

## Municipal Services Assistance Program Military Credit Application

The City of Newberg provides a monthly services credit to residential households in which a wage-earning member is on active military duty or has been on active military duty in the last 12 months. Households which receive both water and waste water services from the City will be eligible for a \$10 credit. Households which receive only water or waste water service from the City will be eligible for a \$5 credit. The owner of the residential account may submit an application along with evidence of eligibility to the City of Newberg billing staff. Households with approved applications will receive the credit for 12 months.

After 12 months, customers may re-apply to continue receiving credit.
