23/2020 4:58 PM
43	Affordable buying options need to be considered more than rental options. Rental options are important, but owning a house is the main way citizens build wealth since a home is usually the largest asset a person owns.	12/23/2020 3:41 PM
44	Middle housing should be permitted on minimum lot sizes per the underlining zoning, not 7,000sf.	12/23/2020 11:08 AM
45	Can decrease value of property nearby and single family homes; quality of life issues.	12/23/2020 4:46 AM
46	If the city has high expectations of developers they'll rise to meet it, don't settle. Help our town keep charm and provide excellent affordable housing.	12/22/2020 3:08 PM
47	If older adults (over 65) are the target buyers for some of the middle housing options, it would be strategic to have these new developments be close to community resources and grocery stores or at least a bus stop. May elderly people can remain in their own home and continue living independently if they are in walking or close driving distance to grocery stores.	12/22/2020 2:40 PM
48	Don't do it and destroy our city	12/22/2020 9:18 AM

## Newberg Middle Housing Code Project

49	Hope this also applies to all the upper end neighborhood developments in the city too.	12/22/2020 8:14 AM
50	Don't ask existing homeowners to have their streets clogged with parked vehicles from new higher density housing.	12/22/2020 7:05 AM
51	This is not a project the city council should be working on, stop trying to to put the problems of other metro cities into your agenda. Focus on getting new business's into Newberg and taking care of the citizens that already live here, instead of trying to pack as many people into city limits like you're trying to do.	12/22/2020 5:37 AM
52	It would be nice to have standard houses built instead of mini condos or apartments. Nice neighborhoods bring family's.	12/22/2020 1:13 AM
53	It is stupid!	12/21/2020 11:47 PM
54	I know that Newberg is progressing but at some point there needs to be an end to it.	12/21/2020 9:58 PM
55	Please create help for low income and no income families.	12/21/2020 9:45 PM
56	Much needed housing	12/21/2020 9:38 PM
57	To many houses crammed together with a small-slice of pavement is bad for Newberg. We need more green spaces and access to the river and recreation to improve the livability of this town.	12/21/2020 9:02 PM
58	Take your bullshit low income house and the crime that goes with it to Portland where it belongs	12/21/2020 7:52 PM
59	Thanks for thinking ahead! People who work in Newberg must be able to afford living in Newberg	12/21/2020 6:31 PM
60	Limit multi family housing as much as possible keep Newberg liveable with nice neighborhoods and single family dwellings and less Crime Hubs such as apartment complexes ect	12/21/2020 5:38 PM
61	What areas is Newberg considering to place these homes? Sincerely hope Newberg is not thinking oof tearing down existing homes & buildings.	12/21/2020 5:02 PM
62	Expand this project to help make it more doable to have ADU's and other smaller footprint homes to be added to properties.	12/20/2020 8:50 AM
63	Feel having enough parking and access to outside areas is very important for the sake of both our town and residents.	12/19/2020 1:21 PM
64	Allow for lots of parking. Give folks some space with their homes. Bigger lot sizes.	12/19/2020 9:50 AM
65	Making sure there is enough parking.	12/19/2020 1:39 AM
66	I appreciate the need and requirements for affordable housing. We need to make sure it fits the town and do it in a thoughtful manner. The bi pass was sold to newberg as an answer to traffic but drops you out at a random section of the 18 with no good path to continue. The traffic times listed on the sign for the 99 vs the bipartisan are almost always the same. It has hurt the character of Newberg by casting a shadow on some of the houses in town and goes within yards of the second story of a duplex.That is awful. We want projects that make us feel good about where we live. Properly done new housing can gel with the town and serve the needs of people. Affordable units within walking distance of services are a perfect fit. Blocking views of the river and the forested hills would be bad.	12/18/2020 7:40 PM
67	Stop middle housing!!!	12/17/2020 9:51 PM
68	Where are all the kids going to go to school? Build new schools and staff before we build more low income housing.	12/17/2020 9:47 PM
69	I think all this focus on affordable housing is ridiculous. Look at north newberg compared to south newberg. The north is much more desired because it has been kept and has nice appealing homes not a duplex with 5 junk cars parked out front.	12/17/2020 9:38 PM
70	I think location is important. Placing new housing developments in places where amenities can be easily accessed is crucial. Also, irritating housing into neighborhoods is critical. Is prefer many smaller clusters of housing throughout the town versus one large development.	12/17/2020 8:33 PM
71	It is extremely important that these types of developments are not built within existing	12/17/2020 7:35 PM

## Newberg Middle Housing Code Project

neighborhoods. Citizens purchased within those neighborhoods expecting similar constructions around them based on the single family zoning. If a developer now crams in multi-family properties, it will impact parking, livability and have a massive impact on property values. We must protect property values for those that have invested hundreds of thousands of dollars into their homes.

