Doug – Per our phone conversation a short time ago, please accept this email as a request from the applicant, Kathy and Brian Bellairs, to continue the hearing for an expansion of the Urban Reserve Area to the next available NUAMC hearing, which we understand would be November 22<sup>nd</sup> if commission members are available to hold a quorum on the matter.

Please do not hesitate to reach out with any questions and let me know if you need anything further to process this request.

Thank you.
