1. **Introduction:**

On February 19, 2008, the City of Newberg adopted a Municipal Service (Utility Bill) Assistance Program that offers financial assistance to low-income families and to Active-Duty Military (Res 2008-2767). The Citizens Rate Review Committee (CRRC) recommended to Council to approve the assistance programs for Newberg water and wastewater customers. The programs included a Yamhill Community Action Partnership (YCAP) voucher, Nonprofit Grant voucher, Military Credit and a voluntary donation program for a total budget of $7,400.

On June 21, 2010, City Council adopted Res 2010-2902, amending Res 2008-2767 to increase YCAP, Nonprofit and Military funding for a total budget of $15,000. It was also adopted to allow the Finance Director to make direct monthly utility credits available to qualifying low income customers who are responsible for payment of their utility bill. This credit can be $5 per capita with a max credit of $10. This program allows for a total budget of $10,000.

Since then the adopted budgeted amount has been $20,000 and allocated as follows: YCAP $9,000, Nonprofit Agencies $4,000, Military $2,000, and Low income financial assistance $5,000.

On October 15, 2018, City Council adopted Res 2018-3502, superseding previous Res 2008-2767 and 2010-2902. The adoption of this resolution made it possible for military veterans to receive assistance in addition to active-duty military. Also, the utility credits for low-income and military assistance were increased to $15/month for water-only customers and $25/month for water/wastewater customers. A few other highlights of Res 2018-3502 was making the assistance program available year-round instead of August – June, changing the frequency of how often a customer can utilize the voucher program, and shifting $1,000 from the low-income program allotment to the nonprofit grant voucher program.

The revised allocation is proposed as follows in Res 2019-3574:

2. **Municipal Services Grant (Voucher) Program:**

Customers experiencing short-term need for payment assistance may contact the Municipal Services (MS) Department for a list of nonprofit agencies that have been awarded funds by the City of Newberg to issue vouchers for a dollar amount up to the discretion of the Finance Director or Designee. Funding is limited and assistance is available during the budget year from July 1st through June 30th.
a) Nonprofit Agencies:

- Finance Department mails a letter to nonprofit organizations for their consideration to become part of this program. Applications are to be submitted by a date that is set by the Finance Department. Finance may send a courtesy e-mail to the nonprofit organizations who currently are utilizing the program; e-mail is to notify them that the application is in the mail.

- Submitted applications are date-stamped and reviewed by the Citizens Rate Review Committee (CRRC). Based on the number of approved applications by the CRRC, the Finance Director finalizes the grant funding that is awarded to each applicant. These grant funds are incorporated in the adopted City budget and are subject to change. Approved amount is divided amongst applications on a first-come-first-serve basis.

- Nonprofit agencies who receive other funding to assist Newberg customers will be considered first in the approval process.

b) Yamhill Community Action Partnership (YCAP):

A set dollar amount is approved by City Council therefore does not require review by CRRC. The amount is incorporated in the annual adopted City budget and is subject to change.

(Example: 2017/18 award amount to YCAP is $9,000).

c) Qualification/Guidelines for Nonprofit and YCAP:

1. Customer (requesting assistance) must reside in residence and have a Newberg Municipal Services billing account who is billed for water and sewer.

2. If the customer’s name is not on the Municipal Services Statement, the request for assistance must be signed by the owner of the property stating the credit will be passed along to the applicant.

3. Assistance applies to Newberg residential customers only.

4. Frequency of the voucher assistance is limited to one (1) voucher once every 3 billing cycles. Exception: those who receive the monthly financial assistance credit, they are limited to one (1) voucher once every six (6) billing cycles.

5. Vouchers are issued up to an amount determined at the discretion of the Finance Director or Designee. YCAP and Nonprofit agencies are to contact the Municipal Services Department to verify the applicable amount.

6. Original signed vouchers must be submitted in person to the City within 15 days from date of issuance. Voucher numbers are assigned by the agencies, duplicate numbers or copies of vouchers will not be accepted. Blue ink is to be used when completing the forms.

7. Vouchers will be modified/declined by the Finance Department if the amount of the voucher exceeds the amount given by the Finance Director or Designee or if guidelines are not followed.
3. **Monthly Municipal Services Assistance Credit**

This program begins July 1st and ends June 30th of each budget cycle.
