

←1) Follow the link to get here: [Holiday Lights map.](#)

Holiday Lights

Holiday Light Displays Within Newberg [How To Use](#)

Holiday Light Display

Holiday Light Display

←2) Enlarge the map (+/-) or adjust it any direction (click & drag up/down/left/right) to find the location you'd like to add.

↑3) Click on this icon, and then ...

5) This dialogue box will appear for you to add the address* of the light display, a short description* if you'd like, and one photo* of the lights (optional via "Browse"). Click "X" to close the box. And you're done.
