

A Note from Mr. Will

Well met,

As I sit here to write, we are in the first day of summer reading. You will see all the fantastic details listed in this newsletter. We have a wonderful summer reading mascot named Azul hiding around town, and there are other fun activities planned for this summer. One of those activities is a scavenger hunt which is open to all ages. Try your hand at locating local history around the city of Newberg.

We have a new and exciting middle school model-building club starting this week. I would like to take a moment to thank the parents who donated materials to help with this. Thanks Andrew!

Summer reading seems to have coincided with a long and brilliant run of fine weather. I have heard many patrons planning summer adventures. I am bound to say that any summer activity can only be enhanced by a thumping good read!

Be Mighty,
Mr. Will
