8/29/2021	Driving over the median on Fernwood Road	Vehicles are making a left turn from Fernwood into the apartment complex by driving over the landscaped median. The request is for something larger to stop this movement.	Ongoing.
9/29/2021	Speeding - Wyooski from 11th to 4th	Wyooski from 11th to 4th has become a raceway. After a post on Wyooski speeding, it became clear that many drivers do not know the speed limit is 25 MPH. People are coming off the bypass and 219 hoping to miss downtown traffic and use it as a shortcut. We need better signage at 11th Street and more police presence to slow people down.
