

Teen S.L.I.P. (Summer Learning/Library Interaction Program) 2014

NOTE: The internet in general and other websites do **NOT** count.

Only interactions through our library's resources may be used for the Learning Option that isn't reading or listening to a book.

See examples below & more details in your program flyer.

Date	Books* read or listened to —OR— learning experience	Learning/Library Interaction (name the library resource title & where to find it)
EXAMPLE	Read [your own copy of] Hunger Games	YA Fiction Collins [you've looked up where to find it at the Library]
EXAMPLE	Activity: Went fishing	Culinary Arts database: Primary school children think cheese grows on trees & fish fingers are made from chicken, research shows [article title]

*Books read must be age/ability level appropriate. 5 graphic novels/comic = 1 book.
