

PACIFIC EXCAVATION, INC.

RESIDENT NOTIFICATION

October 14, 2021

On Monday, **October 18th**, Pacific Excavation Inc. will begin work on removing all of the existing asphalt on E. 6th street between E. River St. and S. Columbia St. We will start from River Street and work east. On Tuesday and Wednesday, we will be cement treating the same area. During this process vehicles will not be allowed to leave or enter their driveway areas. At end of each day you will have access back to your driveways. Please Park along a side street during work hours.

Once cement treating is complete, the road must sit for a few days before paving. The new Asphalt Paving will take place on **MONDAY, OCTOBER 25TH**. This will take two days. Again, no access to driveways during work hours on these two days.

There will be No Parking on street allowed during work hours

Our hours of work will be from 7am to 6 pm. Monday thru Friday.

We apologize for any inconvenience this may cause and appreciate your patience throughout the project. If you have any questions about this, please don't hesitate to call.

Sincerely,

Dave Olson
