

HIGHWAY, LOCAL ROAD, AND STREET SAFETY FOR NON-ENGINEERS

**Free Presentation offered in
Newberg, Oregon
February 23, 2013
9:00am – 1:00pm**

Taught by:
Mojie Takallou, Ph.D., P.E.
Department of Civil Engineering
University of Portland

Sponsored by:
Oregon Department of Transportation
Transportation Safety Division
and
U.S. Department of Transportation
National Highway Traffic Safety Administration
With cooperation of
Newberg Public Works / Engineering Department
and Newberg-Dundee Police Department

Presentation Description:

This presentation is designed for persons throughout Oregon with responsibilities related to traffic and highway safety.

Who Should Attend and Why:

The presentation is of value to elected officials, city councilors, traffic safety committee members, county commissioners, county road supervisors, street superintendents, public works personnel, law enforcement personnel and concerned citizens. The presentation introduces latest developments in the field of traffic & highway safety and is an opportunity for all decision makers and concerned citizens to exchange up-to-date information. Common road and street hazards are reviewed along with practical ways to improve road and street safety.
