TOURISM MARKETING ACTIVITIES – SUBCOMMITTEE PROPOSAL

Marketing

Chair Felton recapped that four TLT members met with Visit McMinnville to gain insight on their tourism program. He outlined that there are five possible alternatives to consider for Newberg’s tourism marketing program:

1. The Chamber proposal.
2. Visit McMinnville Model.
3. A Non-profit like Newberg Downtown Coalition.
4. City staff.
5. Contract with an Agency or individual.

Member Nicholas shared her thoughts about a hybrid between alternatives 1 and 2. This would be independent, have a Board of Directors, she likes them being in a building and maybe they could be housed at the Chamber. Concern is they may get absorbed into the Chamber and Chamber activities.
CDD Rux recapped organizational models from the fall of 2016 the City Council reviewed. Chair Felton shared that the possible intent is to get them space at the Chamber or Newberg Downtown Coalition to reduce overhead costs. The City of McMinnville does not fund a visitor center. Visit McMinnville uses smartphones and web as a visitor center. He suggested a possible kiosk at Waterwise Garden parking lot.

Member Nicholas noted Visit McMinnville does not do grants.

Chair Felton indicated it would be hard for the City Council to not provide grants.

Member Lewis shared that he sees the TLT evolving into a smaller group focusing on marketing. A questions is for the marketing person how and where to house them. He envisions one Board to oversee marketing and sees City Council as the body that is reported to at the end of each year on activities that have been completed. He noted the Cultural Center Board as an example or model. We could hire someone with an LLC and a Board that oversees. It was noted that it could be a 501c6 or 501c3 organization. Try to leverage outlying communities like Dundee and capture County funds.

Member Nicholas indicated she would support a different visitor center model.

Member Lewis noted there is a group of people who want to sit and meet with someone to discuss tourism information. Rack cards are less important. He spoke with Mike Ragsdale and he is interested in housing a marketing person. He noted that a 100 room hotel will be coming near the hospital.

Chair Felton indicated he will be talking with Dundee on Wednesday. From his observation tourism information is buried in the Chamber website. We need to share resources with Dundee and spend dollars on marketing and web site.

Member Lewis indicated Visit McMinnville would like to be more collaborative with Newberg.

Member Nicholas that is a goal but need to get our own house in order first.

Member Lewis suggested bringing the concept forward to the full TLT Ad Hoc Committee.

Chair Felton noted that $100,000 to Chamber for the visitor center is likely significant.

Member Lewis shared that $40,000 went to community events, $40,000 to overhead and $52,000 for labor. If the Chamber does not have the visitor center function then the Chamber does not need the size of space they have.

Member Nicholas inquired when is the Chamber lease up.

Member Lewis indicates approximately 2 years.

CDD Rux recapped the Chamber/City Council work session discussions.

Member Lewis shared that he believes the Chamber thinks they should not be managing marketing and they want to focus on the Chehalem Valley Innovation accelerator and workforce development.

CDD Rux noted the Chamber contract is for five years and is currently into year three of the contract.
Chair Felton suggested that the TLT Ad Hoc Committee needs to have this discussion. He is ambivalent if marketing is part of the Chamber or a separate non-profit.

CDD Rux indicated he could prepare a memo that lists the five alternatives for the full TLT Committee to review. The next TLT Committee meeting is March 7 at 4 p.m. at City Hall.

**Video**

CDD Rux explained that the Peterson’s are still working to get their business set up to enter into a contract to do the video work.

Member Lewis shared that the video for the Chamber through the Travel Oregon grant is moving forward and that restaurants are excited. Seven restaurants would be involved. $15,000 of TLT funds through Chamber marketing contract, $20,000 Travel Oregon grant and $5,000 in-kind.

Chair Felton noted the script was distributed.

Member Lewis shared that Nick Hoogendam from Country Financial offered doing free videos on wineries that he would push out through his social media channels.

Member Lewis shared that the Chamber has asked about the TLT AD Hoc Committee leading on traditional magazine ads and is looking for guidance.

Chair Felton prefers multiple media channels to share information with.

Member Lewis inquired if Member Nicholas could possibly review ad opportunities to see what is a benefit or not. Daily publications have little benefit.

Member Nicholas shared that the Oregon Wine Board is important.

