

**AN AUTO ACCIDENT**  
Doyle, one of the proprietors of the Doyle Tire Shop, was run over by an Overland roadster while on a trip to the Ferns last Saturday afternoon. His car was badly smashed and he sustained a broken collar and a gash in the head. Doyle had just turned into a street at the four corners east and was coming towards the corner when the roadster coming from the east struck his car in the rear and completely over. He has been taken to the hospital and an action against its driver is being carried on as a result of his accident.

**WRITE LETTERS ABOUT OUR BERRY FESTIVAL**  
**HEARTILY COMMEND THE EVENT**  
Julius L. Meier and J. E. Gratke Praise Newberg Berry Festival and Compliment Berrians  
Two letters, which come as an aftermath of the Newberg Berry Festival and which we believe to be of interest to the public are herewith published. One is from Julius L. Meier, president of the Atlantic-Pacific Highway-Electrical Exposition and Mrs. Elwood Johnson who furnished a crate of berries which were sent to Newberg and had placed his card on the crate. Mr. Meier writes as follows:  
Mr. and Mrs. Elwood Johnson, Shady Nook Fruit Ranch, Newberg, Oregon,  
Dear friends:  
I wish to acknowledge receipt of the splendid crate of blackberries Saturday through Mr. Meier who represented me at the Newberg Berry Festival. I assure you of my appreciation of the attention given and only wish I could have been present to share the happy throng in Newberg during the celebration.  
I am authoritatively of opinion that Newberg did itself credit on this occasion and trust to see you the next time. The Newberg Valley produces abundant quantities of the rarest quality for you destined some day to become famous.  
Yours truly,  
J. L. Meier,
