

Housing Authority of Yamhill County's Yamhill County Manufactured Home Rehabilitation Program

Do you;

- Own, or are in the process of purchasing, a manufactured home in a park?
- Pay space rent?
- Have a member of your household, including yourself, who is 62 years or older, or is disabled?
- Need to make essential repairs to your home, but cannot afford them?

The Housing Authority of Yamhill County may be able to help!

Our Manufactured Home Rehabilitation Program is a grant program designed to help elderly and disabled Yamhill County residents pay for essential home repairs if they are living in a manufactured home they own but pay space rent.