**ADJOURNMENT:** Chair Felton adjourned the meeting at 9:25 a.m.

Re: Tourism (Destination Marketing Services) for Chehalem Valley

About the Chamber, its Visitor Center, and Tourism

- In 1996, the Chamber of Commerce, at the request of the City, added the Visitor Center. A living kiosk, the Chamber and its staff drop everything when visitors walk through the door to ask advice about events and hospitality, get directions, book hotel rooms, etc. They leave with maps, rack cards and brochures from our many Chehalem Valley businesses. Over the past 36 months, our metrics show an average of 1,000 people per month use the Visitor Center.

- The Visitor Center became the “Tourism Center” in 2006. That’s when the Chamber began to deal with regional tourism needs and got involved with destination marketing in addition to staffing the Visitor Center. The Chamber CEO joined Travel Yamhill Valley and was elected to represent Yamhill County on the Board of the Willamette Valley Visitors Association (WVVA). The WVVA Board, in collaboration with Travel Oregon, orchestrates destination marketing for the region between Yamhill County and Eugene Oregon.

- In 2009, the Chamber began to spend the surplus TLT funds, over and above the Visitor Center expenses, on Display Advertising in targeted publications including the Official Travel Oregon visitor guide, Travel Portland Visitor Guide, NW Travel and Life Magazine and more, a visitor website, social media and familiarization tours.

- By 2010, especially with the advent of The Allison, tourism promotion opportunities took on a whole new life. Media requests for information, photography and familiarization tours grew at an exponential rate. Instead of fielding media requests at a rate of 1 or 2 per month the Chamber started receiving 5 or 10 requests per week.

- As TLT dollars grew, the Chamber funds for both the Visitor Center operations and subsequent tourism promotion were capped by the City in July 1, 2015 at $137K:
  - Per the quarterly reports provide to the City since the last contract renewal in 2015, the Visitor Center’s share of facilities, equipment, insurance, accounting, etc. (i.e. allocated overhead) is approximately $50K.
  - The cost of staffing for the Visitor Center, allocated across Chamber and including additional staff (i.e. for weekend and seasonal purposes) is approximately $50K.
  - That leaves approximately $37K for tourism promotion that the Chamber budgets and spends on destination marketing. Additionally, the Chamber usually contributes additional funds (over and above the $37).

Moving Forward: Promoting Tourism in Chehalem Valley

- With the percentage increase in TLT dollars, the City found itself with an approximate surplus of $225K over the $137K provided by contract to the Chamber. This surplus is estimated to remain around $225K/year until additional lodging accommodations move into Newberg.
The City retained tourism consultants in 2015, who recommended that the City create an independent Destination Marketing organization at some point in time. The result was that the City of Newberg created a TLT Ad-hoc Committee, and its Marketing Subcommittee, to determine how best to use the surplus. The TLT Committee (T-C) has been meeting monthly since its inception in December 2016. The T-C has created a grant program that may award up to $200k of funds of the $225K. The T-C may make recommendations to Newberg City Council to use fewer funds for the grant program and more funds for destination marketing. The Marketing Subcommittee’s charter is to direct the use of TLT funds that remain after the funds budgeted the grant program.

Issues Currently Under Discussion by the Marketing Committee

- What is the current scope of marketing activities that the Chehalem Valley Chamber of Commerce addresses in their Destination Marketing Plan?
- Should the Ad Hoc committee engage in a potential rebranding of marketing materials, including the Visitor (tourism) website, using Newberg instead of the Chehalem Valley as the stated destination?
- Is there a need for a more expansive Destination Marketing plan that is inclusive of the Chehalem Valley Chambers existing plan, but which also includes additional marketing activities to be funded by the Ad Hoc Committee’s marketing funds?
- What is the best way to create a marketing plan that addresses the marketing activities of both the Chehalem Valley Chamber and the Ad Hoc committee?
- The contract with two GFU students by the ad hoc committee to create a video that will market Newberg as a destination. Who is the project audience and how will the video be distributed?
- How can we increase our investment of time and money in Public Relations activities that will result in more familiarization tours and earned media coverage?
- What is the best way to eliminate the Ad Hoc Committee’s frustration over the inability to manage tourism marketing projects that are discussed in an efficient and effective manner (recognizing that everyone on the committee is serving as a volunteer).
- Could the Ad Hoc committee be more successful by hiring a Tourism Coordinator that could create an all-encompassing Destination Marketing plan for Newberg?
- How much more could be accomplished if Newberg had a full-time person dedicated to marketing the area?
- Until area TLT dollars increase to an amount that affords Newberg and its surroundings to have a stand-alone Destination Marketing organization, how can we use the funds and resources at our disposal the most efficient way?