72	Just glad this is being talked about, thanks.	12/17/2020 5:35 PM
73	Thank you for taking the time to do this. We need more housing options for our community.	12/17/2020 4:02 PM
74	Great idea. Building more single-family units smashed into smaller and smaller lots is not the answer to 'affordable' housing. Creating liveable, desirable, and affordable multi-unit rentals is going to go a long way to meeting the demand.	12/17/2020 2:49 PM
75	Cookie cutter housing is ugly	12/17/2020 11:57 AM

Total Respondents: 66		

## Newberg Middle Housing - Proposed Code Changes

#	WHY?	DATE
1	It just brings more non affordable housing	3/12/2021 12:21 PM
2	That is almost the size! Ridiculous!!	3/11/2021 6:11 PM
3	We need more off street parking in Newberg.	3/10/2021 2:31 PM
4	It depends on how effective the estimated increase of off-street parking is. If it is found that reducing the distance really doesn't increase off-street parking, then it would be best to keep the 40 foot separation. However, if there is a significant gain in off-street parking, then I am for the change to 22 foot spacing.	3/10/2021 10:27 AM
5	The south side of Newberg has a lack of parking. Reducing spacing will increase parking on the crowded streets.	3/9/2021 7:56 PM
6	Less street parking, more safety risks due to poor visibility	3/6/2021 9:32 AM
7	Real homes	3/5/2021 4:46 PM
8	This will provide more opportunity/flexibility for increasing density and housing	3/5/2021 3:57 PM
9	On street parking is dangerous	3/5/2021 5:23 AM
10	renters typically have more than 1 vehicle, quickly filling on street parking and clogging surrounding streets, increasing accidents also with decreased space and visibility for kids playing/pedestrians. Also becomes too tight for emergency vehicles.	3/4/2021 8:26 PM
11	With more driveways there is less on-street parking, making it more likely that the on-street parking is full. Then pulling out of driveways will have decreased visability.	3/4/2021 2:03 PM
12	I think there is a shortage already for this scenario. Adding more townhouses/condos...means more cars. You and I know that there is never just one car per household.	3/4/2021 10:05 AM
13	Too many cars make for dangerous areas where kids play plus there already isn't enough room for garbage and recycling.	3/4/2021 1:27 AM
14	Depending on the neighborhood it's in. If near parks or places people that are not residents would be frequenting, then street parking is necessary	3/3/2021 1:11 PM
15	Less street parking for residents.	3/3/2021 1:03 PM
16	There needs to be parking but we need to balance it with the need for trees and utilities	3/3/2021 12:35 PM
17	28'	3/3/2021 11:26 AM
18	Over crowding and the pressure to reduce attractive landscaping.	3/1/2021 4:39 PM
19	Reduced spacing seems like it may make these housing-types easier to build and market, but maybe that could also occur with shared driveways. Street trees and the urban tree canopy are also important, but even with the reduced spacing, 22 feet seems like it would allow for a street tree between driveways.	3/1/2021 2:01 PM
20	I like the idea of getting the cars off the street an on to the owners property.	2/27/2021 6:50 AM
21	40ft vs 22ft. I dont like being close to my neighbors	2/26/2021 8:53 AM
22	High a density housing has no place in newberg	2/26/2021 6:38 AM
23	Street trees are a priority. They add beauty, support wildlife, and reduce summer temperatures.	2/25/2021 11:21 PM
24	On-street parking is generally inadequate in Newberg. This will make it worse. "This may also allow for more off-street parking space" doesn't seem correct. It seems that the same amount of off-street parking should be achievable with a single driveway.	2/25/2021 11:10 PM
25	Parking is already an issue and most homes have at least 2 vehicles per family. Garage space is more often used for storage than vehicles.	2/25/2021 3:23 PM

### Q6 6. What is the maximum number of units the City should allow in a single townhouse development?

Answered: 63 Skipped: 9

ANSWER CHOICES	RESPONSES	
4 units in all zones	42.86%	27
6 units in all zones	11.11%	7
8 units in all zones	12.70%	8
4 units in the low density R-1 zone and 8 units in the medium and high density R-2, R-3, RP, and AR zones	26.98%	17
Other	6.35%	4
<b>TOTAL</b>		<b>63</b>

