Findings – File CUP23-0011
Vacation Rental at 1208 E Tenth Street**

Formatting notes: The Newberg Municipal Code (NMC) criteria are written in *italic bold* font and the findings are written in regular font. The NMC criteria will be presented first, followed by the findings of fact. Finding of fact with underlined font indicate subsequent inclusion in Exhibit “B” Conditions of Approval.

I. CONDITIONAL USE PERMIT CRITERIA THAT APPLY (NMC SECTION 15.225.060)

- A. The location, size, design and operating characteristics of the proposed development are such that it can be made reasonably compatible with and have minimal impact on the livability or appropriate development of abutting properties and the surrounding neighborhood, with consideration to be given to harmony in scale, bulk, coverage and density; to the availability of public facilities and utilities; to the generation of traffic and the capacity of surrounding streets, and to any other relevant impact of the development.*

Finding: The vacation rental would occur in an existing three-bedroom, single-family dwelling located less than one mile south of downtown Newberg. The Applicant has proposed to use the dwelling as a short-term vacation rental with a maximum occupancy of six people in three bedrooms. Weekly trash, recycling, and yard waste service are in place for the property and provided by Waste Management with the application materials indicates that collection occurs on Fridays. The subject property will provide two off-street parking spaces in the driveway.

The proposed vacation rental use is similar to other residential uses in design and operating characteristics. The home has three bedrooms and is therefore eligible to host a maximum of six occupants. The subject property is located in the R-2/RD zoning district is and abutted on all sides by properties in the R-2/RD zoning district.

Because the size, design and operating characteristics of a vacation rental home are similar to residential use of the existing single-family residence, the use is compatible with the surrounding residential neighborhood and would effectively function no differently than the existing residential uses in the surrounding area.

This criterion is met.

- B. The location, design, and site planning of the proposed development will provide a convenient and functional living, working, shopping or civic environment, and will be as attractive as the nature of the use and its location and setting warrants.*

Finding: According to the application materials, the Applicant states that the property will be convenient for visitors due to proximity to local attractions including wine country. The subject property is located approximately 0.5 miles south of downtown Newberg.

Because the operating characteristics of a vacation rental home are similar in size and scope to a long-term rental (longer than 30-days) or owner occupied dwelling, a vacation rental home is a compatible use with other residential uses.

This criterion is met.

C. *The proposed development will be consistent with this code.*

Finding: The vacation rental standards are addressed in findings below. If the proposed project complies with the standards of Article VII. Vacation Rentals (NMC Chapter 15.445) the application will be consistent with code requirements.

II. APPLICABLE CRITERIA FOR VACATION RENTAL HOMES (NMC 15.445.300, ARTICLE VII. VACATION RENTAL HOMES)

15.445.310 Where allowed.

Vacation rental homes are permitted in areas shown on Chapter 15.305 NMC. The vacation rental home must be a structure approved for occupancy as a single-family dwelling unit.

Finding: The subject property is zoned R-2/RD. The table below is an excerpt from NMC Chapter 15.305, which states that vacation rental homes are permitted as a conditional use in the R-2 zone. The owner has applied for a conditional use permit for the proposed vacation rental home. The structure was previously approved for occupancy as a single-family dwelling unit.

<u>Use</u>	R-1	R-2	R-3	R-4	RP	C-1	C-2	C-3
<u>Vacation rental home</u>	C	C	S	S	S	S(13)	S(13)	S(13)

Because vacation rental homes are permitted in the R-2 zoning district as a conditional use and the subject property possesses a single-family dwelling located in the R-2 zoning district, the use is permitted pursuant to approval of a conditional use permit.

This criterion is met.

Prior to use or advertising for use of a dwelling as a vacation rental home, the owner or operator shall register the vacation rental home with the city on forms provided by the director. The registration shall include such information required by the director, including the name and contact information for the owner, operator and a local contact.

Finding: As required by NMC 15.445.320, prior to the use of the home as a vacation rental the Owner or Applicant will be required to register the vacation rental home with the City and will be required to pay the transient lodging tax. - B. Maintain weekly garbage, and yard debris collection, and every other week recycling collection by Waste Management that is to be picked up in front of the home.
- C. Offer a vacation rental in an existing single family home with a maximum occupancy of six vacation rental guests per bedroom.

B. The telephone number for the police department.

C. The maximum number of occupants permitted to stay in the dwelling.

D. The standards for the rental occupancy.

E. The solid waste collection day.

Finding: The Applicant has acknowledged the requirements listed in NMC Section 15.445.340 and has stated that they will comply with these requirements. Because the Applicant has stated

that they will comply with the requirements, prior to the use of the home as a vacation rental and during the use of the home as a vacation rental, the Applicant is required to post the required information for NMC 15.445.040(A-E) by the front door of the vacation rental.

15.445.350 Complaints and revocation of registration.

If the city receives two or more written complaints within a one-year period regarding a vacation rental home occupancy, and the issues have not been resolved through the code enforcement officer, the city manager may schedule a hearing to consider revoking the vacation rental home registration. The hearing may be conducted by the city manager, or other such hearings officer as the city manager may appoint for this purpose. The city manager shall notify the owner and operator of the hearing, those submitting written complaints, and may invite others to submit testimony at the hearing. After hearing the facts, the city manager may do any of the following:

a vacation rental home for a period of two years, or a period of lesser time as determined by the hearings officer.

B. Impose additional conditions necessary to fulfill the purpose of this section.

C. Establish a probationary period to monitor compliance.

D. Dismiss the complaint.

E. Refer the matter to the code enforcement officer for citation in municipal court or other appropriate jurisdiction.

The hearings officer's decision may be appealed to the planning commission by the applicant, owner, or person filing the written complaint within 14 calendar days of the date of the decision in the manner provided in NMC 15.100.170.

Finding: The City will follow the procedures listed above in the event complaints are received about the vacation rental home.