Proposed Interim Approach

Newberg can phase into a fully-functional Destination Marketing organization by combining the resources of the Chamber and the TLT Ad Hoc Committee by hiring a Full-time Tourism Coordinator (Tourism Coordinator). This person can office at the Chamber and report to both the TLT Ad Hoc committee and the Chamber CEO. Since facility and overhead costs would be
provided by the Chamber, the expense to the Committee and Chamber would be the salary and benefits of the Tourism Coordinator. A sample Tourism Coordinator job description as provided by the Willamette Valley Visitor’s Association below.

- Costs:
  - Based on market data, the estimated salary and benefits for the Tourism Coordinator would be $60-70K
  - Cost for the hire could be shared by the Committee and the Chamber - approximately $35K each

- Benefits:
  - The TLT Ad Hoc Marketing Committee, and the broader committee, would have a dedicated resource for developing the Destination Marketing plan, incorporating elements of the Chamber’s plan as needed
  - Additionally, this person would be responsible for other deliverables such as:
    - Providing content for the Visitor (tourism) Website, social media, online advertising, and SEO
    - Create the "Naked" map
    - Activities associated with the re-branding, the logo, etc.
    - Public Relations and FAM tours
    - Video and other media content development and placement

- The Tourism Coordinator could hit-the-ground running since s/he could take advantage of the processes, contacts and knowledge that the Chamber has acquired - in particular, the CEO, who has been supporting tourism marketing for the past 12 years
- Chamber staff would provide back-up for the Tourism Coordinator if they are out of the office (i.e. vacation, sick leave, etc.)
- The Tourism Coordinator’s salary and benefits would be incorporated into the Chamber payroll process (along with any other legal or personnel-related services)
  - Performance evaluation could be conducted by a small compensation committee consisting of two Ad Hoc Committee members and the Chamber CEO

Executive Summary

The Chehalem Valley Chamber of Commerce (CVCC), through a marketing service agreement with The City of Newberg, works in partnership with many community stakeholders to grow tourism in the Newberg Community. Together, we deliver programs and activities that enhance visitor experiences, encourage overnight stays and improve the quality of life for residents.

An effective destination development and marketing program benefits and enhances the quality of life for residents and provides a healthy return on the investment of the transient room tax since visitors are often attracted to a destination by the same types of services, amenities and activities that enhance resident lifestyle. The additional spending by visitors in local communities results in a positive economic impact.

In addition to the Destination Marketing Contract that the City of Newberg signed with the CVCC in 2015, the City created a Transient Lodging Tax Ad Hoc Committee to manage Transient Lodging Tax funds that are dedicated to tourism over and above the contract with the CVCC. While that committee has been active in creating a small and large grant application procedure that funds tourism events and facilities they are also looking at ways to collaborate with the existing CVCC Destination Marketing plan to create and define the Newberg brand and apply those changes to the existing website and marketing vehicles. A secondary discussion has started about the value of contracting with a Public Relations professional to manage media relations and familiarization tours also in collaboration with the CVCC efforts.
EXECUTIVE SUMMARY, Continued

It should be noted that because the CVCC contract is “fixed”, there is limited funding to market the community of Newberg over and above staffing and operating the Newberg Visitor’s Center on an annual basis. The City of McMinnville, a regional competitor to the Newberg area, funds Tourism marketing at $496,000 per year. (Staffing is an additional $125,000 and overhead is $90,000). The CVCC Destination Marketing Budget for Newberg is $42,500. While the CVCC continues to look for ways to expand our marketing reach by applying for grants and leveraging relationships with Travel Oregon, it is impossible to make up the difference in the destination marketing budget. Newberg requires additional funding for destination marketing to maintain a competitive edge and to keep and attract local small businesses that are supported through tourism.

Tourism continues to grow on a regional, statewide and national basis. Americans have more discretionary income for travel then they have had since 2007. Newberg offers an amazing array of desirable tourism attractions with Wine and Culinary assets at the very top. The recent recognition for the Willamette Valley as Wine Enthusiasts Wine Region of the year has garnered unprecedented attention to this beautiful area. We have an excellent opportunity to compete effectively for the Baby Boomer and Millennial markets if we invest and budget additional marketing dollars to promote and support the wonderful businesses and people in the great town of Newberg.
National Outlook for Travel and Tourism

The US Travel Industry Association is predicting a healthy increase for domestic and international travelers to the United States.

