

Newberg Public Library Material Donation Guidelines

The Newberg Library Friends are happy to receive your books and other donations in good condition.

We are unable to accept materials in these conditions:

- Mold & Mildew, either visibly or with an odor. (Mold & Mildew are toxic. We can't have them in the library as it can transfer to other books.) Please just toss them.
- Strong odors (cigarette smoke, etc.)
- Water damage or stains, ripped or torn pages/covers
- Boxes/containers that are dirty (i.e. sitting in a garage for months or years.)
- Books with hi-lighting/margin notes
- Weekly news magazines (other recent magazines in good condition are accepted)
- Encyclopedias/textbooks over 3 years old
- CDS or DVD *that are homemade copies*

One or 2 boxes are accepted at a time. For larger donations, please email nplibrary@newbergoregon.gov or call 503-538-7323 for an appointment with one of our Library Friends Volunteers.