## Newberg Middle Housing - Proposed Code Changes

#	EXPLAIN:	DATE
1	Four is plenty.	3/11/2021 6:12 PM
2	People don't need to be on top of each other.	3/10/2021 2:35 PM
3	Should not be allowed at all	3/6/2021 8:29 PM
4	Real homes	3/5/2021 4:46 PM
5	The town can't support more density than this with out compromising our quality of life in town. Squeezing people in tight spaces is the opposite of open spaces and freedom this thing town has now	3/5/2021 11:15 AM
6	too much population density placed in any neighborhood creates problems for the neighborhood, growing too fast: multiplied exponentially traffic, noise, kids needing space, conflicts, diminished privacy. People live in less dense areas to avoid these problems, not to have them thrust upon them & be told "live with it".	3/4/2021 8:34 PM
7	4 units in R-1, 6 units in medium R-2, and 8 units in high R-3	3/4/2021 2:09 PM
8	I'm not sure it matters regarding the number of homes. How will Newberg support the raise in population? Water, sewage, traffic congestion, availability for everyday food needs?	3/4/2021 10:08 AM
9	The city needs a greater diversity of housing-types. Allowing up to 8 townhouse units in a single development in all zones will encourage a greater number of units to happen more efficiently.	3/1/2021 2:04 PM
10	4 units in R-1, 6 in all other zones.	2/27/2021 6:52 AM
11	No multiple units in R-1 zones. No more than 4 in any other zone.	2/25/2021 7:52 PM

### Q7 7. Do you support increasing the maximum building coverage for townhouses from 40-50% to 60% in all zones?

Answered: 66 Skipped: 6

ANSWER CHOICES	RESPONSES	
Do not support	48.48%	32
Support with reservations	19.70%	13
Support	22.73%	15
Strongly support	9.09%	6
Total Respondents: 66		

## Newberg Middle Housing - Proposed Code Changes

#	WHY?	DATE
1	My home is my biggest investment and I would like to keep it that way. This will lower my property value.	3/11/2021 6:14 PM
2	More room for better use of space for townhouses would be good, however, I wouldn't want the neighborhood to visually be just garages.	3/10/2021 10:31 AM
3	prioirty should be affordable housing. Anything that might cause an increase should be avoided	3/8/2021 2:13 PM
4	Looks like junk	3/6/2021 9:32 AM
5	Real homes	3/5/2021 4:46 PM
6	Having no yard or green spaces and having houses so close together disrupts the quality of life and privacy in our town.	3/5/2021 11:17 AM
7	fire risk is much higher with no side yard setbacks, also making access to back of property very difficult, causing loss of life/property.	3/4/2021 8:37 PM
8	I would keep the 40-50% in R1 low density	3/4/2021 2:11 PM
9	Is this the only choice? Are you building next to a bus zone? What are other countries doing that have outpaced people to properties? Should you be looking at a bigger foot print for apartments/condo buildings that support more people were the garage would cover the bottom floor and keep cars off the street?	3/4/2021 10:12 AM
10	Adequate parking is important	3/3/2021 1:13 PM
11	Not sure I completely understand. It is important to maintain space for patio living and landscaping.	3/1/2021 4:40 PM
12	Allowing 60% coverage doesn't mandate 60% coverage so it increase options and flexibility.	3/1/2021 2:06 PM
13	Let's not become like Portland where small homes are dwarfed and shaded by surrounding new construction. Keep new construction proportional to neighbors	2/25/2021 11:25 PM
14	The claim that an increase in coverage limit may allow for more off-street parking does not seem accurate. Why couldn't that space have been used for off-street parking without the additional coverage?	2/25/2021 11:16 PM
15	Multi-family units in a single lot is a truly horrible idea!	2/25/2021 7:53 PM
16	Quality of life, parking, and other issues for all neighbors will be affected.	2/25/2021 3:24 PM
17	Most people in a townhome don't want to spend their time maintaining a yard	2/25/2021 2:54 PM

### Q8 8. How important are each of the following elements in regulating cottage cluster parking areas in residential neighborhoods?

Answered: 63 Skipped: 9

## Newberg Middle Housing - Proposed Code Changes

■ Not important   
 ■ Somewhat important   
 ■ Important   
 ■ Very important

	NOT IMPORTANT	SOMEWHAT IMPORTANT	IMPORTANT	VERY IMPORTANT	TOTAL	WEIGHTED AVERAGE
Setbacks along side property lines	12.70% 8	31.75% 20	20.63% 13	34.92% 22	63	2.78

## Newberg Middle Housing - Proposed Code Changes

#	OTHER (PLEASE SPECIFY)	DATE
1	The detached condos at 601 W. 1st street are a great model!	3/5/2021 5:28 AM
2	street visibility is safety issue for residences, but privacy/protection on sides helps make happy neighbors. I wouldn't want all their water runoff heading into my yard with chemicals & flooding!	3/4/2021 8:41 PM
3	If your targeting an older population, cost sounds high for "cottage cluster" then its important to know the rate of occupancy currently in Newberg for this style of housing and availability rates.	3/4/2021 10:14 AM
4	Require security lighting to prevent hiding places	2/26/2021 5:42 AM
5	How will these shared parking areas be managed? Newberg has a history of private streets violating the original parking agreements and the City has no authority to enforce them.	2/25/2021 11:18 PM
6	Another idea to devalue property and increase crime rates. High density housing is inherently bad.	2/25/2021 7:55 PM