Spending on travel by U.S. residents has bounced back to pre-recession levels. Purchasing decisions regarding travel are changing as well, which indicates that after a couple years of last-minute trip planning, travelers are once again beginning to plan and book vacations well in advance of their travel dates. The booking window is lengthening toward three-to-six months out, giving destination marketers more time to reach their customers.

2017 promises to be a banner year for travel with nearly one-third of American adults saying they are more likely to take time off this year compared to 2016, according to a recent AAA survey.

Overall, 42 percent of Americans are planning to take a vacation in 2017 – with most planning trips to the warm weather destinations in the U.S. and abroad. And while flight prices are predicted to be 8 percent higher than last year, they are still down 9 percent compared to two years ago.

As the economy and family budgets have improved, U.S. adults have returned to taking fewer and longer leisure trips, resulting in a decline in the average number of leisure trips taken each year. However, research indicates that travel expectations and interest in travel for the coming year are at their highest levels since February 2008.

USTA also reports personal finances available for travel are at their highest point since March 2007, suggesting that price, deals and discounts are considered among the least important determinates on current travel plans.

Oregon Travel Trends

According to the 2015 Longwood’s study travelers on overnight trips to Oregon were more likely to travel in their own car and less likely to arrive by plane than the national average. Travelers on overnight trips to Oregon were most likely to engage social media by reading travel reviews, posting photos online and looking at travel photos online. Oregon travelers, as a whole, use social media to plan travel at a higher rate than the national average.

The top states of origin for overnight trips were Oregon, Washington, California and Idaho. The states of Virginia, New York, Florida and Texas follow in that order. The top DMA’s of origin were Portland, Seattle, Eugene, Medford-Klamath Falls, Los Angeles and San Francisco. The top five main reasons travelers made overnight trips to Oregon were Touring, Outdoors, Special Events, City Trips and Resorts the top two trip planning information sources were referrals from relatives and friends and destination websites.

Direct Travel Spending in Yamhill County in 2015 reached $104.2 Million reflecting a 5.8% increase over the prior year and an all-time high for the region.

“Newberg … is target central of Oregon’s wine country”
—The Oregonian
Wine Drives Local Tourism Economy

Since the first grapes were planted in the state 50 years ago, Oregon is now recognized as one of the world’s elite winemaking regions. With 18 designated wine growing areas located in four diverse regions, Oregon boasts more than 700 wineries producing wine from dozens of grape varieties.

Oregon has more than 500 wine tasting rooms with the majority of wineries only a short drive from Newberg.

All of this made wine touring one of Oregon’s top draws. In 2013 (the most recent year for which statistics are available), wine-related tourism contributed an estimated $207.5 million in revenues to the Oregon economy. (Oregon Wine Board)

Companies located outside of Oregon have made headlines with substantial investments in the state since 2013. Firms that have expanded their vineyard holdings in recent years include:

- Ste. Michelle Wine Estates of Woodinville, Washington for Erath in Dundee, Oregon
- Domaine Drouhin Oregon in the Dundee Hills region of the Willamette Valley, Oregon
- Precept Wine of Seattle, for Primarius in the Willamette Valley, Oregon
- Battle Creek Vineyards’ for Unconditional, in the Willamette Valley, Oregon
- Jackson Family Wines of Santa Rosa, California purchased a winery and vineyards in Oregon, adding several Willamette Valley Pinot Noirs to its La Crema line
- Maison Louis Jadot of Burgundy, France acquired a vineyard in the Yamhill-Carlton region of the Willamette Valley and unveiled Résonance Pinot Noir, the company’s first venture outside of France.
- Joe Wagner’s Copper Cane Wines & Provisions—based in Rutherford, California and known for launching the Meiomi label, now owned by Constellation Brands—debuted the Oregon-sourced wine Elouan.
- Healdsburg, California’s Foley Family Wines acquired The Four Graces in the Willamette Valley
- Judy Jordan—founder and former owner of Russian River Valley’s J Vineyards—purchased a Chehalem Mountain vineyard for her new Santa Rosa, California-based The Capra Co.

As the supply of land shrinks, Oregon-based wineries are also snapping up vineyards. (MarketWatchMag, February 2016)
WINE DRIVES LOCAL TOURISM ECONOMY, Continued

As local investment in the wine industry swells so has other tourism-driven business in the area. Jason Lett is credited with planting the first grapes in Yamhill County in 1965 and soon others followed with a vision of growing and making exceptional Pinot Noir.

