Request for Proposals
Construction Manager/General Contractor (CM/GC) Services for
Wastewater Treatment Plant: Repairs, Renovations and Expansion
Project # 706400

The City of Newberg, Oregon is soliciting proposals from firms to provide Construction Manager/General Contractor services for improvements at the City of Newberg Wastewater Treatment Plant in accordance with the City's plan for the facility. Elements of the proposed project consist of modifications as noted in the Facilities Plan Update (FPU) document available on the City of Newberg website. A full description of the services is included in the RFP document. The facility will be continuously receiving municipal wastewater and construction must be planned to sustain continuous operation. The construction cost is estimated to be approximately **\$40,000.00**.

In order to obtain a complete set of bidding documents, please follow the instructions below.