**Q9 9. Is there anything else we should consider when proposing regulations for middle housing in the City of Newberg?**

Answered: 27 Skipped: 45

## Newberg Middle Housing - Proposed Code Changes

#	RESPONSES	DATE
1	I have been a Newberg resident my entire life, it saddens me that this will be allowed in our town and on our properties. I feel that it will lessen our home values and quality of life.	3/11/2021 6:20 PM
2	I am concerned that the city is more concerned about crowded housing than they are for the current residents on the South side of town.	3/9/2021 7:58 PM
3	please consider incentives for builders. No one is building middle housing because there is no incentive. Im very worried about our housing prices going up up up. We cannot stop this by continuing to build single family detached units	3/8/2021 2:15 PM
4	Build more one level nice lots for retired couples. Low income affordable housing looks like junk and brings down the desirability of our town. Look at how nice Sherwood is and then look at layette.	3/6/2021 9:35 AM
5	Be mindful of current residents and new developments and how new development interact. Some of the newer development in town looks completely out of place or mismatched with our surroundings. The extra tall buildings are clogging up the skyline and taking away privacy from long time residents.	3/5/2021 11:22 AM
6	Increasing density is great work to increase affordable housing options, improve traffic/transit flows, and reduce urban sprawl. I don't know where it fits into code but energy efficiency and eco design should be supported and encouraged, too.	3/5/2021 5:32 AM
7	Also be concerned about the attractiveness of development. Metro's density mandates have rendered new developments very unattractive	3/4/2021 8:56 PM
8	Ask permission of surrounding neighbors before approving a builder's plans, listen to them first and keep your citizens happy with you!	3/4/2021 8:43 PM
9	The impact of property values for other single homes in the area	3/4/2021 7:19 PM
10	Is this money before mindfulness? City verses builders? At what capacity are we at and what are projections?	3/4/2021 10:16 AM
11	Yes you should consider that the areas most likely to end up with middle housing do not have roads that are maintained well enough to support the excess traffic. Also If you are going to essentially devalue the neighboring homes will their property tax bill be decreased??	3/4/2021 1:33 AM
12	Don't do it, you can barely support the current standards.	3/3/2021 10:00 PM
13	I feel that the city needs to balance new construction vs upgrading the existing sewer, roads, etc.	3/3/2021 12:53 PM
14	Make sure a portion of homes are set aside throughout for affordable housing programs and FTHB.	3/3/2021 10:35 AM
15	Maintain patios and green spaces, if the green spaces is shared. I would love if walking trails connect to these neighborhoods. More housing per acre is not the primary importance: beauty is very important.	3/1/2021 4:45 PM
16	We need more housing choices that go beyond just single-family and apartments!	3/1/2021 2:09 PM
17	Please strongly consider how the home values of single-family dwellings will be negatively impacted when duplexes and quadruplexes are built to tower over their homes.	2/26/2021 10:36 AM
18	Noise reduction times	2/26/2021 8:56 AM
19	Two parking spots per unit s/b required. Every household has two cars. Street parking of abandoned cars on E. 3rd St. is out of control and creates safety hazards and narrow streets.	2/26/2021 7:44 AM
20	No section 8 housing	2/26/2021 5:43 AM
21	Density creates stress and increases conflict between neighbors.	2/25/2021 11:39 PM
22	Please keep livability and the environment at the top of your priority list.	2/25/2021 11:29 PM
23	Consider the availability of on-street parking when determining the need for off-street parking.	2/25/2021 11:19 PM
24	Stop trying to increase density and ruin our property values!	2/25/2021 7:56 PM

## Newberg Middle Housing - Proposed Code Changes

25	Your best efforts regarding parking are insufficient. Most families have 2+ cars and do not use garage space for parking, but for storage. This forces more vehicles onto the roads and in front of other properties, which inconveniences neighbors and makes streets more dangerous for pedestrians, bicyclists, and children. Traffic increases the more dwellings are built and the streets and neighborhoods are not set up for proper ingress/egress. Adjacent property values are lowered the more homes are crammed onto parcels of land.	2/25/2021 3:28 PM
26	We need more middle housing in Newberg, whatever it takes to get it.	2/25/2021 12:54 PM
27	The city needs to consider other elements of development regulations related to infrastructure design in order to truly mitigate construction costs. Items such as rain gardens, street lighting as well as permit fees should be reviewed and considered as to whether they are fulfilling the need for affordable housing or are just perpetuating policies and practices because that is how it has always been done. The development application process can also be streamlined to reduce the cost to the applicant just to prepare it.	2/24/2021 9:32 PM