The late Joan Austin, great philanthropist and matriarch of the Newberg based A-dec Dental Manufacturing Company should be credited with driving the vision of a world-class resort in Newberg that would serve the demand of the luxury wine travelers. The Allison Inn and Spa, built in 2009 continues to garner world-wide acclaim as a destination resort and spa in the heart of Oregon Wine Country in Newberg Oregon.

Other bullish investors have followed suit. Steve Down invested millions in the Fall Event Center formerly Evergreen Aviation Museum. McMinnville also recently announced the opening of a new, 36 room luxury hotel that will open downtown on 3rd street in Spring of 2018. New restaurants are popping up around the county. Building vacancy in downtown Newberg is at an all-time low.
**Top Travel Trends**

**Specialization**

Luxury Travel Exchange International (LTX) suggests that becoming more niche focused in your destination marketing will be beneficial. Niches to focus on include weddings and honeymoons, “volun-tourism” (a form of tourism in which travelers participate in voluntary work, although this is typically for charity we have an opportunity to develop opportunities to volunteer in local wineries), spa and wellness, family/multi-generational travel, adventure/sports and meetings/conferences. By designing custom and unique niche packages for travelers, the Chehalem Valley area can differentiate itself, creating a reputation in specialization.

**Technology**

With anticipated new devices, like the Apple Watch, more people will be accessing the Internet on the go, making mobile device apps, responsive websites and mobile-friendly booking more important than ever. It is predicted that over 35% of online travel bookings will take place on a mobile device by 2018.

**Authenticity**

The modern traveler is becoming more and more interested in experiencing their chosen destination authentically. This means they want to interact with locals, avoid tourist traps, go where the locals go, and do what the locals do. One way to market to authentic travelers is through storytelling. Travelers looking for a truly authentic experience will be emotionally driven to explore a destination if there is a great story attached to it.

**Experiential Travel**

According to Terry Dale, President and CEO of the United States Tour Operators Association, today’s traveler continues to crave culturally immersive experiences and experiential tour packages remain in high demand. Nearly three-fourths (71%) of USTOA members provide travel and tour packages that offer art and culture, with 64% offering culinary and more than half (57%) providing adventure-focused packages. Vacationers want to broaden their experiences. Museum passes, show tickets, dining packages and helicopter tours are all great examples of offerings for the experiential traveler.
**Top Travel Trends, CONTINUED**

**Millennials Lead the Way**

Millennials are one of the most important demographics in travel today. As the largest generation to date, they are helping to define what the major trends and tastes of the coming decades will be. Millennials have grown up in the Digital Age. Online booking options are crucial, while online reviews and user-generated content on social media are part of the research process for most millennials. Destinations that attract millennial travelers make their online presence a priority and emphasize user-generated content.

**Don’t Leave Out the Boomers**

Baby Boomers (born between 1946 and 1964) are traveling more than ever. Bucket list experience is the high-ranking motivator for travel among Boomers, meaning they’re looking to invest in activities rather than simply relaxation. They will be influenced by good value, as budget can be a factor for those with a fixed income. Like Millennials, they are looking for experiences that are authentic and high-quality.

**Food Tourism**

Food has always been a huge part of travel, but seeking out authentic food experience has increasingly become a motivator for travel. Food experiences don’t exclusively refer to “dining out”, food markets, tasting sessions, cooking lessons and visits to farms or vineyard now make up 95% of all food experiences.

Brand Strategy

To determine Newberg’s position it is important to first identify its uniqueness, differentiation from the competition and value to the customer. In doing this, Newberg is set apart from other wine destinations that are vying for the business of the same traveler/target audience.

The Chehalem Valley Chamber of Commerce (CVCC) is currently working collaboratively with the Newberg Transient Lodging Tax Ad Hoc Committee’s Marketing Subcommittee to define Newberg’s brand strategy. The CVCC will work closely with the Newberg Transient Lodging Tax Ad Hoc Committee to implement that strategy through our existing marketing channels once that work has been completed.

Target Audience • Personas

According to the recently commissioned Newberg Tourism Strategy, Newberg’s Target Audience can be defined as:

**Wine Country Adventurers**
Are we ready for them? Somewhat
- Need trail connectors, integrating parks & tourism, river access

**Millennial Explorers**
Are we ready for them? Somewhat
- Need consistent business hours and more variety downtown
- Develop / Integrate classes from cultural center with local tasting rooms & craft makers (e.g., chocolate shop to feature culinary classes)

**George Fox Network**
Are we ready for them? Yes, except …
- Need upper/mid-level independently owned hotel downtown

**The Luxury Wine Travelers**
Are we ready for them? … Not yet
- Newberg area already attracts this traveler to The Allison, & they tour the exceptional wineries nearby
- BUT downtown Newberg needs additional experiences that meet these traveler’s desires: boutiques, more local restaurants, culinary classes, robust arts scene

Unfortunately, the Target Audience is weighted toward a future audience since the consultants themselves indicate that Newberg as a destination is not completely ready for these travelers.
**Target Audience • Geographic**

Utilizing the 2015 Longwood’s report on Visitor Behavior for the Willamette Valley, our Primary markets include travelers from major cities in:

- Oregon
- Washington
- California
- Idaho

Secondary markets include major cities in:

- Virginia
- New York
- Florida
- Texas

**Target Audience • Demographics**

Focus on the visitors that represent the largest audience. We know based on research that the largest number of travelers in 2017 will be Boomers and Millennials. Utilize traditional advertising methods (i.e. visitor guides, travel magazines & social media to target the Baby Boomer crowd. Utilize social media and third party content to reach the Millennials).

The Allison is already marketing and reaching the Luxury Wine Traveler. Our marketing plan will seek ways to leverage their existing marketing and Public Relations but will not invest in specific programs to reach this audience.

This marketing plan will apply the same approach to reaching the GFU Network. More research needs to be done to determine how the Newberg Destination Marketing Plan can leverage the marketing that GFU is already doing to reach their alumni and family of students.

“Where to Eat in Oregon Wine Country Right Now” by Michael Russell —The Oregonian

“Newberg is a Gem of a Town, One of the Best of Its Size (22,000) in the Northwest” by Terry Richard —The Oregonian

“Beginning in the town of Newberg and extending south to the capital city of Salem, Oregon’s Willamette Valley is characterized by rolling hills and lush valleys. This is Oregon’s principal wine region, and while it may not be as well known around the world as California’s Napa Valley, it is no less breathtaking.” —USA Today

“This former pass-through town now has the quality food, sips, and art you used to find only deeper inside the Willamette Valley.” —Sunset Magazine

“This gateway to Yamhill County wine country is only 30 minutes south of Portland, but there’s so much to do along Newberg’s main drag of East First Street that you may not get to any actual wineries. No matter, since there are plenty of tasting rooms and restaurants where you can sample classic Oregon pinot noir.” Quick Day Trips by Grant Butler —The Oregonian

“(Pulp & Circumstance) which opened in June, is another effort by Loni Austin Parrish’s attempt to turn downtown Newberg into the hippest place in Oregon.” —The Oregonian
The First Destination in Oregon Wine Country

“The First Destination in Oregon Wine Country” — *The Oregonian*

“Newberg … is target central of Oregon’s wine country” — *The Oregonian*

“California’s Napa Valley isn’t the only place in the country to find great wineries. Oregon has some up-and-comers that will give wine aficionados a reason to head north.” Wineries in Newberg & Dundee, Oregon — *USA Today*

“McMiniville and Newberg regularly vie for the title of top wine-country town . . . While McMiniville typically has shined brightest in size—and in scope of eating and shopping options—Newberg and Dundee have boasted the lion’s share of wineries and tasting rooms. Recent additions to both towns’ arsenal of attractions, though, have evened the field.” A Toast of Two Cities — *Portland Monthly*
The Allison Inn and Spa (Newberg) Click on a quote to view article

“Besides having some of the best lodging in Yamhill wine country, indeed in all of Oregon, the inn has become a popular day visit for Portlanders for its spa services and its JORY Restaurant.” — The Oregonian

“So what about that Allison Inn? Since it opened in 2009, it has cemented its reputation as one of the premier luxury resorts in Oregon, even earning a rare national recognition for quality of lodging in the state. Travel + Leisure magazine’s October issue will name the Allison as the top hotel spa in the continental United States ... Newberg also has three restaurants right up there in quality with the best of Portland. — The Oregonian

TripAdvisor.com names The Allison Inn one of the top 10 pet friendly places to stay in the U.S. — Oregon Public Broadcasting

“Oregon is perhaps best known for its pinot noirs. You can sample many of these by the glass at the 85-room Allison Inn & Spa restaurant in the heart of the wine-producing Willamette Valley.” — The Big Six: Wine country hotels — The Independent (UK)

“You can get a good taster in a day visit, but it’s more rewarding if you hire a car and spare three days or so to work your way down the bucolic valley, cherry-picking the best producers. Leave Portland on Route 99W and head south towards Newberg. This is where the real wine country starts.” Tuscany? Provence? No — it’s Oregon. — The London Sunday Times

“The birthday girl’s husband had booked our group at The Allison based on magazine and Internet accolades and because of its location in Newberg, a central base from which to explore the region’s 200-plus wineries. He chose wisely. The Allison Inn and Spa opened in September 2009 and in a little over two short years has become the place to stay when wine touring in Oregon. It made Condé Nast Traveler’s 2010 Hot Hotels and Hot Spas list and CNN named The Allison and Oregon Wine Country as one of the Top 9 Spots in the World for Savvy Luxury Travellers.” — Ottawa Citizen
The Opportunity for Downtown

“Perhaps Redmond can be an example of what will happen in downtown Newberg, once the initial phase of the Newberg–Dundee Bypass is complete in 2016... If anything, downtown Newberg has the potential to blossom even brighter than Redmond.” —The Oregonian

“Downtown Newberg will still be busy, because it will remain on Oregon 99W and the bypass will be routed as Oregon 18. But Newberg will get its chance to fully embrace its location in the heart of Oregon’s wine country.” —The Oregonian

“... if you live in Newberg or Dundee, the best thing about the new bypass — 25 years in the making — is that it gives you the chance to rethink, rebuild or recover the charm of your wine-country town. Now that the first phase of the bypass is a reality, it opens up possibilities for each city and allows the conversation to begin — or accelerate — about the shape of the future. For Newberg, the opportunity to reclaim its remarkably intact and historic downtown in a lasting and meaningful way is another building block in its ongoing growth and revitalization. Even without the bypass, Newberg has great potential; even with the traffic, we are seeing a resurgence,” he says. “Downtown has great potential. It’s got great buildings and density” Mike Ragsdale, On the Road —Oregon Business Magazine

“Work is under way on one of northwest Oregon’s long-awaited and most-highly anticipated highway projects, the Newberg–Dundee Bypass.” —The Oregonian

“It will get truck traffic and significant auto traffic out of Dundee and Newberg and give the downtowns back to the communities,” Torres said. —The Oregonian

“Newberg spruces up downtown to coax some of that traffic to stop” —The Oregonian

Proposed Marketing Strategy: Newberg

Excluding the George Fox audience, the typical Newberg tourist (those from more than 50 miles or overnight guests) comes for wine tasting. One of our primary differentiators from our local competition is our proximity to Portland, where most tourists will be beginning their visits.

**DOWNTOWN BANNERS**

- Group travel brochure

**TOURISM TRAINING**
- Create class for front-line employees to educate on tourism assets of Newberg and the surrounding community.

**SECONDARY MARKETING PROJECTS**

**SIGNAGE**
Seek funding and permission for decorative road signage for 99W (e.g. similar to Lake Oswego or McMinnville’s third street.

**RACE TOURISM**
Support efforts to market running races (e.g. Wine Country Half Marathon)

**NEWBERG HISTORIC WALKING TOUR**
Create plaques/markers for a Newberg historic walking tour. The Newberg Downtown Coalition already has the bones of a tour created here.

**PROMOTION OF CONFERENCES**
Support efforts by Newberg hotels and organizations (Allison, Windrose, A-dec, George Fox) to bring out-of-town groups to town for conferences

**NOTE ABOUT GEORGE FOX AUDIENCE**
This plan does not address the George Fox audience, which may have more economic impact on the city than the wine tourism audience. The parents of prospective undergraduates often spend the night and eat most meals off campus. When 700 or so of those freshmen chose to enroll at George Fox, they each spend $5,500+ a year in town on food, rent and other services) and support the university’s $70 million budget - which includes $45+ million in taxable salaries and benefits. Some - especially the Chinese students - buy cars here. As these students go through 2-6 years of school, they attract even more visitors to Newberg (family weekends, sports and arts events, graduation, etc...) George Fox’s Graduate students probably spend even more in Newberg since they often bring family to live here. Enhancing the prospective student visit experience can pay off for everyone.
